**A VALUABLE NEW BOOK.**

READY AUGUST 1st.

**OUR CASHIER'S SCRAP-BOOK,** Being Bank Notes, New and Old,  
for General Circulation.

A Portfolio of Bank Anecdotes and Incidents, queer, curious, odd, ludicrous, touching, — Poetry by and about Bankers, — "Capital" Items, — Conversations with Customers, and Facts and Statistics of general interest about Banks, accumulated from all the world, during a personal experience of Ten Years behind a Bank Counter.

Compiled by **H. C. PERCY**, Cashier of the Home Savings Bank, Norfolk, Va.

**GEO. W. CARLETON & CO.**, Publishers, Madison Square, New York.

A handsome 12mo. vol., beautifully printed and bound in cloth (Green-back) cover, Gold Title, etc., with numerous cuts and engravings. Price, \$2.00.

This Book of original and selected matter, represents the "Savings" of a Bank Cashier, from the good things constantly coming under his notice during the past ten years. Valuable and entertaining matter has also been contributed to the "Scrap-Book," by Cashiers from every State in the Union, from Canada and from England. Thirty pages, or more, are devoted to poetical selections from the world's "Banker-Poets." A large portion of the matter has never before been in print.

To the Banking Fraternity it will prove a rare treat, while the general public, who have more or less occasion to deal with Banks, will be sure to find quite enough information and amusement in the work to pay for its purchase and perusal. It cultivates a rich field heretofore untouched, and will prove a satisfactory addition to every man's library. 250 Copies sent, post-paid, on receipt of price, by

## PREFACE.

---

Our Subscribers will notice in the present number that we have added a list of Foreign Banks and Bankers, which has been done by request of numerous patrons. We have also added the County names in our bank lists: these new features will make our book still more valuable as a correct book of reference to all. All the information contained herein is obtained either by direct correspondence or by personal solicitation, and may be relied upon as being as nearly correct as it can be made. We have thoroughly systematized our means of obtaining early information, and will continue to anticipate similar publications, self-styled *correct* and *scrupulous*. We wish to call attention to some matters which are of importance to all; and in order that this subject may be readily comprehended we ask a careful comparison of the *facts* we present. For some time past other publications, self-styled *correct* and *scrupulous*, have been using our work to correct their own errors, but for this they have never given us credit. So long, however, as they were content to give their subscribers changes from *six months* to a *year old* we said nothing, but when it was generally asserted that their information was used to correct other works, we deemed it but proper that those most interested should know who was really the "Busy Bee,"—and we therefore give some facts which will explain themselves. We print on another page — FIRST, a list of Banks and Bankers, which appeared in our issue of July, 1878, and which appeared in other self-styled *correct*, *scrupulous* publications in January, 1879 — apparently their channels of information needed dredging. SECOND, a list of changes in Presidents and Cashiers in same issue (July, 1878) which also appeared in other self-styled *correct*, *scrupulous* publications, January, 1879—apparently it was decided that it would be easier and cheaper to copy our book than dredge out their "channels of information." THIRD, a list of names of Banks and Bankers that were *not in existence* previous to July, 1878, and dropped from our issue of that date, but still continued in other self-styled *correct*, *scrupulous* publications until their issue of January, 1879, at which time our work was probably consulted and mistakes corrected—possibly by this time it was also discovered that the "long established channels" were rather crooked, and that the demands of Banks and Bankers for fuller information led them to other peculiar ideas of what was "scrupulous," for we next find our lists of Bank Surplus bodily taken, and we are led to believe other features of our work will be copied: be this as it may, we ask our Subscribers in the past or of the future to make the comparisons which we have taken the pains to give, and if they are not satisfied with our statements of fact they must be hard to convince.

Our present number contains a large amount of information, changes, etc., which will be found valuable, and may be looked for six months hence in other valuable *correct*, *scrupulous* publications. We shall watch with interest the result.

In conclusion, it has ever been and will continue to be our aim to give just such matters and correct early information as may be required, and we will be pleased at any time to receive suggestions of ways of improving our Directory. Our continually increasing circulation encourages us in the belief that our efforts are appreciated, and we think our present work will be found the most complete and correct publication of the kind ever issued.

# COMMERCIAL LAWS.

Compiled Expressly for *THE BANKERS' DIRECTORY.*

## ALABAMA.

**ACKNOWLEDGMENTS** and proofs of conveyances may be taken by Judges of the Supreme and Circuit Courts and their Clerks, Chancellors, and Registers in Chancery, Judges of Probate Courts, Justices of the Peace, and Notaries. In other States they may be taken by Judges and Clerks of any Federal Court or court of record, the Mayor or chief magistrate of any town, city, borough or county, or a Notary Public. If out of the United States, by the Judge of any court of record, Mayor, or Chief Magistrate, or any Diplomatic or Consular Agent.

**ATTACHMENT.** Process will issue for the collection of a debt whether due or not, to recover damages for breach of contract or where the action is for damages alone, upon affidavit by the creditor or his agent that the debtor absconds, secretes himself, or resides out of the State so that process can not be served, or is about to remove or fraudulently dispose of his property, or fraudulently withhold money, chattels, or effects. Plaintiff must give bond in double the amount claimed. Garnishment process will issue in aid of attachment in all such cases.

**ASSIGNMENTS AND INSOLVENCY.** Assignments are governed by the common law except that a general assignment by a debtor giving preference to one or more creditors over the remainder shall be and inure for the benefit of all creditors equally. There is no general insolvent law, and no imprisonment for debt.

**COURTS, Terms and Jurisdiction.** Circuit Courts have jurisdiction in all civil cases where over \$50 are involved, and concurrent equity jurisdiction with the Courts of Chancery up to \$5,000. Regular terms of both twice a year in nearly every county. Chancery Courts have full equity powers and the city courts of Montgomery, Enfield and Mobile have concurrent jurisdiction with the Circuit Courts except as to land titles. Probate Courts hold term on second Monday of each month. Justices of the Peace have exclusive civil jurisdiction up to \$50, concurrent up to \$100, and must hold court monthly. Names of all parties plaintiff and individual names of copartners must be given in writs. Non-residents must give bond for costs.

**EXEMPTIONS.** The homestead of 160 acres, or in a city, town or village the lot with dwelling, etc., not exceeding \$2,000 in value, and owned or occupied by any resident. Exemption may be waived, but wife must join in the deed and it must be acknowledged. Personal property to value of \$1,000 selected by debtor, and wages to \$25 per month, are also exempt. Widow's exemption includes also wearing apparel, family books and pictures, and provisions for twelve months.

**EXECUTIONS.** Writ of *f. fa.* is alien only within the county in which it is received by the officer, on lands and personality of defendant subject to levy and sale, and continues so long as writ is regularly delivered to Sheriff without the lapse of an entire term. Executions issue from Circuit Courts within twenty days from close of term; city courts within ten days after judgment; Justice's after five days, returnable in not less than thirty nor more than sixty days. May be issued instantly on affidavit of plaintiff or his agent that he is in danger of losing the fruits of his judgment. No stay of execution in Circuit Court except by appeal, which delays collection until affirmance by Supreme Court, and entails five per cent. damages, with legal interest and costs. In Justice's Courts stay is granted on good security; below \$20, thirty days; over \$20, sixty days.

**INTEREST.** Legal rate is eight per cent., and same is allowed on all open accounts, judgments and decrees. Usury forfeits all interest.

**JUDGMENTS.** In courts of record are proved by a certified transcript. May be rendered at first term if action

is not defended, and create a lien from date of issuance. In Justice's Courts judgment may be had after three days' notice.

**LIMITATIONS.** Notes, six years; open accounts, three years; sealed instruments, ten years; judgments, twenty years. Bar created by statute can only be removed by a partial payment, made on the contract before the bar is complete, or by an unconditional promise in writing. Those under legal disability have three years after its removal in which to begin suit, but no action can be commenced after twenty years. Actions on contracts or writings not under seal, or for trespass to real and personal property, or on stated or liquidated account, must be brought within six years.

**MARRIED WOMEN.** Wife retains her separate estate and may devise or bequeath it as if sole. She can not mortgage her statutory separate estate, nor act as a dealer in the purchase and sale of goods, and the husband is made trustee of his wife's estate, although it is not subject for payment of his debts. Conveyance of the wife's estate may be made by husband and wife jointly in presence of two witnesses, and must be acknowledged and recorded.

**MORTGAGES** are executed and acknowledged in the same manner as deeds. May be foreclosed by bill in equity, or, if there be a provision to that effect, upon failure to pay any portion of principal or interest. Two years are allowed for redemption in each case. Conveyances of personal property to secure debts, or provide indemnity, are void against creditors or purchasers without notice, unless recorded.

**NOTES AND BILLS OF EXCHANGE.** Bills of exchange and promissory notes payable at a bank or designated place are governed by commercial law and are negotiable instruments. Paper payable in this State entitled to grace, and falling due on January 1, July 4, or Christmas, is due on the day previous, or if that be Sunday, then on Saturday previous. All bonds, contracts, and writings for payment of money or any other thing, or the performance of any act or duty are assignable by indorsement so as to authorize an action thereon by each successive indorsee. Acceptances of bills of exchange must be in writing, but an unconditional written promise to accept a bill before it is drawn is an actual acceptance, and any person upon whom a bill is drawn and who fails to return it within twenty hours is deemed to have accepted it. Notes not payable at any specified place are not entitled to grace.

**PROMISSORY.** Indorsers of bills of exchange or notes payable at a bank or private banking house are charged by a notice of protest duly served, without bringing suit against the maker. Damages on bills of exchange, whether foreign or inland, for non-acceptance or non-payment, are five per cent. on the sum drawn for.

**SUITS.** Every action, except upon bills of exchange, etc., as above, founded on express or implied contract, must be brought in the name of the person really interested, whether he have the legal title or not.

**TAXES.** The purchaser of lands sold for delinquent taxes receives from the collector a certificate of purchase containing a description of the property, the date and amount of assessment, taxes, costs, fees, etc., which after the expiration of two years is exchangeable for a deed from the Probate Court which is *prima facie* evidence of title. Lands sold for taxes may be redeemed within two years by the owner, mortgagee, or any person having a beneficial interest therein. If redeemed within three months the penalty is ten per cent.; one year, fifteen per cent.; two years, twenty per cent., and interest at the rate of eight per cent. per annum on the purchase money, with all costs of sale, accrued taxes, and other claims.

## ARIZONA.

The laws of Arizona in relation to arrest on civil process, attachment, executions, exemption of real and personal property, homesteads, garnishment, interest, judgments, and limitations of actions, are similar

to those of California, [which see.] There are no insolvent laws in Arizona. Mortgages on real estate must be recorded, and no other personal property except growing crops can be mortgaged.

## ARKANSAS.

**ACKNOWLEDGMENTS** of deeds within the State may be taken before a Judge or Clerk of the Supreme or Circuit Court, Judge of County Court, Justice of the Peace, or Notary Public. Anywhere else in the United States, before any Federal, State, or Territorial Court, Mayor or chief officer of any town or city, or any Notary Public. Out of the United States, before any authorized court or officer.

**ATTACHMENT.** Plaintiff in civil action may, at or before commencement thereof, have attachment against property of defendant where said defendant is non-resident or a foreign corporation, has been absent four months from the State, or has absconded, evaded service, or transferred, sold or conveyed his property with intent to defraud creditors. Under a writ of attachment debts due the defendant may be garnished. Plaintiff must give bond with sureties, conditioned to pay all damage defendant may sustain if the action is wrongfully maintained.

**ASSIGNMENTS AND INSOLVENCY.** The only insolvent laws are provided for cases of imprisonment on civil process, or for release of persons imprisoned in criminal proceedings for the payment of fine and costs.

**COURTS, Terms and Jurisdiction.** Circuit Courts with original jurisdiction over all civil cases not less than \$100 including interest, are held twice a year in each county. Justices have original jurisdiction up to \$100, and concurrent up to \$300.

**EXEMPTIONS.** Homestead in country not exceeding 160 acres, with improvements, not to exceed \$2,500, but in no case can the homestead be reduced below 80 acres, without regard to value. In any town, city, or village, homestead of one acre with improvements, of total value of \$2,500, not reducible below one-fourth of an acre. Personal property, \$500 besides wearing apparel.

**EXECUTIONS** are returnable sixty days from date from the Circuit Court, and thirty days from Justices'. Where execution has not been stayed, sales are made on a credit of three months on bond and security, said bond having the force of a judgment if forfeited. Execution may be stayed for three months by defendant giving bond with security for judgment, interest, and costs.

**INTEREST.** Legal rate is six per cent., but contracts may be made for any rate not exceeding ten per cent. Interest begins to run on an open account from the time payment is unreasonably withheld. Judgments bear same interest as contract sued on, if in such instrument the words "until paid" are used concerning the payment of interest. But if the words *per annum* alone are used, then, regardless of the rate stipulated, the judgment would draw six per cent. Usury forfeits principal and interest.

**JUDGMENTS** and decrees of Circuit Courts are liens on real estate of defendant within the county in which the court is held. Judgments of a Justice of the Peace become a lien by filing a transcript with the clerk of the Circuit Court. Executions may be issued on judgment until it is barred by the statute of limitations. Judgments are rendered at first term of a court of record if no defense is made.

**LIMITATIONS.** Accounts, three years; notes, five years; sealed instruments and judgments, ten years.

A written acknowledgment of indebtedness and promise to pay, or a part payment, revives the debt. Limitations of actions for the recovery of real estate, seven years. Usual saving clause in favor of infants, married women, and insane persons, but not as to non-residents.

**MARRIED WOMEN.** Married women have the same absolute and unqualified right in property of every description, when acquired, as *feminae sole*, and the same is not liable for debts or contracts of the husband. To entitle a married woman to her right as to personal property, she must cause such separate property to be recorded in her name in the county of her residence. She may carry on business on her sole and separate account, and she may sue or be sued alone on account of her separate property, business, or service; and she may contract and bind herself in respect to such separate property or business, and no such contract shall be binding on her husband, or render him or his property in any way liable therefor. In all actions where a married woman is a party—except as to such separate property or business—her husband must be joined with her in the suit. Widow takes dower in one-third of all lands of which the husband was seized of an estate of inheritance during marriage, unless legally relinquished; also an absolute one-third of all personality. Where there are no children she takes one-half of realty for life, and absolute one-half of all personality.

**MORTGAGES** are acknowledged same as deeds, and are not liens until filed for record, though good between the parties. May be foreclosed by complaint in equity. Chattel mortgages must be proved as other mortgages. May be filed and not recorded at option of mortgagee, and are liens from time of filing. Trust deeds must be acknowledged and filed same as mortgages.

**NOTES AND BILLS OF EXCHANGE.** Foreign and inland bills of exchange are governed by mercantile law as to days of grace, protest and notice. All indorsers or assignors of any instrument in writing assignable by law, which by its terms is payable "without discount or defalcation," may be notified of non-payment or protest of such instrument, and are equally liable with the maker, obligee, or payee, and may be sued for the same at the same time with the maker, obligee, or payee thereof, or may be sued separately.

**SUIT** in the Circuit Court is commenced by filing written complaint signed by the party or his attorney, verified by affidavit of the party, but such verification is not required where the complaint is founded on a bill, note, or other written obligation. The first trial is at term where the summons has been served ten days before the beginning of term—twenty days elsewhere in the State, or sixty days outside the State.

**TAXES** must be paid between December 15 and April 20 of each year next succeeding that in which they are assessed. If not paid within the time required by law 25 per cent. penalty is added, and lands are advertised for two weeks and sold. Lands may be redeemed within two years by payment of purchase money, penalty, and costs, and 10 per cent. interest per annum. Sale conveys absolute title, subject to such redemption.

## CALIFORNIA.

**ACKNOWLEDGMENTS OF DEEDS.** Real estate is transferred by what is known as a "grant," which contains a description of the property. Deeds, though not recorded, are valid between the parties thereto and as to all other persons having actual notice, but absolutely void as to all persons without notice. Proof or acknowledgment of an instrument may be made within the State before any Judge or Clerk of a court of record, Recorder, Mayor, Court Commissioner, Justice of the Peace, or Notary Public. Without the State, but within

the United States, before any judicial officer, Commissioner, or Notary, and in foreign countries before any Diplomatic or Consular Agent or Judge of a court of record. A conveyance by a married woman has no validity until acknowledged.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may, in good faith, execute an assignment to one or more assignees in trust for the satisfaction of creditors, subject to the law relative to trusts and fraudulent transfers, and said debtor, although insolvent, may

make a transfer to a particular creditor to pay or secure the debt owing to him. An assignment for the benefit of creditors may provide for any subsisting liability of the assignor, whether absolute or contingent, and any person may make an assignment for the benefit of his creditors, with or without their consent, and be thereby forever discharged from all his debts and liabilities. Attachments levied within two months of filing of petition, and not merged in judgment lien, are dissolved.

ATTACHMENT will issue in an action upon a contract express or implied, for the direct payment of money, where the contract is made or is payable in this State, and is not secured by any mortgage or lien upon real or personal property, or any pledge of personal property, or if originally so secured, such security has, without any act of the plaintiff, or the person to whom the security was given, become valueless; also in an action upon a contract, express or implied, against a defendant not residing in this State. Garnishee process can be had in all cases where property is liable to attachment. Defendant may be arrested in a civil action arising out of a contract where he is absent to remove from the State, or has removed or disposed of his property with intent to defraud creditors, or was guilty of fraud in contracting the debt.

COURTS, *Terms and Jurisdiction.* District Courts hold terms three or four times yearly in each county, and have exclusive equity powers and jurisdiction in all cases. Involving the possession of real estate, and in all other cases in which the demand amounts to \$200, exclusive of interest. County Courts have control of insolvency proceedings, and Justices of the Peace have civil jurisdiction up to \$200.

EXECUTIONS from any court may issue immediately on rendition of judgment, or at any time within five years, and as often within that period as any part of the judgment remains unsatisfied. If not collected within five years, judgment must be renewed by suit. Executions are returnable not less than ten nor more than sixty days after receipt by the Sheriff. The court in which an action has been tried has discretionary power to grant a reasonable stay of execution. Lands sold under execution are subject to redemption by the judgment debtor or his successor in interest, or by any creditor having a lien, on payment within six months of the purchase money, with interest at two per cent. per month.

EXEMPTIONS. The homestead, not exceeding \$5,000 in value, if declaration of homestead is properly filed in the recorder's office of the county where situated, by a husband or wife, or other head of a family, is exempt from execution except in the following cases: 1st, where the judgment was obtained before the declaration of homestead; 2d, on judgment for liens of mechanics, laborers, or vendors of the land; 3d, on debts secured by mortgage on the land, executed by the husband and wife, or an unmarried claimant; 4th, on debts secured by mortgage on the land before the declaration of homestead. Homestead of a single person not exceeding \$1,000 in value, is exempt. Personal property exempt includes chairs, tables, desks, and books, \$200; necessary household and kitchen furniture, sewing machine, stoves, beds, etc., provisions for a family for three months, three cows, four hogs, two horses, oxen, or mules, and feed grain reserved up to \$200; tools and implements of a mechanic or artisan, instruments of a physician and professional library of attorney, minister, editor, or school teacher. A miner's cabin, not exceeding \$500 in value, also sluices, pipes, tools, etc., necessary for his business, not exceeding \$200, two horses or mules with harness, and the miner's derrick worked by him and not exceeding \$1,000 in value, are also exempt. A drayman may retain two oxen, horses, or mules, with harness and wagon or dray. Earnings within thirty days of levy, if necessary for support of family; shares in homestead associations up to \$1,000, if debtor has no homestead selected; and life insurance policies and all benefits accruing therefrom, made in any company organized under the laws of this State, provided the annual premium does not exceed \$500, are all exempt. But all things above mentioned are liable for debts incurred for the purchase.

INTEREST. The legal rate is ten per cent., but parties may agree on any rate, and there is no penalty for usury. Judgments bear seven per cent. per annum from date of entry.

JUDGMENTS in courts of record where no defense is made are entered immediately after expiration of time designated in the summons for defendant's appearance. Are liens for two years on all real estate of the debtor within the county, which may be extended to other

counties by filing a certified copy of the docket in the office of the County Recorder. Judgments in Justices' Courts have the same effect when transcript is filed.

LIMITATIONS TO SUITS. Actions must be brought as follows: Within five years, upon a judgment or decree of any court of the United States, or of any State within the United States; an action for mesne profits of real property; within four years, an action upon any contract, obligation, or liability, founded upon an instrument of writing executed in this State—promissory notes included; within three years, an action upon a liability created by statute—other than a penalty or forfeiture; for trespass upon real property; for taking, detaining, or injuring any goods or chattels—including actions for the specific recovery of personal property; for relief on the ground of fraud or mistake. Within two years, upon a contract, obligation, or liability—not founded upon an instrument in writing, and on promissory notes and other written instruments executed out of this State.

MARRIED WOMEN. All property acquired in any manner before marriage, or afterward, by gift, bequest, devise, or descent, is wife's separate property, and controlled as if *feme sole*. All property acquired after marriage by husband or wife, except as above, shall be common property. Earnings of wife are not liable for debts of the husband, but he controls the community property. Dower and curtesy are unknown, but the widow takes half the common property after payment of debts and expenses of administration. A married woman may dispose of all her separate estate by will without consent of her husband.

MORTGAGES of real estate do not require the wife's signature unless the property is the homestead or her own separate estate. They are executed and acknowledged in the same manner as deeds. Chattel mortgages to be valid against persons other than the parties thereto must show the residence and trade of the mortgagor as of mortgage, the rate of interest charged, and when and where it is payable, and mortgagor and mortgagee must each make affidavit that the mortgage is bona fide and made without design to defraud or delay creditors. The same equity of redemption exists in lands sold under mortgage as under execution.

NOTES AND BILLS OF EXCHANGE are governed by the civil code. Notice of dishonor may be given by the holder or any party to the instrument who may be called on to pay it, and must be in writing. Days of grace are not allowed. The 1st of January, 22d of February, 4th of July, 25th of December, day of State election, and Thanksgiving Day, are legal holidays. Damages instead of interest to time of dishonor are allowed on dishonored bills drawn or negotiated in this State, as follows: two per cent. of the amount if drawn on a person in this State; five per cent. on a person out of State west of the Rocky Mountains; ten per cent. on a person east of the Rocky Mountains, and fifteen per cent. if on a person in a foreign country. The apparent maturity of a bill of exchange or promissory note payable at sight or on demand, and bearing interest, is one year from its date; if it does not bear interest ten days from date on bills and six months on promissory notes, and when the latter are payable at a certain time after sight or demand, said time is added.

SUITS, *Where Brought.* There is but one form of action, commenced by filing a written complaint with the clerk of the court; or if in a Justice's Court it may be by filing a copy of the note, bill, or account, on which action is brought. Summons must be issued within one year after complaint is filed, and if defendant evades service he may be notified by publication. In the District Courts the defendant is allowed ten days after the service of summons and complaint to appear and answer the complaint, where service is made within the county in which the action is brought; twenty days if served out of the county but in the district in which the action is brought, and forty days if served elsewhere. In Justice's Courts five days are allowed defendant to answer where summons is served in the township where action is brought; ten days if served out of the township but in the county in which action is brought, and twenty days if served elsewhere.

TAXES become delinquent on the first Monday in January, after which five per cent. is added. Delinquency is published on or before the first Monday in February, and sale is made in front of the court house not less than twenty-one nor more than twenty-eight days after first publication. Taxes on personal property are a lien on real estate of same owner. Owner of real estate sold for taxes may redeem within one year by paying the amount and fifty per cent. additional to the County Treasurer.

## COLORADO.

**ACKNOWLEDGMENTS** of deeds within the State may be taken before any Justice, Clerk or Deputy Clerk, of the Supreme or District Courts, County Judge, County Clerk or Recorder, Justice of the Peace, or Notary Public. In other of the United States and Territories, before the Secretary of State, under the seal of the State, any authorized officer of said State or Territory, or any Commissioner of Deeds. In foreign countries, before any Judge of a court of record, Mayor or chief officer of any city or town having a seal, or any Consul of the United States.

**ASSIGNMENTS AND INSOLVENCY.** There are no statutory enactments whatever concerning insolvency or assignments.

**ATTACHMENT.** Where defendant is a non-resident or a foreign corporation, or a corporation whose chief office or place of business is out of the State, or has been four months absent from the State, evades service, attempts to remove or fraudulently conveys, transfers, assigns or conceals his property, or where the debt was fraudulently contracted, plaintiff may obtain a writ of attachment by making affidavit to the facts and giving bond with security in double the amount claimed. Garnishee process will issue in aid of attachment or execution where sufficient property to satisfy the same is not found by the officer. Imprisonment for debt is abolished, and no civil action can be begun by arrest, but in actions founded upon a tort where the jury find that in committing the tort defendant was guilty of malice, fraud, or willful deceit, execution may issue against the defendant's body, and he may be imprisoned not exceeding one year, or until the judgment is satisfied.

**COURTS, Terms and Jurisdiction.** District Courts hold from one to two terms a year in each county, (three at Denver, Arapahoe Co.) They have original jurisdiction in all cases, both of law and equity. County Courts are held in the counties of Arapahoe, El Paso, Park, Sagache, Summit, Rio Grande, and Weld, six times a year, and in the other counties four times. They have exclusive probate powers and concurrent jurisdiction with the District Courts where the debt, damages, or claim, does not exceed \$2,000. Justices of the Peace have civil jurisdiction up to \$300.

Executions may be issued from all courts immediately on entering judgment and become a lien at once on all personal property of defendant within the county. When issued from a court of record, are returnable in ninety days; from a Justice's Court, thirty days. Execution must issue on a judgment within one year in order to keep the judgment in force, and land on which defendant resides must be taken last. Defendant or legal representative has six months in which to redeem lands sold under execution; judgment creditors may redeem after six and within nine months. Where execution is returned unsatisfied, judgment debtor may be required to answer under oath touching his property, and if it appears by affidavit that there is danger of his absconding, he may be arrested and held to bail. There is no stay of execution except by appeal.

**EXEMPTIONS.** Homestead consisting of house and lot or lots in any town or city, or of a farm of any number of acres, so that the value does not exceed \$2,000, when such homestead has been entered of record as such, and is occupied by a householder, the head of a family. Personal property exempt includes all wearing apparel of the debtor and his family, pictures, school books and library, beds and bedding, stoves, cooking utensils, and household furniture, not exceeding \$100; provisions for six months, tools, implements, or stock in trade, up to \$200; one cow and calf, ten sheep and necessary food for six months, working animals, up to \$200; the library and implements of a professional man up to \$300. Persons not the heads of families are entitled to tools, working animals, and stock in trade, not exceeding \$300 in value.

**INTEREST.** Legal rate where no agreement is made, 10 per cent.; same allowed on judgments, State warrants, and county orders. No usury laws.

**JUDGMENTS** are liens on real estate within the county, and may be extended to other counties by filing transcript. Lien continues six years from entry of judgment, provided execution be issued on the judgment within one year.

**LIMITATIONS TO SUITS.** On notes, accounts, bonds, etc., when cause of action accrued within the State, six years; when cause of action accrued without the State, upon a contract or agreement, two years; upon any sealed instrument in writing, or judgment of any court,

three years. Bills for relief on the ground of fraud must be filed within three years from discovering the fraud.

**MARRIED WOMEN** retain their separate property, real and personal, owned at marriage or acquired thereafter by gift, devise, descent, or bequest, including presents from the husband—for their own separate use, and not liable for their husbands' debts. They may carry on trade or business, sue and be sued, contract debts, and execute promissory notes, bonds, bills of exchange, and other instruments precisely as if sole, and may convey real estate without the husband joining in the deed. In all actions against a married woman, except as touching her separate property, the husband must be joined as a co-defendant. A married woman may make a will, but can not bequeath more than half her property away from her husband without his consent in writing. Dower is abolished, and the estate of an intestate descends to the surviving wife or husband where there are no children, or descendants of children; in other cases survivor takes one-half subject to payment of debts. The husband can not not deprive his wife of over one-half of his property.

**MORTGAGES.** There are no statutory provisions except as to foreclosure and redemption from sale, the same time being allowed for redemption as in sales under execution. Trust deeds are common, and lands or real estate sold by a trustee under a deed of trust are not redeemable. Chattel mortgages, to be valid as to third parties, must be acknowledged before a Justice or Notary Public of the nearest precinct, and recorded in the Recorder's office, unless possession of the chattels actually passes. They may be given for a term of two years, and, after default, mortgagee must not delay in taking possession, or his lien will be invalidated as to third parties.

**NOTES AND BILLS OF EXCHANGE.** Promissory notes, due bills, bonds, and other instruments in writing, are negotiable by indorsement, and if made payable to a person or bearer, do not pass by delivery only but must be assigned by indorsement, so as absolutely to vest the property in each assignee successively. Assignee must use due diligence against the maker before he can hold the assignor liable. Three days of grace are allowed on notes and bills, except drafts payable at sight, and checks for funds deposited subject to draft at sight. Paper maturing on Sunday, Fourth of July, Christmas, or any day set apart by the President of the United States, or the Governor, as a day of fasting or thanksgiving, is deemed to fall due the previous day, and may be presented and protested accordingly. Protest is necessary on bills of exchange drawn by parties in this State on parties residing without the State, for non-acceptance or non-payment; and the drawer or indorser thereof, due notice being given of such non-acceptance or non-payment, must pay said bill, with legal interest thereon from the time such bill ought to have been paid, and ten per cent. damages in addition, together with the costs and charges of protest.

**SUITS.** There is but one form of civil action, commenced in courts of record by filing a written complaint with the Clerk, and in Justice's Courts by summons, stating amount of demand. Summons must be issued within one month from filing complaint, and defendant is required to answer or stand default within ten days, if served within the county; twenty days within the district but outside the county, and forty days elsewhere in the State. Service may be had by publication where defendant resides out of the State, or has departed from it, or conceals himself, or can not be found. In Justice's Court, service must be had three days before return day, which is fixed at five days from issuance of summons. Non-residents must give security for costs at the time of commencing action.

**TAXES** are a perpetual lien on real estate until paid. It is the duty of persons subject to taxation to attend at the Treasurer's office and pay their State and county taxes between November 1 and December 20 of each year, and after January 1 taxes draw interest at the rate of twenty-five per cent. per annum. Real estate delinquent is advertised in April by the County Treasurer and sold in June. May be redeemed in three years by payment of amount for which it was sold, with interest as above, and penalty of fifteen per cent. additional if redeemed within three months; twenty-five per cent. over three months and within a year; forty per cent. over one year and within two, and fifty per cent. if over two and within three years, with all subsequent taxes paid by purchaser, and twenty-five per cent. interest per annum thereon.

## CONNECTICUT.

**ACKNOWLEDGMENTS.** Deeds of land must be in writing, subscribed by the grantor, attested by two witnesses, and personally acknowledged. An acknowledgment, whether within or without the State, is sufficient if made before a Judge of any court of record, Justice of the Peace, Notary, or any officer empowered by law to receive acknowledgments. Within the State, deeds may also be acknowledged before Judges of the Probate, Commissioners of the School Fund, and the Superior Court, and Town Clerks. In foreign countries, before a United States Consul, Notary Public, or Justice of the Peace.

**ASSIGNMENTS AND INSOLVENCY.** Voluntary assignments in insolvency can be made by any debtor to a trustee of his own selection, subject to the substitution of another by the Probate Court, if deemed proper. A creditor for over \$100, having brought suit and finding no property to attach, may apply to the Probate Court for the appointment of a trustee in insolvency of the debtor's estate. A hearing is had, and, if the petition is granted, trustee takes all debtor's estate not exempt; and all incomplete levies or attachments on money process commenced within sixty days previous, are dissolved. Three to six months are allowed to prove claims, which are passed upon by commissioners appointed for that purpose. The debtor receives an allowance for his support and that of his family, and if the estate pays seventy per cent. of all claims proved, he obtains a full discharge. Debtors may be arrested in actions for fraud or torts, and can give bail to the officer making the arrest, for their appearance before the court to which the writ for arrest is returnable. A debtor committed to jail on civil process can be released on taking an oath that he has not any real or personal estate in possession, reversion or remainder, of the value of \$17 in the whole, or sufficient to pay the demand for which he is imprisoned, except what is by law exempted from being taken on execution; and that he has not, directly or indirectly, sold, or otherwise disposed of, all or any part of his estate, thereby to secure the same, or to receive or expect any profit or advantage therefrom, or to defraud or deceive his creditors. The debtor will not be released if his oath is overcome by rebutting evidence.

**ATTACHMENT** is served by attaching goods or lands of defendant, or, if none be found, by attaching the person when liable. Non-resident plaintiff must furnish bond for costs. Goods concealed in hands of agents, or debts due to the defendant, are reached by foreign attachment, which takes the place of garnishment. No assignment of future earnings will prevent their attachment when earned, unless recorded in the Town Clerk's office within forty-eight hours.

**COURTS, Terms and Jurisdiction.** Superior Court holds from two to four terms per year in each county for the trial of civil causes, and has exclusive jurisdiction in all law and equity cases exceeding \$500. Court of Common Pleas in Hartford, Fairfield, New London and New Haven counties, has exclusive law and equity jurisdiction above \$100 and below \$500, and in New Haven county only concurrent jurisdiction with the Superior Court up to \$1,000. Four terms each year are held in each of the counties named. District Court has jurisdiction in Litchfield county up to \$1,100, and there are City Courts with limited civil jurisdiction in many of the cities. Probate Courts deal with the settlement of estates and insolvency proceedings, and Justices of the Peace have civil jurisdiction up to \$100.

**EXECUTIONS** issue on the return of final judgment, and are returnable within sixty days. No execution issued in an action founded on contract merely can be levied on the body of the debtor except for breach of promise of marriage, misconduct or neglect in office or professional employment, or breach of trust. Real estate levied on must be appraised by three indifferent persons. Stay of execution only on appeal, or in special cases at discretion of court.

**EXEMPTIONS.** No homestead law. Personal property exempt includes necessary apparel and bedding, household furniture necessary for supporting life, arms, military equipments, implements of the debtor's trade, one cow, ten sheep, (not exceeding \$150), and certain specified amounts of family stores, one stove, the horse,

saddle and bridle, buggy and harness (not exceeding in value \$50) of any practicing physician or surgeon, one sewing machine in use, one pew in church in use, and a library (not exceeding in value \$50), one boat used in fishing, not exceeding \$200 in value.

**INTEREST.** Legal rate, six per cent.; no penalty for usury.

**JUDGMENTS** carry six per cent. interest, but are not liens, and execution may be had at any time during the life of both parties. Judgment may be obtained within the first three days of term to which suit is brought, unless debtor makes reasonable defense.

**LIMITATIONS TO SUITS.** Open accounts and contracts not under seal, six years; instruments in writing and promissory notes not negotiable, seventeen years; express contracts not specified, and of which there is no written memorandum, three years. Usual exceptions in favor of married women, minors, lunatics, and those imprisoned.

**MARRIED WOMEN.** Under a law recently passed, neither the husband nor wife acquire any interest in the estate of the other by a marriage contracted subsequent to the 30th day of April, 1871; and in such a marriage the wife can make contracts with third persons, and convey to them her real and personal estate, and all her property will be liable to be taken for her debts in the same manner and to the same extent as if she was unmarried; but if the marriage was contracted prior to April 30, 1871, the wife remains under the same disability as before the law of 1871 was passed, that is, her husband must join her in all conveyances of her estate, and an action can be sustained against her only for torts committed by her, and upon contracts made by her upon her personal credit, and for the benefit of herself, her family, or her joint or separate estate. Contracts which by express agreement charge estate held to her sole and separate use may be enforced against such estate. Her property is not liable for her husband's debts, nor can his interest in her estate be taken for his debts. Any married woman may make a will, subject to the marital rights of her husband. Dower exists only in real estate of which the husband was seized at his death. The husband acquires a right to the use of all the land of his wife during her life, and if he has a child by her and survives her, then during his own life as tenant by the curtesy.

**MORTGAGES** of real estate are executed, acknowledged as recorded in the same manner as deeds, and are foreclosed by bill in equity. The equity of redemption exists for a limited time fixed by the court (usually from two to six months). Chattel mortgages, to be good against third parties, must be recorded in the Town Clerk's office, and are foreclosed by sale under order of court.

**NOTES AND BILLS OF EXCHANGE.** No days of grace, unless specified, are allowed on non-negotiable notes, or on paper payable at sight or on demand. Promissory notes, made payable to order or bearer, for the payment of money, alone are negotiable. A negotiable promissory note payable on demand is regarded as dishonored if unpaid four months after date. Demand and reasonable notice are necessary to bind indorsers. Notes or bills falling due upon any holiday, to wit: 1st of January, 23d of February, 30th of May, 4th of July, Dec. 25th, Thanksgiving, or Fast Day, are presentable for payment or acceptance on the secular day next preceding such holiday. Any mortgagee or creditor of the owner may obtain an equity of redemption within the year, and may hold the estate as security for the purchase money and interest as aforesaid.

**COURTS, Terms and Jurisdiction.** District Courts have exclusive chancery and common law jurisdiction above \$100, and where title to real property is concerned. **ASSIGNMENTS AND INSOLVENCY.** There is a domestic insolvent law, providing for a full surrender and equal distribution of all property, but it is very seldom used, and there is no provision in the Act for the discharge of the debtor upon his making an assignment. The assignee must file a schedule of property assigned within thirty days, and two appraisers are then appointed by the Chancellor. Assignments must be for benefit of all creditors alike.

The exceptions are for taxes, purchase money of the homestead, labor done thereon or material furnished therefor, or for the removal of incumbrances. The debtor has power to waive or renounce in writing the right of exemption thus provided, except as to wearing apparel, and not exceeding \$300 worth of household and kitchen furniture, and provisions, to be selected by himself and his wife, if any; and he shall not, after it is set apart, alienate or encumber the property so exempted, but it may be sold by the debtor, and his wife, if any, jointly, with the sanction of the Judge of the Superior Court of the county where the debtor resides, or the land is situated, the proceeds to be reinvested upon the same uses.

**SUITS.** Civil practice is under a code similar to that of California, and there is but one form of action, commenced by filing complaint with Clerk of the court. Where defendant can not be found, service may be had by publication. Defendant is required to answer the complaint in ten days after service, if served within the county; if out of the county, but in the judicial district, twenty days; in all other cases, thirty days.

## ILLINOIS.

**ACKNOWLEDGMENTS** within the State may be made before a Notary Public or United States Commissioner, Master in Chancery, Circuit or County Clerk, Justice of the Peace, or any Judge or Clerk of a court of record. In other States or Territories, before any Judge, or Justice or Clerk of the Supreme or District Court of the United States; any Commissioner of Deeds, appointed by the Governor of Illinois; any Judge or Justice or Clerk of the Supreme, Superior or Circuit Courts of any of the United States or Territories; Clerk of any county, Mayor of a city, United States Commissioner or Notary Public (the said officers, excepting Judges, certifying under their seal of office); a Justice of the Peace, whose official character must be certified to by the proper Clerk. The acknowledgment may be made in conformance with the laws of the State wherein such acknowledgment is made; and in such case the certificate of a Clerk of a court of record to that effect must be appended, under seal of the court.

**ASSIGNMENTS AND INSOLVENCY.** The County Court has jurisdiction in all cases of assignments for benefit of creditors. Assignee must file an inventory and valuation, and creditors are notified by mail to present claims within three months. Claims not so presented do not participate in dividends until after the payment in full of all claims properly presented and allowed. Assignee is required to make equal dividends among creditors at the first term after the three months allowed and to render a final account within one year. All preferential assignments are void, and all debts must be paid *pro rata*. Debtor may be subjected to examination touching his estate. There are no provisions for the discharge of the debtor.

**ATTACHMENT.** Process may issue where the debt or claim exceeds \$20, when the debtor is non-resident, conceals himself or avoids arrest, has departed or is about to depart from the State, attempts to remove, conceal, assign, or dispose of his property so as to hinder or delay creditors, or when the debt was fraudulently contracted. Plaintiff must make affidavit to one or more of these facts, and give secured bond in double the amount involved. Garnishment process may issue on return of an execution unsatisfied, but wages of a laborer (being the head of a family) up to \$50 are exempt therefrom. Arrest on civil process lies only in case of fraud or refusal of debtor to deliver up his estate for benefit of creditors.

**COURTS, Terms and Jurisdiction.** Circuit Courts have original jurisdiction of all cases in law and equity, and hold from two to four terms (in Adams county eight and in Cook twelve) each year. Cook county has a Superior Court, with concurrent jurisdiction with the Circuit Court, and a special Probate Court is held. In counties having less than 100,000 population, (which includes all save Cook) County Courts have probate powers. Justice's jurisdiction, \$200.

**EXECUTIONS** will issue immediately on rendition of judgment, and to any county in the State, but do not bind real estate in other counties until a levy is made. Executions issued on Justice's Court judgments are returnable in seventy days; in the other courts, in ninety days. Real estate is, in all cases, sold without appraisalment, to the highest bidder. The real estate of a debtor must be exhausted before personal property can be seized under execution. No stay law. Where appeals are taken for delay, Supreme Court may assess damages not exceeding ten per cent. Real estate sold under execution may be redeemed within twelve months by the defendant, on payment of purchase money and interest at 8 per cent. per annum. Any judgment creditor may redeem after twelve and within fifteen months, and other judgment creditors may redeem by successive redemptions, within sixty days of the last sale, the last redeeming creditor acquiring absolute title.

**EXEMPTIONS.** Homestead, \$1,000; personal prop-

erty of every person, \$100, and in addition, for head of family residing with the same, \$300; but property so exempt does not include money or wages due the debtor; no exemption allowed when the debt is for the wages of laborer or servant.

**INTEREST.** Legal rate, six per cent., but special agreement may be made for 8 per cent. Penalty for usury is forfeiture of all interest. Interest at six per cent. is collectable on instruments in writing, after they become due; on money lent or advanced for the use of another; on money due on settlement of account, from the day of liquidating accounts and ascertaining the balance; on money received to the use of another, and retained without the owner's knowledge; on money withheld by an unreasonable and vexatious delay; and on judgments.

**JUDGMENTS** are a lien upon debtor's real estate within the county for seven years, provided execution be levied within one year. May be revived within twenty years by *scire facias*.

**LIMITATIONS OF SUITS.** On unwritten contracts, five years; bonds, notes, and judgments recovered in foreign States, ten years; real actions and judgments recovered in this State, twenty years. Revivor: Part payment or new promise.

**MARRIED WOMEN.** A married woman may sue and be sued, possess her own earnings, contract and incur liabilities, purchase, sell and hold personal property, and own and hold real estate to the same extent as an unmarried woman. She is alone liable for her torts and ante-nuptial debts. She may not enter into a partnership without consent of her husband, unless he has abandoned her or be incapable of giving assent. No transfer of chattels between husband and wife is valid as against third persons, unless such transfer is in writing, and acknowledged and recorded. A married woman may make a will as if sole. The estate of curtesy is abolished, and the surviving husband or wife is endowed of the third part of all the lands whereof the deceased was seized of an estate of inheritance at any time during the marriage, unless relinquished in due form.

**MORTGAGES** are executed and acknowledged *adme* as deeds, husband or wife being required to join to bar dower, except in mortgages to secure purchase money.

Under an Act passed by the late Legislature, and in force July 1, 1879: No real estate within this State shall be sold by virtue of any power of sale contained in any mortgage, trust-deed, or other conveyance in the nature of a mortgage, executed after the taking effect of this act; but all such mortgages, trust deeds, or other conveyances in the nature of a mortgage, shall only be foreclosed in the manner provided for foreclosing mortgages containing no power of sale, and no real estate shall be sold to satisfy any such mortgage, trust-deed, or other conveyance in the nature of a mortgage, except in pursuance of a judgment or decree of a Court of competent jurisdiction.

**NOTES AND BILLS OF EXCHANGE.** Upon bills of exchange drawn or indorsed within this State, and payable within the United States, duly protested, ten per cent. damages are collectable, and on bills payable within the United States, five per cent. Grace is not allowed on instruments payable at sight, or on demand, or on presentation; on other instruments the usual three days are allowed.

**SUITS.** All except local actions are brought in the county where defendant resides or is found, but when there are several defendants, suit may be brought where one resides, and process issued to any other county for remaining defendants. Non-resident plaintiff must give security for costs. Process must be served ten days before commencement of return term, and judgment in default may be had on third day of term. In Justice's Court summons is returnable in not less than five nor more than fifteen days from its date, and must be served at least three days before time of trial.

**TAXES.** State and county taxes are payable after December 1, to the Township Collector, and the delinquent list is turned over to the County Collector on or about March 10 following. Advertisements of property on which taxes remain unpaid are made after April 1, and judgment obtained at May term of County Court. Sale commences on the fourth Monday after the first

day of the term at which judgment is rendered. Redemption may be made within two years. Penalty for: Within six months, twenty-five per cent. interest; twelve months, fifty per cent.; eighteen months, seventy-five per cent.; two years, one hundred per cent.; with all subsequent taxes paid by purchaser, and interest thereon at the rate of 12 per cent. per annum.

## INDIANA.

**ACKNOWLEDGMENTS.** All conveyances of land must be in writing, and acknowledged and recorded within forty-five days from their execution. Within the State acknowledgments may be taken before a Judge or Clerk of a court of record, Justice of the Peace, Auditor, Recorder, Notary Public or Mayor of a city, and in other States and Territories before the like officers, or a Commissioner of Deeds for Indiana. In any foreign country, before a Minister *chargé d'affaires* or Consul of the United States. Husband must join in deeds to wife's lands.

**ASSIGNMENTS AND INSOLVENCY.** Insolvent debtor may make a general assignment of all property in trust, for benefit of all bona fide creditors. Accompanying schedule and list of creditors must be sworn to. Trustee files bond in Circuit Court, and estate is administered under direction of that court, in the same manner as decedents' estates. Dividends are declared *pro rata*, the assignor, if a resident non-holder, being allowed to retain \$300. There is no provision for the release of the debtor.

**ATTACHMENT** may issue against the property of non-residents or foreign corporations, and against all who have disposed of, or are about to dispose of their property, to cheat, hinder or delay creditors. An affidavit is required, which may be made by the creditor or his attorney, and a bond to answer damages if the proceedings are wrongful or oppressive. All creditors who file under the original attachment, before final judgment, share *pro rata* in the proceeds of the attached property. Defendant, in a civil action may be arrested and held to bail in double the amount of debt or damages claimed, at any time before judgment, on affidavit showing that he is about to leave the State, taking with him property subject to execution, or money, with intent to defraud the plaintiff.

**COURTS, Terms and Jurisdiction.** The Circuit Court is the only court of original general civil jurisdiction in the State, and has full probate powers. From three to five terms are held annually in each county. Superior Courts, with concurrent jurisdiction with the Circuit Courts in all civil cases except probate matters, have been established in Marion, Tippecanoe, Allen, Cass, Vanderberg and Wayne counties, and hold from four to ten terms each year. City Courts (which may be established in all cities having over 6,000 population) have concurrent jurisdiction with Circuit Courts up to \$1,500, except in probate matters, suits for libel, slander, or divorce, or where title to real estate is at issue. Justice's jurisdiction, \$200.

**EXECUTIONS** may issue at any time within ten years after judgment rendered, and are returnable in 180 days. From a court of record may issue to any county in the State. Are a lien on personal property within the county from the time they are placed in hands of officer. After judgment is rendered, the debtor may, by giving sufficient freehold surties, have a stay of execution on any sum exceeding \$75, for six months. Where the sum is less than \$75, the stay is not so long. Lands sold under execution may be redeemed within one year by the owner, mortgagee or person having a lien thereon.

**EXEMPTION.** No homestead law; real or personal property up to \$300 is exempt, where debtor is a resident householder.

**INTEREST.** The recent "Act concerning interest and usury," approved March 10, 1879, made considerable changes in the law, which are herein embodied. The legal rate of interest on loans or forbearance of money, goods or things in action, is six per cent. as heretofore, but interest may be taken yearly or for a shorter period in advance. No agreement to pay a higher rate is valid unless the same be in writing, and in such case it is not lawful to contract for more than eight per cent. per annum. When a greater rate is contracted for, the contract is void as to the usurious interest, and in an action on a contract affected by such usury, whether it be directly or indirectly charged, all excess over six per cent. is

usurious and illegal, and the excess over the legal interest may be re-claimed by the debtor whenever it has been reserved or paid before the bringing of the suit. Interest on judgments rendered after March 10, 1879, runs from the date of the verdict or finding, at the rate specified in the original contract, not exceeding six per cent., and if no contract has been made, six per cent. is allowed. The Act applies to all contracts made within the State, although they are to be performed without it.

**JUDGMENTS** of courts of record are a lien upon all real estate of defendant within the county for ten years. Judgment may be obtained at the first term of the court, after process has been served on debtor ten days prior to the first day thereof. By law of 1877, plaintiff, by indorsement on complaint, can summon the defendant to appear and answer after service had ten days, and in default can take judgment, where no good cause of defense is shown, and it operates as a lien upon the real estate of the judgment debtor situated in the county.

**LIMITATIONS TO SUITS.** Open accounts and contracts not in writing, six years; actions not limited by statute, fifteen years; written contracts, judgments of courts of record and real actions, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN** retain their real or personal property owned by them at time of marriage or acquired during coverture. A married woman can not make a valid executory contract, and is not personally liable for any debt she may contract during coverture. Her real estate is not liable for the debts of her husband. She may devise by will her real and personal property, but can not bind her separate estate by signing a promissory note as surety for her husband. The only way she or her property ordinarily can be made liable is by mortgage. No tenancy by the curtesy or dower. A widow takes one-third of her deceased husband's real estate in fee, free from all demands of creditors, where the estate does not exceed \$10,000; one-fourth, if under \$30,000, and one-fifth, if above that amount. She also takes one-third of personalty after payment of debts, and in all cases takes \$300 without accounting, and may occupy the dwelling and forty acres of land for a year, rent free.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace are allowed on all bills of exchange payable within the State, whether sight or time bills. Damages for protest on domestic bills, five per cent.; foreign bills, ten per cent. Promissory notes payable to order or bearer at a bank in this State, and bills of exchange, are governed by the law merchant. Promissory notes not payable at a bank are subject to any set-off maker may have against payee, or any subsequent holder, accruing before notice of assignment. On these, maker must be exhausted before indorser can be sued. Protest is not necessary to hold indorsers of such notes, but to hold them maker must be sued at first term of court after maturity, unless it can be shown that he was insolvent at the time of such maturity.

**SUITS.** No distinction between law and equity. Civil actions are commenced by filing complaint with Clerk of court, and every action must be prosecuted in the name of the real party in interest, except suits by executors, administrators, guardians of idiots or lunatics, trustees of express trusts, or person expressly authorized by statute.

**TAXES.** State, county, township, municipal, school and road taxes attach as a lien on real estate, on April 1 of each year, and penalties attach on third Monday of same month. Sales of real estate for taxes are held on the second Monday of February, and all lands on which taxes are delinquent for two years are offered. Owner has two years in which to redeem, by paying the amount set forth in the certificate of purchase, with all subsequent taxes paid, and fifteen to forty per cent. upon the whole sum, with legal interest from the date of purchase or payment.

## IOWA.

**ACKNOWLEDGMENTS** of deeds to land made within the State, or the United States or Territories, must be made before a Judge of a court of record, or Clerk thereof, authenticated by the court seal, or by a Commissioner of Deeds, appointed by the Governor of the State, Notary Public, or Justice of the Peace; in the case of the latter official, his authority to take the acknowledgment should be certified to by a Clerk of a court of record, under seal of the court, as also his official character, and the genuineness of his signature. In foreign countries deeds may be acknowledged before any officer authorized by the laws of such country to certify to acknowledgments, or any Ambassador, Minister, Consular Agent, or other officer of the United States properly authorized to receive acknowledgments of deeds. Witnesses are not required.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law. Assignments not valid unless for benefit of all creditors, when assent of creditors is presumed. Debtor must furnish sworn inventory and list of creditors; and the assignment, which vests in the assignee title to all property of the debtor, must be recorded. Assignee must give bonds, prepare an inventory and valuation, and notify creditors by mail to file claims within three months. Claims objected to may be passed upon by a jury, and the assignee is in all respects subject to order of court, and renders a final account thereto. An assignment does not discharge the debtor from his debts and liabilities, but only entitles creditors to share equally in his estate.

**ATTACHMENT.** Process will issue against all property not exempt from execution on filing of a sworn petition, alleging, 1st, that the defendant is a foreign corporation, or acting as such; or 2d, that he is a non-resident of the State; or 3d, that he is in some manner about to dispose of or remove his property out of the State, without leaving sufficient remaining for the payment of his debts; or 4th, that he has disposed of, or is about to dispose of, his property (in whole or in part) with intent to defraud his creditors; or 5th, that he has absconded, so that the ordinary process can not be served on him; or 6th, that he is about to remove permanently out of the county, and has property therein, not exempt from execution, with which he refuses to pay or secure the debt to the creditor; or 7th, that he is about to remove permanently out of the State, and refuses to pay or secure the debt of the creditor. The Sheriff must levy upon property fifty per cent. greater in value than the amount of indebtedness claimed. Before the writ of attachment can issue, the creditor must give bonds, with sureties, in penalty double the amount of the property to be attached. No person may be imprisoned for debt in any civil action on meane or final process, except in case of fraud.

**COURTS, Terms and Jurisdiction.** The District Courts have general original jurisdiction, both in chancery and at common law, and the Circuit Courts deal with probate and guardianship matters. Two terms of each court are held annually in each county (three in some of the more populous counties). Justice's jurisdiction, \$100, or, by consent of parties, \$300.

**EXECUTIONS** may issue immediately upon the rendition of the judgment, and are returnable in seventy days from the date of issue. On the judgment debtor entering good and sufficient security on the proper court records for the amount of such judgment, interest and costs—accrued and to accrue—he can have a stay of execution as follows: under \$100 three months, above that sum, six months. Stay must be taken within ten days from the date of entry of judgment, and the party taking such stay, if he has been personally served with process, shall not afterward be allowed to appeal. If the judgment is not fully paid at the expiration of the stay, judgment is entered against the surety, and execution may be issued forthwith. After stay, judgment draws ten per cent. interest by operation of law. There can be no stay for wages due mechanic or laboring man, nor by a surety on stay bond. Defendant may redeem real property sold under execution at any time within twelve months, meantime remaining in possession of the property, but where he has taken an appeal or stay of execution he can not redeem. During the first six months he has exclusive right of redemption, but after that time, and before the expiration of nine months, any creditor having a lien can redeem.

**EXEMPTIONS.** Homestead of 40 acres in country and half an acre in city or town, with buildings without re-

gard to value. Personal property exempt includes tools, instruments, library, necessary team, etc., of mechanic, farmer, teacher, or professional man; wearing apparel, household and kitchen furniture, \$200; certain farm animals and necessary food for six months. Foregoing relates only to residents, being the head of a family; unmarried persons and non-residents being only entitled to retain their own clothing and trunks. Where debtor is a printer, the printing press and types, furniture and material up to \$1,200 are exempt. Earnings of debtor within 90 days of levy are exempt.

**INTEREST.** Legal rate, six per cent.; parties may contract for ten per cent. Judgments draw six per cent., or if a higher rate not exceeding ten per cent. is expressed in the original contract, then such higher rate. Open accounts draw six per cent. after six months from date of last item. Contract for above ten per cent. forfeits ten per cent. on amount of contract, and all interest and costs.

**JUDGMENTS** in the District and Circuit Courts may be obtained at first term after suit commenced, if undefended, and are liens on real estate owned by the debtor at the time of such rendition. If the lands lie in the county where judgment was rendered, the lien attaches from its date; if in any other county, from the time of filing therein an attested copy of the judgment. Lien also covers all lands which defendant may acquire within ten years from date of judgment.

**LIMITATIONS TO SUITS.** Actions for injuries to person or reputation, or to recover a statutory penalty, must be brought within two years; to enforce a mechanic's lien, two years; on unwritten contracts, five years; on written contracts, ten years; on judgments of courts of record, twenty years; to recover real estate, ten years. Revivor: Admission of debt or new promise to pay, which must be in writing.

**MARRIED WOMEN** may own in their own right real and personal property acquired by descent, gift or purchase, and may manage, sell, convey and devise the same by will in the same manner as the husband can property belonging to him. Neither husband nor wife is liable for the debts or liabilities of the other incurred before marriage, and, except as herein otherwise declared, they are not liable for the separate debts of the other, nor are the wages, earnings or property of either, nor the rent or income of such property, liable for the separate debts of the other. Contracts may be made by a wife and liabilities incurred, and the same enforced by or against her, to the same extent and in the same manner as if she were unmarried. But both are liable for the expenses of the family, and the education of the children, whether contracted for by one or the other. They may be sued jointly or separately therefor. Dower and the estate of curtesy are abolished, but the surviving wife or husband takes one-third in value of all the legal and equitable estate possessed by the other during marriage.

**MORTGAGES** must be subscribed by the parties and acknowledged and recorded same as deeds. Are foreclosed by civil action. Mortgagor has one year in which to redeem. Chattel mortgages to be valid against existing creditors or subsequent purchasers without notice must be recorded immediately in the county where the holder of the property resides.

**NOTES AND BILLS OF EXCHANGE.** Grace is allowed upon all negotiable bills or notes payable within the State according to the law merchant, and notice of non-acceptance, or non-payment, or both, is required according to the rules of commercial law. Damages allowed on protested paper: three to five per cent. To hold indorser note must be duly presented, payment refused, and indorser notified. Open accounts are assignable. Paper falling due on Sunday, 1st day of January, 4th of July, the 25th day of December, and any day appointed by the Governor or by the President as a day of fasting or thanksgiving, shall be considered and treated as falling due on the preceding day.

**SUITS.** But one form of action in this State, known as a civil action and regulated by a Code of Procedure. Actions are commenced by serving defendant with notice, stating generally the nature of the claim, and filing a petition in court, ten days before the term. Actions generally are prosecuted in the name of the real party in interest, and in the county where defendant resides, or property in question is situated, or cause of action arose. Process must be served in Justice's Courts on debtor at least five and not more than fifteen days, and in the District and Circuit Courts at least ten days,

before the first day of term. If defendant is served outside of his county, but inside of judicial district, process must be served fifteen days—elsewhere there must be twenty days' service for every 1,000 miles or fraction. Service short for first term is good for next term.

Taxes become due and payable on second Monday in November, and delinquent on February 1st following. If not paid before March 1, penalty of one per cent. per

month is added for first three months, two per cent. per month for next three months, and three per cent. per month thereafter. Lands are sold on first Monday in October after taxes become delinquent. Three years are allowed in which to redeem by payment of amount for which lands were sold, twenty per cent. penalty, and ten per cent. per annum upon the whole amount.

## KANSAS.

**ACKNOWLEDGMENTS** within the State must be made before a Judge or Clerk of a court having a seal, a Justice of the Peace, Notary Public, County Clerk, Register of Deeds, or Mayor or Clerk of an incorporated city. In cases where the acknowledgment is made out of the State it must be made before a court of record, a Clerk, or other officer having the seal thereof, a Commissioner of Deeds for Kansas, Justice of the Peace or Notary Public, or before any Consul of the United States, resident in any foreign country or port. When the acknowledgment is made before a Justice of the Peace, some Clerk of a court of record must certify to his official position.

**ASSIGNMENTS AND INSOLVENCY.** Assignments must be for benefit of all creditors, and do not discharge the debtor. Must be executed and recorded like conveyances of real property. Creditors (above ten dollars) are notified by Clerk of District Court, and at the meeting held for choice of assignee, a majority of such creditors must be present, otherwise appointment rests with the court. Creditors who fail to appear are precluded. Assignee must pay out funds in his hands within one month of allowance of demands. Property must be appraised, and assignee is in all respects subject to order of court, and his accounts are passed upon by a Commissioner before his discharge.

**ATTACHMENT.** The creditor in a civil action for the recovery of money may, at or after the commencement thereof, have an attachment against the property of the debtor, where the debtor or one of several debtors is a foreign corporation or non-resident of the State (but no attachment shall be granted on the ground or grounds in this clause stated, for any claim other than a debt or demand arising upon contract, judgment or decree, unless the cause of action arose wholly within the limits of this State, which fact must be established on the trial); or where the debtor or one of several debtors has absconded with intent to defraud his creditors; or has left the county of his residence to avoid the service of a summons; or so conceals himself that a summons can not be served upon him; or is about to remove his property or a part thereof out of the jurisdiction of the court, with intent to defraud his creditors; or is about to convert his property or a part thereof into money, for the purpose of placing it beyond the reach of his creditors; or has property or rights in action which he conceals; or has assigned, removed, or disposed of, or is about to dispose of his property or a part thereof, with the intent to defraud, hinder or delay his creditors; or fraudulently contracted the debt, or fraudulently incurred the liability or obligation, for which suit is about to be or has been brought; or when the damages for which the action is brought are for the injuries arising from the commission of some felony or misdemeanor, or the seduction of a female; or when the debtor has failed to pay for any article or thing delivered, for which by contract he was bound to pay on delivery. Money or property due or belonging to defendant may be reached by garnishment. Arrest is allowed for debt only where fraud is alleged. Plaintiff must give security to cover damages.

**Courts, Terms and Jurisdiction.** District Courts, holding two to three terms a year in nearly every county, have general original jurisdiction in law and equity. Regular terms of the Probate Court are held in each county on the first Monday in January, April, July and October, and special or adjourned terms may be held as business may require. Justice's jurisdiction in civil actions for the recovery of money, \$300; to recover specific personal property, \$100.

**EXECUTIONS** may be ordered as soon as judgment is obtained. It is the duty of the Justice, without any order, to issue execution within ten days from rendition of judgment. Executions are made returnable within thirty days. Personal property levied on must be appraised, and advertised for ten days, and sold at auction to the highest bidder. There is no stay of execution in the District Court, except where a case is taken

to the Supreme Court on appeal. In Justice's Courts, by filing bond, stays of execution are granted as follows: On any judgment for \$30 and under, thirty days; over \$30 and under \$50, sixty days; over \$50 and not exceeding \$100, ninety days; over \$100, one hundred and twenty days. There is no redemption of land sold under execution or other legal process in this State.

**EXEMPTIONS.** Homestead of 160 acres of farming land, or of one acre within an incorporated town or city, with buildings thereon, unlimited in value. Every person residing in this State, and being the head of a family, shall have exempt from seizure upon attachment or execution, or other process issued from any court in this State: Family Bible, school books, and family library; family pictures and musical instruments used by the family; all wearing apparel of the family, all beds, bedsteads and bedding used by the debtor and his family, one cooking stove and appendages, and all other cooking utensils, and all other stoves and appendages necessary for the use of the debtor and his family; one sewing machine, spinning wheel, and all other implements of industry, and all other household furniture not herein enumerated, not exceeding \$500, two cows, ten hogs, one yoke of oxen and one horse or mule, or in lieu of one yoke of oxen and one horse or mule, a span of horses or mules, and twenty sheep and their wool; necessary food for the support of the stock for one year; one wagon, two plows, drag, and other farming utensils, not exceeding \$300; grain, meat, vegetables, groceries, etc., for the family for one year; the tools and implements of any mechanic, miner, or other person, kept for the purpose of carrying on his business, and in addition thereto stock in trade not exceeding \$400 in value; library, implements, and office furniture of any professional man. A lien on the homestead may be created by husband and wife joining in the mortgage. Residents, not the head of a family, have tools, implements, and stock in trade up to \$400, exempt from execution.

**INTEREST.** Legal rate, seven per cent., but twelve per cent. may be agreed upon. Excess of twelve per cent. is forfeited, but there is no penalty for usury.

**JUDGMENTS** of courts of record are liens on real estate of debtor within the county, and can be extended to other counties by filing certified copy of judgment. Lien continues for five years, and may be revived. Justice's judgments become liens on filing transcript in District Court of the county in which they were rendered.

**LIMITATIONS OF SUITS.** Actions concerning real property must be brought within fifteen years on official bonds and contracts in writing, five years; contracts not in writing, three years; trespass, detinue, replevin, and for relief on the ground of fraud, two years. Revivor: Post payment, or a written acknowledgment or promise.

**MARRIED WOMEN** have same rights as men concerning property and business, and may carry on trade, sue and be sued, and sell or convey their real estate, precisely as their husbands can. The estates of dower and curtesy have been abolished. Homestead is absolute property of widow and children, and widow takes in fee simple one-half of all other real estate owned by the husband during coverture, unless she joined in the conveyance thereof.

**MORTGAGES** of real estate, to be valid against subsequent bona fide purchasers, must be duly acknowledged and recorded within the county. Are foreclosed by suit only, in which all parties in interest are made parties defendant. Chattel mortgages are absolutely void as against creditors and subsequent purchasers and mortgagees in good faith, unless possession of the property actually passes to and remains in the mortgagee, or the instrument be forthwith filed of record. Such mortgages expire within one year, as to creditors or purchasers, unless renewed by affidavit, showing interest, filed during the last thirty days of the year.

**NOTES AND BILLS OF EXCHANGE.** All bonds, notes and bills of exchange, except bank checks and sight drafts, made negotiable, shall be entitled to three days of grace in the time of payment. All bonds, notes, and bills of exchange, foreign and inland, drawn for any sum or sums of money, certain, and made payable to any person or order, or to any person or bearer, shall be negotiable by *indorsement* thereon if payable to order, and by *delivery* if payable to bearer, so as to absolutely transfer and vest the property thereof in each and every indorsee or holder, successively; but nothing in this section shall be construed to make negotiable any such bond, note, or bill of exchange, drawn payable to any person or persons *alone*, and not drawn payable to any order, bearer or assigns. [See General Statutes, 1868.]

By the law of 1875 it was provided that no person or persons, bank or body corporate, residing or doing business within the limits of this State, can be held liable for protest damages on any bond, note or bill protested heretofore or hereafter for non-acceptance or non-

payment. Whenever the third day of grace falls upon a Sunday, July 4, December 25, or January 1, or upon any day appointed for a public Fast or Thanksgiving, the next preceding day is the last day of grace.

Suits are commenced in the District Courts by filing a petition and *precipe*, and causing a summons to issue thereon. Actions concerning real estate must be brought in the county in which the land or a part of it is situated, and all other actions in the county in which defendant resides or may be summoned, except where defendant is non-resident or a foreign corporation when action may be brought in any county where defendant has property.

TAXES not paid by June 20 become delinquent, and the property is subject to sale on the first Monday in September following. After sale it bears interest at the rate of fifty per cent. per annum, and the same rate on all subsequent taxes. Lien attaches on November 1 in the year in which tax is levied, and lands sold for taxes are redeemable within three years from day of sale.

## KENTUCKY.

**ACKNOWLEDGMENTS.** Deeds executed out of the United States by persons other than married women may be certified by any Foreign Minister or Consul, or Secretary of Legation of the United States, or by the Secretary of Foreign Affairs, certified under his seal of office or the Judge of a superior court of the nation where the deed shall be executed, to have been acknowledged or proved by him as required by law (Gen. Stat., Chap. 24, Sec. 17.) Deeds executed out of this State and within the United States by persons other than married women, may be certified under his seal of office, by the Clerk of a court, his deputy, or a Notary Public, Mayor of a city, or Secretary of State, or Commissioner to take acknowledgments of deeds, or by a Judge under the seal of his court, to have been acknowledged or proved before him in the manner hereby required (*Ibid*, Sec. 16). Deeds executed in this State by others than married women, may be acknowledged before a Clerk of a County Court, or may be proved by two subscribing witnesses, or by one who also proves the attestation of the other, or by proof of two witnesses that the subscribing witnesses are both dead or out of this State, or one so absent and the other dead, and like proof of the signature of one witness and the grantor. Deeds of married women executed in this State must be acknowledged before a Clerk of the County Court, who shall explain to her the contents and effect of the deed separately and apart from her husband, and if she freely and voluntarily acknowledges the same, and is willing for it to be recorded, he shall certify the deed, stating the acknowledgment when it was acknowledged, but need not state privy examination, etc. A deed of a married woman, to be effectual, shall be acknowledged before some of the officers named above when made out of this State, who shall explain to her the contents and effect of the instrument separately and apart from her husband, and if she freely and voluntarily acknowledge the same, and is willing for it to be recorded, he shall so certify.

**ASSIGNMENTS AND INSOLVENCY.** There is no provision for the discharge of an insolvent debtor unless debts are paid in full. A general assignment for benefit of all creditors may be made and claims are proven, as in the case of a decedent's estate. Trustee must give bonds and settle his account in two years.

**ATTACHMENT ISSUES** where defendant is non-resident or a foreign corporation, or has been absent four months from the State, evades service, conceals, attempts to remove, disposes of, or conveys property with intent to defraud or delay creditors. But an attachment will not be granted on the first two grounds except on actions to recover a debt or demand arising upon contract. Bond and security must be given. Garnishment process will issue on return of an execution unsatisfied, and any persons indebted to defendant may be made parties thereto. Arrest in civil actions is only allowed when defendant conceals property or is about to remove it from the State.

**COURTS, Terms and Jurisdiction.** Circuit Courts are held twice a year in nearly every county; and in Jefferson county (Louisville) on the first Monday in every month except July and August. Have original jurisdiction in all civil cases, both in law and equity. But in twenty-three counties Common Pleas Courts have been established with similar common law jurisdiction, and in Kenton, Campbell, Bracken and

Pendleton counties there are Chancery Courts with exclusive equitable jurisdiction. Jefferson county has a Court of Common Pleas and a Chancery Court, with jurisdiction in the city of Louisville and county of Jefferson. County Courts in each county deal with probate and guardianship matters. Quarterly Courts have jurisdiction up to \$100, and Justices' Courts up to \$50; Justices of the Peace in Jefferson county up to \$100, exclusive of interest and costs.

**EXECUTIONS** issue from courts of Justices of the Peace and County Courts in five days; Circuit Courts, ten days; Louisville Chancery Court, fifteen days; returnable not under thirty nor over ninety days from date, and are liens only after delivery to proper officer. At any time before levy is made, debtor can execute a receipt in bond with good security, payable to the creditor, which acts as a stay for three months. Real estate sold under execution for less than two-thirds its appraised value may be redeemed within twelve months by payment to purchaser of original purchase money and ten per cent. per annum interest thereon.

**EXEMPTIONS.** On all debts or liabilities created since the first day of June, 1866, so much land, including the dwelling house and appurtenances, as shall not exceed in value \$1,000; one work beast or yoke of oxen, two cows and calves, five sheep, wearing apparel, and the usual household and kitchen furniture of about the value of \$100. Also one sewing machine; libraries of preachers, professional libraries of lawyers, physicians and surgeons, and their instruments to the value of \$500; the wages, not to exceed \$50, of all persons who work for wages, mechanics' tools to value of \$100.

**INTEREST.** The legal rate of interest in this State is six per cent., and no contract may be made at any greater rate. [See Act of March 14th, 1876, in force April 1, 1878.] The penalty for usury is forfeiture of all interest in excess of the legal rate. Six per cent. is allowed upon judgments rendered, and judgments upon written contracts bear the same rate of interest provided for in the contract, not exceeding the legal rate as fixed by the above law. Interest at the legal rate may be recovered upon open accounts by proper pleading of the maturity of debt and the default of the defendant. Prior to the adoption of the law quoted above it was allowable to contract for a rate not exceeding eight per cent. per annum.

**JUDGMENTS** are not a lien upon the estate of the defendant. Executions may issue upon them at any time within fifteen years, and every time they are issued act as a revival of judgment.

**LIMITATIONS OF SUITS.** Actions upon contracts in writing, official bonds, or upon a judgment or decree of any court, must be brought within fifteen years, the time dating from the last issue of execution; also all actions for the recovery of real estate; and no disability whatever can extend the time longer than thirty years. Actions upon contract, express or implied, not in writing, for trespass on real or personal property, on bills of exchange, drafts, or upon a promissory note placed on the footing of a bill of exchange, upon accounts between merchants or their agents, or for relief upon the ground of fraud, must be brought within five years. Actions upon merchants' accounts for goods sold to consumers shall be brought in two years, the time to be

computed from the first day of January next after the goods are sold and charged. Revivor: New promise, or recognition of debt as an existing liability after bar.

**MARRIED WOMEN** hold their separate estate free from the control or liability for debts of the husband. Upon joint petition of husband and wife, Circuit Court may empower the wife to trade as a *feme sole*. Widow takes dower in one third for life of all real estate unless dower be barred, forfeited or relinquished. Married women may dispose of their separate estate by deed or devise.

**MORTGAGES** must be executed and acknowledged same as deeds, but contain a clause of defeasance. Wife must join in her dower. Mortgages can only be foreclosed by decree of court of equity. Chattel mortgages must be recorded, and, except as to creditors having actual notice, take effect only from the time they are lodged for record in the County Clerk's office.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace are allowed on bills of exchange drawn payable at or after sight, or on time. No damages are allowed on any

bills of exchange, upon protest, except ten per cent. per annum on bills drawn upon persons out of the United States, but not longer than eighteen months.

**SUITS.** Civil actions are commenced by filing a petition with the Clerk of the proper court and causing a summons to issue thereon. Non resident plaintiffs must give bond for costs. In ordinary proceedings summons must be served ten days before commencement of the term. Parties sending claims to Kentucky for collection should give full names and residences of plaintiffs.

**TAXES** are due on June 1st of each year, and five per cent. penalty is added after April 1st following, but they are not delinquent until demand is made for payment. If owner of property is a resident of the State, Sheriff may levy on personally, and if there be no personally, then (after Nov. 1) on real estate. Owner may redeem within two years on payment of purchase money with interest at the rate of thirty per cent. per annum and costs.

## LOUISIANA.

**ACKNOWLEDGMENTS** of deeds executed within the State may be made before a Notary Public, Parish Recorder or his deputy, in the presence of two witnesses. In other States before a Commissioner of Louisiana, or any officer authorized to take depositions in the State where he resides, but the official character of such officer must be properly verified. A Louisiana Commissioner may certify to the official position of any public officer in the State for which he is appointed.

**ASSIGNMENTS AND INSOLVENCY.** Under the State laws insolvent debtor may make surrender of property to creditors, or an involuntary surrender may be forced by any creditor who shall have issued an execution which is returned unsatisfied. Surrender vests all property of debtor in creditors, and stops all legal proceedings against him. Debtor must file sworn schedules of assets and liabilities. Creditors elect a syndic, who gives bond and manages the estate. Mortgage or privilege creditors are not bound by the decision of the majority of the creditors if they wish to sell the property, but may ask for the sale of sufficient to pay the mortgage or privilege debt. Debtor can only obtain final discharge by consent of a majority of creditors in number and amount, and where discharge is not granted, debtor can be forced to make a new cession, when he can be shown to have acquired property, but debts subsequently contracted are entitled to preference. Where a jury find the debtor guilty of fraud, he is deprived of the benefit of the insolvent laws, and is liable to imprisonment.

**ATTACHMENT.** Writs of attachment issue on application of creditor, under oath, when the debtor is about leaving the State permanently, without there being a possibility. In the ordinary course of judicial proceedings, of obtaining or executing judgment against him previous to his departure; when the debtor resides out of the State; when he conceals himself to avoid being cited and forced to answer to the suit intended to be brought against him; when he has mortgaged, assigned, or disposed of, or is about to mortgage, assign, or dispose of his property, rights, or credits, or some part thereof, with intent to defraud his creditors or give an unfair preference to some of them; and when he has converted, or is about to convert, his property into money or evidences of debt with intent to place it beyond the reach of his creditors. Creditor must furnish bond exceeding by one-half the amount claimed to be due, with at least one solvent surety residing within the jurisdiction of the court, conditioned for payment to debtor of all damages sustained by him in case it is decided that the attachment was wrongfully obtained. Arrest of the debtor is allowed, but is of little practical value, as it only secures the person of the debtor to answer the suit, and he can not be held for the payment of the debt. Garnishment may be had as an accessory either to a writ of attachment or *seizure*.

**COURTS, Terms and Jurisdiction.** District Courts have original jurisdiction where over \$50 are involved, and hold two terms a year in each parish (three in East Baton Rouge, and four in Caddo and Iberville). Orleans Parish has six District Courts, and civil business is divided amongst them. Parish Courts have concurrent jurisdiction with Justices of the Peace from \$25 to \$100,

original jurisdiction from \$100 to \$500, and full probate powers. Justice's jurisdiction, \$40. In Orleans Parish the Second District Court has exclusive probate jurisdiction.

**EXEMPTION.** Property taken under a writ of *seizure* must be advertised and appraised, and can not be sold for less than two-thirds of the appraised value, until it has been re-advertised. There is no redemption of property sold under execution or mortgage. No stay of execution is given except on appeal, and execution may issue at any time after the delay for appealing expensively has expired.

**EXEMPTIONS.** To head of family, 160 acres of land and improvements. If owned and occupied as a residence, together with certain furniture, stock, implements, provisions, etc.; the property not to exceed \$2,000, and no exemption if wife has separate property worth over \$1,000.

**INTEREST.** Legal rate is five per cent., but eight per cent. may be agreed upon. If higher than eight per cent. is charged, such charge forfeits entire interest. If paid, it may be sued for and recovered within twelve months. But a higher rate may be recovered if included in the principal of the note.

**JUDGMENTS** recorded in the office of the Parish Recorder become mortgages from date of record upon all real estate of the debtor, and may be thus recorded in any parish where debtor owns real estate.

**LIMITATIONS TO SUITS.** Prescription.—Of three years: Claims for arrearages of rent charges, or the hire of movables or immovables, for the payment of money lent, on accounts of merchants, whether wholesale or retail, and on all open accounts. Of five years: Actions on bills of exchange and promissory notes, reckoning from the date of maturity, for nullity or rescission of contracts. Of ten years: All judgments for money, whether rendered within or without the State, reserving to owner of judgment the right to have the same revived at any time before prescription has run. Of thirty years: All actions for immovable property, or for an entire estate, as a succession. Prescription may be waived by the debtor after the same is acquired. Revivor: Express acknowledgment and promise to pay.

**MARRIED WOMEN.** Separate property of wife controlled by her; revenues of all separate property and all property acquired by either husband or wife after marriage held in community. A married woman can not sue without the concurrence of her husband, and she can not bind herself or property for his debts. Wife has no dower in her husband's real estate.

**MORTGAGES** can be foreclosed at any time after maturity of the debt, by instituting a regular suit and obtaining judgment thereon, or, if the act imports a confession of judgment in favor of the holder, he can apply to the court for an order directing the Sheriff to seize and sell the property. All mortgages must be recorded before they can have any effect as against third parties. Trust deeds are not in use, and chattel mortgages are unknown to the laws of Louisiana. There is no redemption of property sold under mortgage.

**NOTES AND BILLS OF EXCHANGE.** Three days grace are allowed upon bills of exchange and notes, or other obligations made negotiable by law, but no grace is

allowed on sight bills or orders for money on demand. All negotiable instruments are due and payable on the day following the third day of grace, when the third is a Sunday or legal holiday, and if this day be a Sunday or legal holiday, then such instruments are due and payable on the following day not a Sunday or legal holiday. Whenever a promissory note is indorsed for the benefit of the drawer thereof—of which mention is made in the note—if caused by the drawer to be discounted in any bank in operation within the State, or if the drawer obtain any money in consideration of said note from any person, the indorser shall be bound to the holders of the note as if it had been discounted or negotiated for his own use or benefit. Bills and notes, or other obligations for the payment of money, to be evidence of a debt, must express the whole sum in writing. The cents may be in figures. Days of public rest are January 1, January 8, February 12, Feb-

ruary 22, March 4, July 4, December 25, Sundays, Good Friday and Shrove Tuesday.

**SUITS.** Actions are commenced by petition setting forth cause of action, etc., and signed by plaintiff or his attorney. Plaintiff must give resident security, and also make a deposit to cover costs. Full names and residences of parties should be supplied, especially where the claim belongs to a partnership.

**TAXES.** The Collector is required to give ten days public notice of his readiness to receive taxes, and after ten days from the expiration of such notice, must give written notice to each delinquent. If taxes are not paid within ten days more, Collector may seize and sell property, after twenty days advertisement. Lands sold for taxes are redeemable within two years, by the owner, his agent or heirs, or any creditor, on payment of the purchase money, with interest at one per cent. a month, and all subsequent taxes paid.

## MAINE.

**ACKNOWLEDGMENTS.** All deeds of real estate in this State must be under actual seal, and it is usual, although not compulsory, to have them witnessed. Deeds, in order to be recorded, if executed within the State, must be acknowledged before a Justice of the Peace. In other States and Territories acknowledgment can be made before any Magistrate, Notary Public, Justice of the Peace, or Commissioner of Deeds for the State of Maine. While a certificate of a Clerk of record to the acknowledgment taken by a Justice of the Peace, or other official, is not required, it is in all cases recommended. In foreign countries acknowledgments may be taken by a Notary Public, or by any United States Minister or Consul.

**ASSIGNMENTS AND INSOLVENCY.** Insolvent debtors may make assignments for the benefit of creditors, and such will be held to pass all the property of the debtor, whether specified or not, except such as is exempt by law. Property so assigned is not attachable for six months after first publication of notice by assignee, and creditors have three months after execution of assignment in which to become parties thereto. Debts of creditors who become parties are alone discharged by assignment.

**ATTACHMENT.** All real and personal property not exempt by law may be attached for debt, no affidavits being required, and no security for costs unless the creditor is a non-resident of the State; and liens thus created hold in the order in which the attachments are made until thirty days after rendition of judgment, within which time they may be perfected by levy of execution. Perishable goods or property liable to great depreciation by keeping, being attached, may be sold immediately by consent of parties, or by appraisal caused to be made under the statute by the officer upon request of attaching creditors, and the proceeds held by the officer in lieu of the property. Debtors about to leave the State may be arrested by special writ upon affidavit of the creditor, of his belief that the debtor is about to depart and reside beyond the limits of the State, and to carry with him means of his own more than necessary for his immediate support; and that at least \$10 is due on the claim. Debtors under arrest or imprisoned on execution or mesne process may disclose all their property not exempt from attachment for the creditor's benefit, and be discharged from arrest by Justices' Courts constituted for that purpose. A party indebted to another may be held as trustee of the latter, but claims for wages of personal labor not exceeding \$30 can not be garnished, except where the debt is for necessities.

**COURTS, Terms and Jurisdiction.** Supreme Judicial Court, which holds from two to three terms a year in each county, has unlimited jurisdiction in all actions except as specified below. In the county of Cumberland (Portland), the Superior Court has exclusive jurisdiction up to \$500, and concurrent above that sum, and holds term on first Tuesday of every month, except June, July and August. Courts of Probate have the usual jurisdiction; Municipal Courts and Trial Justices up to \$30 only.

**EXECUTIONS** may be issued any time after twenty-four hours from rendition of judgment, and are returnable in three months. Will run against the body where judgment is for more than \$10, unless debtor is a married woman. May be renewed at any time within three years, or judgment may be sued within twenty years. No stay is allowed except by the court for special

cause. Real estate sold under execution or levy may be redeemed within one year by any person having an interest in it.

**EXEMPTION.** Homestead, \$500, where duly registered. Usual wearing apparel, furniture \$50, bedding, pictures, etc., library \$150, stoves, fuel and lumber, provisions and seed grain, sewing machine, certain working animals, a team not exceeding \$300 in value, and a boat of two tons burden. Personal property exempt may be valued at about \$500.

**INTEREST.** The legal rate of interest is six per cent., but the parties may agree in writing for any rate of interest. Judgments bear interest at the rate of six per cent. On open accounts current, interest would commence when the party to whom the balance is due makes demand of payment. No usury laws.

**JUDGMENTS** do not create a lien on debtor's property, but such lien may be created by attachment on the writ. [See ATTACHMENT, *passim*.]

**LIMITATIONS ON SUITS.** Debt contracts and liabilities, expressed or implied, not under seal, six years; arrears of rent, waste, trespass on land, actions on the case, and all actions for taking, detaining or injuring goods or chattels, same time. On real actions and judgments of courts of record, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN** may own, manage and convey real and personal estate acquired from any source except from husband, as if single. Married women may own, buy and sell property of all kinds in their own right and name, may transact business, and sue and be sued. A married woman's property is not liable for the debts of her husband, nor is he liable for her debts contracted before marriage, nor for those contracted after in her own name and upon her credit. No action will lie between man and wife except for divorce. All contracts of married women for any purpose are valid. Widow takes dower in a life estate in one-third of all realty owned by husband during coverture.

**MORTGAGES** of real estate must be acknowledged and recorded same as deeds. May be foreclosed by advertisement, by taking peaceable possession, or by suit. Mortgagee has three years from the time either of these proceedings are commenced in which to redeem, but the time of redemption may be reduced to not less than one year by agreement inserted in the mortgage. There is no redemption from a sale made by virtue of a power of sale contained in a mortgage. Chattel mortgages (above \$30) must be recorded, or possession of the property taken and retained by the mortgagee; otherwise they are void as against third parties.

**NOTES AND BILLS OF EXCHANGE.** Three days grace are allowed on all bills of exchange and promissory notes not on demand, which are payable within this State. Promissory notes for the payment of money, to order or bearer, are negotiable. Demand and notice are necessary to bind indorsers. The maker and indorser can not be sued in one action. Damages on domestic bills, three to nine per cent.; no statute in relation to damages on foreign bills protested. Legal holidays are Sundays, day of public Fast or Thanksgiving fixed by Governor and Council, Jan. 1st, Feb. 22d, July 4th, Dec. 25th, and Memorial Day.

**SUITS.** Actions are commenced, where both parties are resident in the State, in the county where either resides, and if plaintiff is non-resident, then in county where defendant lives. All actions concerning real estate must be brought in the county where the land is

situated; and actions of replevin, where the property was taken. Service on individuals must be had fourteen days, and on corporations thirty days, before the return day.

TAXES constitute a lien on real estate. If taxes are not paid within nine months after assessment, lands are

advertised and sold. Owners of non-resident land may redeem within eighteen months, and of resident land within two years after sale, by paying taxes, costs and twenty-five per cent. interest in the first case, and twenty per cent. in the latter.

## MARYLAND.

**ACKNOWLEDGMENTS** of deeds to real estate may be made within the State before a Judge of any court of record or Justice of the Peace. If without the State it may be made before a Notary Public, Judge of any court of the United States, or of any court of any State having a seal, or any Commissioner of this State, to take the acknowledgments of deeds; the seal of the officer or court to be affixed to the certificate of acknowledgment in all cases. No separate examination of a married woman is required. Every deed conveying real estate must be signed and sealed by the grantor, and attested by at least one witness.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may make an assignment for the benefit of creditors, and may prefer one or more creditors. Assignment does not operate as a discharge from liabilities, except by consent of creditors. The insolvent law is in many respects similar to the United States bankrupt law recently repealed, and was in abeyance (except where debtor owed less than \$300), during the existence of that law. No discharge under the insolvent law will hold good as against a non-resident creditor.

**ATTACHMENTS** for debt can be obtained in all cases where the creditor, or some person in his behalf, will give bond in double the amount of the debt, and make affidavit before the Clerk of the court where suit is brought, that the debt is *bona fide* due, and plaintiff has good reason to believe: That debtor is about to abscond from this State; or has assigned, disposed of, or concealed property with intent to defraud creditors, or is about to do so; or that debt sued on was fraudulently contracted; or debtor has removed property out of this State with intent to defraud creditors, or is about to do so. Garnishment process is governed by similar laws, and wages, hire, or salary not due can not be attached. No person can be arrested on civil process.

**COURTS, Terms and Jurisdiction.** Circuit Courts have unlimited common law and equity jurisdiction, and hold from two to four terms a year in each county. The Superior Court of Baltimore City, the Court of Common Pleas, and the Baltimore City Court, have concurrent civil common law jurisdiction, except that the Common Pleas has exclusive powers in insolvency. Orphans' Courts in each county deal with probate matters. Justice's Jurisdiction, §100.

**EXECUTIONS** may issue at any time within twelve years from date of judgment, and may be levied on any property of the defendant. In Circuit Courts for the counties stay is granted for one term, but on judgments rendered by the law courts of Baltimore City, and defaults entered therein, execution may issue forthwith. In Justices' Courts execution may issue immediately, but debtor may stay execution (on sums under \$25.00 for six months; above that, twelve months), at any time

within sixty days, by confessing judgment and giving security for payment of debt and costs. A stay of six months can also be obtained in the higher courts by "superceding" in the same manner.

**EXEMPTIONS.** No homestead law. Wearing apparel, books, tools, and other property to the value of \$100, are exempt. Choses in action and equitable interests in personal property can not be levied upon.

**INTEREST.** The legal rate is six per cent. per annum. Judgments bear six per cent. interest from the time they were rendered. A person proved guilty of usury forfeits all the excess above the real sum, or value of the goods and chattels actually lent, and legal interest on such sum or value.

**JUDGMENTS** are a lien from date of rendition, on real estate of defendant within the county where rendered, and can be transferred from one county to another. Cover also real property acquired after date of judgment and equitable interests of defendant in lands. Lien continues for twelve years.

**LIMITATIONS OF SUITS.** Accounts and notes are barred after three years; sealed instruments and judgments after twelve years. A verbal promise will revive a debt barred by the statute of limitations.

**MARRIED WOMEN.** The property of a married woman, real or personal, acquired by her at any time, remains her separate estate, and is not subject to the control or liable for the debts of the husband. Wife must convey realty or personally by joint deed with the husband, but may devise the same by will as if she were sole. Widow has common law right of dower in realty, and takes one-third of the personality if there are children; one-half if none.

**MORTGAGES** are executed, acknowledged, and recorded same as deeds. To make them valid as against third parties without notice, mortgagee or his agent must make affidavit that the consideration is *bona fide*. A like affidavit of consideration is required on chattel mortgages, which must be recorded within twenty days. Mortgages are liens for twenty years, and can be foreclosed at any time within that period.

**NOTES AND BILLS OF EXCHANGE.** All promissory notes, checks and bills of exchange are negotiable, and if passed to an innocent third party before maturity, for value and in good faith, the maker or acceptor, at the case may be, will be held liable, even though he made the note or accepted the bill without consideration. Three days grace are allowed on all negotiable paper except sight or demand drafts.

**SUITS.** Actions are at common law, but forms of suit have been simplified. Service of writs must be made by the return day, which, in the counties, is the first day of each term, and in Baltimore City, of each rule day.

## MASSACHUSETTS.

**ACKNOWLEDGMENTS** may be made before any Justice of the Peace, Magistrate or Notary Public, or Commissioner appointed for that purpose by the government of this commonwealth within the United States. Acknowledgments of deeds may be made before any Consular officer under the laws of the United States, in any foreign country to which he is accredited. Within Massachusetts acknowledgments may be taken by any Justice of the Peace or Notary Public. Where the acknowledgment is taken by any official other than a Commissioner for Massachusetts, a certificate of the official's appointment and authority under which he acts, made by the Secretary of State, or a Clerk of a court of record, should be attached.

**ASSIGNMENTS AND INSOLVENCY.** The insolvent law is substantially the same as the United States bankrupt

law, recently repealed, and has no jurisdiction over debts contracted outside the State. There are no statutes governing assignments.

**ATTACHMENT.** All real estate, goods and chattels not exempt, may be taken in attachment on the original writ and held as security for judgment, except that lands and tenements can not be attached in suits involving less than \$20. Debtor may dissolve attachment by furnishing secured bond. Upon affidavit by the creditor or some one in his behalf, that the debtor intends to leave the State, the latter may be arrested and held to bail. Debtor against whom judgment is rendered for over \$20 may be subjected to sworn examination touching his property, and if he refuses to deliver up such property (not being exempt from attachment,) he will be imprisoned.

**COURTS, Terms and Jurisdiction.** Justices of the Peace, Municipal and Police Courts have original and exclusive jurisdiction when the debt does not exceed \$25. The Supreme Judicial Court has original and concurrent jurisdiction with the Superior Court, in actions for recovery of debt to the amount of \$4,000 or over in Suffolk county (Boston) and \$1,000 or over in the other counties of the State. Superior Court has jurisdiction where the amount claimed exceeds \$30. Municipal Court of the city of Boston has jurisdiction concurrently with the Superior Court in the county of Suffolk, in actions where the debt does not exceed \$1,000, provided one or more of the defendants resides or has his usual place of business in the city of Boston. The other Municipal, District and Police Courts throughout the State have, as a rule, concurrent jurisdiction up to \$30.

Executions can not issue until twenty-four hours after judgment rendered, and an original execution must be issued within one year after plaintiff is entitled to sue on the same. Executions from all courts are returnable within sixty days. There is no stay of execution, except by special order of court.

**EXEMPTIONS.** Homestead, if recorded, to the value of \$500. Household furniture, \$200; library, \$50; tools and implements, \$100; stock, \$100; boats and fishing tackle, etc., \$100; one cow, six sheep, one swine and two tons of hay, sewing machine, necessary wearing apparel, pew in church, etc.

**INTEREST.** Legal rate, six per cent., which is allowed on judgments. There are no usury laws, and any rate may be reserved or contracted for in writing.

**JUDGMENTS** may be entered within four days of default, but do not constitute a lien upon realty or personality of debtor not attached on the original writ. Are not out-layed for twenty years.

**LIMITATIONS TO SUITS.** Contracts or liabilities, express or implied, and not under seal, six years; real actions upon an attested note and personal actions on contracts not limited, twenty years. Revivor: Part payment, or new promise to pay in writing.

**MARRIED WOMEN.** The real and personal estate of a married woman, acquired at any time, remains her sole and separate property, not subject to the control of her husband, nor liable for his debts. Married women may carry on trade or business, make contracts, sue and be sued, in all matters relating to their separate property, and such contracts are not binding upon the husband. Wife can not deprive her husband of more than half of her personal property by will, nor can she impair his interest in her real estate as tenant by the curtesy without

his written consent. Widow takes dower as at common law, in one-third of her husband's real estate, and if there be no children she takes one-half for life.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace are allowed on all negotiable paper payable at sight or at a future day certain, except that no day of grace shall be allowed upon any bill of exchange, note or draft, payable on demand, nor upon a check drawn upon a bank. The drawer of a bill or draft requiring acceptance has till two o'clock p. m., on the next business day after presentation to decide whether he will accept. Bills of exchange, drafts, promissory notes and contracts, due and payable, or to be executed, on Sunday or any Fast day or Thanksgiving day appointed or recommended by the Governor or by the President, or Christmas day, twenty-second day of February, the fourth day of July, or on the following day when either of the two days last mentioned occurs on Sunday, shall be payable or performable upon the business day next preceding said days; and in case of non-payment or non-fulfillment may be noted and protested upon such preceding day; but the holder or holders of such obligations need not give notice of the dishonor, non-payment or non-fulfillment thereof until the business day next following the days above specified. To charge indorsers of a promissory note payable on demand, a demand made at the expiration of sixty days from the date thereof without grace, or at any time within that term, shall be deemed to be made within a reasonable time. No presentment of such note to the promisor and demand of payment will charge the indorser, unless made on or before the last day of said term of sixty days. Orders and drafts for money payable within this State, in which no time of payment is expressed, shall be deemed to be payable on demand. All persons becoming parties to promissory notes payable on time by a signature in blank on the back thereof, shall be entitled to notice of the non-payment thereof the same as endorers.

**SUITS.** Civil actions in general, except those concerning land, (if one of the parties lives in the State) must be brought in the county where one of them lives or has his usual place of business. Where all parties are non-resident, action may be brought in any county.

**TAXES** assessed on real estate are a lien for two years after they are committed to the Collector. If not paid on demand, Collector may sell after advertisement. Owner, his heirs or assigns, or recorded mortgagor, may redeem within two years by payment to the purchaser of the sum paid by him, with ten per cent. interest and all necessary intervening charges.

## MICHIGAN.

**ACKNOWLEDGMENTS.** Deeds of lands or any interest therein, executed within this State, must be witnessed by two persons, and may be acknowledged before any Judge or Commissioner of a court of record, a Notary Public, or Justice of the Peace. When an instrument in writing is acknowledged out of this State, it may be done before any Judge of a court of record, Notary Public, Justice of the Peace, Master in Chancery, or other officer authorized by the laws of such State to take the acknowledgment of deeds therein, or before any Commissioner appointed by the Governor of Michigan for that purpose. Unless the acknowledgment be taken before a Commissioner for Michigan, the instrument should have attached thereto a certificate of the Clerk of a court of record of the county or district within which such acknowledgment was taken, under the seal of his office, that the person whose name is subscribed to the certificate of acknowledgment was, at the date thereof, such officer as he is therein represented to be; that he believes the signature of such person subscribed thereto to be genuine, and that the instrument is executed and acknowledged according to the laws of such State, Territory or District.

**ASSIGNMENTS AND INSOLVENCY.** Assignments for the benefit of creditors may be made by an insolvent debtor, with or without preference. Assignee must give approved bond in double the amount of property assigned.

**ATTACHMENT.** Process will issue on affidavit that debtor has absconded, or is about to abscond from the State; has assigned, removed, or concealed his property with intent to defraud; or fraudulently contracted the debt; or is non-resident, or a foreign corporation. Garnishee process may be issued from any court in which the original suit might be commenced, but the wages of

any householder, having a family, to the extent of \$25, are exempt from garnishment. Arrests of debtors may be made in all actions other than those arising on contract, and in such actions when the claim is for money collected by any public officer, or for misconduct or neglect in office or professional employment. No woman can be arrested on civil process.

**COURTS, Terms and Jurisdiction.** Circuit Courts, holding from two to four terms a year in each county, have original and exclusive jurisdiction when the debt exceeds \$100. The Superior Court of the city of Detroit and the Superior Court of the city of Grand Rapids have original and concurrent jurisdiction with the Circuit Courts in all civil actions where the debt or damages exceeds \$50, and in which the defendants, or one of them, shall have been served with process in the said respective cities. Justices' Courts have original jurisdiction when the debt does not exceed \$100, and concurrent jurisdiction with the Circuit Court when the debt does not exceed \$30. There is a Probate Court in each county, with the usual powers.

Execution may issue at once in Circuit Courts, and within five days from rendition of judgment in Justices' Courts. Executions are returnable in sixty days. Stay in Justices' Courts may be obtained by giving secured bond for payment of judgment, costs, and interest; the time allowed being four months when the judgment does not exceed \$50, and six months when above that sum. Lands sold under execution may be redeemed within one year, by payment of the purchase money, with ten per cent. interest. Executions may issue at any time during the life of a judgment.

**EXEMPTION.** Homestead of any householder not exceeding forty acres, if in the country, or a house and lot in a city, town or village, the value in either case not

to exceed \$1,500. Can not be alienated or encumbered without consent of the wife, where such relation exists. Personally exempt includes household furniture to amount of \$250; stock in trade, a team, or other things which may be necessary to carry on the pursuit of particular business, up to \$250; library and school books not exceeding \$10; to a householder, ten sheep, two cows, five swine, provisions, fuel, etc.

**INTEREST.** Seven per cent. per annum is the legal rate of interest, but parties may contract in writing for a higher rate, not exceeding ten per cent. The penalty for usury is a forfeiture of the excess, but no action can be maintained to recover back such excess after the voluntary payment of the same. A *bona fide* purchaser of negotiable paper is not affected by its being usurious. Open accounts bear seven per cent. per annum. Judgments bear the same rate of interest as the instrument upon which such judgment was founded.

**JUDGMENTS** are not liens until execution has been issued thereon and a levy made. Judgments can be obtained in the Circuit Court in from forty-five to sixty days, depending on return day, time of service, term of court, etc. In Justice Courts, if defendant makes default, judgment can be obtained on return day of process. Judgments of courts of record exist ten years; of Justice Courts, six years.

**LIMITATIONS OF SUITS.** On accounts and notes, actions can not be brought unless within six years from the time they were due, or from the time the last payment was made. Sealed instruments and judgments, ten years. The statute of limitations must be pleaded specially. Revivor: Part payment, or promise in writing to pay.

**MARRIED WOMEN** may make contracts in respect to their own property, and may have, hold and enjoy the same, and have the same rights and remedies as though they were unmarried. But a married woman's signature or endorsement of a note given to secure the debt of her husband or other person, is void. She may, however, bind her real or personal property, to secure such indebtedness, by mortgage. A mortgage upon a homestead is void unless signed by the wife. Widow takes dower; the use during her natural life of one-third part of all the lands whereof her husband was seized of an estate of inheritance at any time during coverture.

**MORTGAGES** of real estate must be recorded within the county, and if not so recorded are void as against subsequent purchasers for a valuable consideration. Chattel mortgages are absolutely void as against creditors or subsequent purchasers and mortgagees in good faith, unless the mortgage or a true copy thereof be filed of record, or possession of the goods is given to and retained by the mortgagee. Such mortgages cease to be valid after one year, unless within thirty days before the expiration of that time they are renewed by affidavit.

**NOTES AND BILLS OF EXCHANGE.** On all bills of exchange and negotiable notes, drafts, and orders payable within this State, three days of grace are allowed, but not in case of any bill of exchange, note or draft payable on demand. All checks, bills of exchange or drafts drawn on any bank, are payable without grace, and it is not necessary to protest the same for non-acceptance.

In all other cases demand, protest for non-payment, and the sending notices of protest to the indorser, at his reputed place of business or residence, are necessary to bind the indorser. Damages on domestic bills protested, three to ten per cent. Holidays to be observed in the acceptance and payment of bills of exchange and promissory notes, in the holding of courts, etc., the following: 1st day of January (New Year's day), 22d of February (Washington's Birthday), 4th of July, 25th of December (Christmas Day), 30th of May (Emancipation day), and any day appointed by the Governor or the President of the United States as a day of Thanksgiving. In case any of said holidays shall fall on Sunday, then the Monday following shall be considered as the said holiday. When the last day of grace falls on Sunday, or on any legal holiday, the day previous is considered as the last day of grace.

**SUITS.** Practice and proceedings of courts are in accordance with the rules of common law, with some statutory modifications.

**TAXES** assessed against real estate become a charge against the owner on the second Monday of May, and a lien on the real estate from first Monday in December of same year. Lands returned for delinquent taxes are sold on first Monday in October in the year following that in which the taxes were assessed. One year is allowed for redemption, the penalty ranging from fifteen to fifty per cent. on the purchase money.

## MINNESOTA.

**ACKNOWLEDGMENTS.** Deeds must be signed, sealed and acknowledged by the grantor, and attested by two witnesses. Within the State acknowledgments may be made before any Judge or Clerk of a court of record, Justice of the Peace, Notary Public, Register of Deeds, Court Commissioner or County Auditor. Without the State, but within the United States, by Judges or Clerks of courts of record, Justices of the Peace and Notaries Public, and in foreign countries before any Notary Public, Minister, Consul or other diplomatic or commercial agent of the United States there accredited and resident.

**ASSIGNMENTS AND INSOLVENCY.** Resident freeholders being insolvent may make assignments for benefit of all creditors alike, which must be recorded in District Court. Debtor must file inventory and list of creditors and assignee must give bond with two sureties in double the value of property assigned. Notice of assignment must be published and also mailed to each creditor. Creditors holding secured claims must surrender same to the assignee before they can share in trust property. All proceedings are subject to order and supervision of the Judge of the District Court, who may remove assignee for cause. There is no provision for the discharge of the debtor, and personal judgment may be taken against him, notwithstanding the assignment.

**ATTACHMENTS.** Writs of attachment issue on the proper affidavit being made and bonds given; when the debt was fraudulently contracted; when the debtor is a foreign corporation or not a resident of this State, or has departed therefrom with intent to defraud or delay his creditors, or to avoid the service of summons, or keeps himself concealed therein with like intent, or has assigned, secreted, or disposed of, or is about to assign, secrete or dispose of his property, with intent to delay or defraud his creditors. These attachments can be released, on debtor giving proper bonds to pay the judgment, if one is obtained. There are also garnishee laws, which in effect are a simple form of attachment. Before

the writ of attachment will issue, a bond with sufficient sureties is required from the creditor, with penalty of not less than \$250, that he will pay all costs and damages which the debtor may sustain by reason of the attachment, if judgment in the action is rendered against the creditor. Arrest for debt is not allowed in this State.

**COURTS, Terms and Jurisdiction.** District Courts, holding one or two terms a year in each organized county, (three in Ramsey and Hennepin counties), have original jurisdiction in all civil actions involving over \$100; in all actions where a Justice has not jurisdiction, without regard to amount; and in all equitable actions and proceedings. A Probate Court with usual powers is established in each organized county, and holds terms on the first Monday of each month. Justice's Jurisdiction, \$100.

**EXECUTIONS** may issue from District Courts at any time within ten years after judgment, and to any county where a transcript has been docketed. Executions are returnable in sixty days. Personal is first levied on, and is sold on ten days notice; real estate after six weeks publication. In Justice Courts execution may issue ten days after entry of judgment, returnable in thirty days, and renewable from time to time for periods of thirty days. In courts of record six months stay is granted on defendant filing bond with two freehold sureties, approved by the court, conditioned to pay amount of judgment with costs, and interest at the rate of twelve per cent. per annum. Stay in Justice Courts may be had in same manner, where judgment is under \$10, one month; \$10 to \$25, two months; \$25 to \$50, three months; \$50 to \$75, four months; over \$75, six months. Real estate sold on execution is subject to redemption for one year from date of sale.

**EXEMPTIONS.** Homestead of eighty acres in country; half an acre if in city, town or village of less than 5,000 inhabitants, and one lot if in larger cities, towns, or villages, with dwelling house thereon, without regard to value. Wearing apparel, books, pictures and furniture, up to \$500; three cows, ten swine, twenty sheep, a yoke

of oxen and a horse, or, in lieu thereof, a span of horses or mules; necessary food for stock for one year; wagon, plows and farming utensils up to \$300; one year's seed grain not exceeding 150 bushels in all, and provisions for family for one year. The tools and instruments of a miner, mechanic or other person, and stock in trade up to \$400; library and instruments of a professional man; \$50 wages of laboring man or woman, for services rendered within ninety days preceding the issue of process. Also, where the debtor is a printer, publisher or editor of a newspaper, all the presses, stones, type, cases and other tools and implements not exceeding \$2,000, and stock in trade up to \$400.

**INTEREST.** Seven per cent. is the legal rate of interest upon every legal indebtedness, including judgments and accounts. On and after July 1, 1879, the highest rate of interest allowed to be taken by special contract will be ten per cent. The penalty for usury is forfeiture of the entire amount of the note or other instrument, and of all interest.

**JUDGMENTS.** If no defense is made, judgments can be obtained at the expiration of twenty days, and upon being docketed in the office of the Clerk of the court, they become liens upon all real estate of the debtor in the county where docketed, owned by him at that time or afterwards acquired, for ten years after date of docketing, and can be enforced during that time by execution against the real or personal property of judgment debtor.

**LIMITATIONS TO SUITS.** On contracts, express or implied, six years; on judgments or to foreclose mortgage, ten years; real actions, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN.** All property acquired by wife before or after marriage remains her separate estate, neither controlled by nor liable for the debts of her husband. Married women are held on their contracts and bound by them the same as if unmarried, and they can make contracts just the same as if unmarried; except, a married woman can not sell her real estate, or make any conveyance of land other than a mortgage for the purchase money or a lease for three years or less, without

her husband joins in the conveyance. Estates in dower and by the curtesy are abolished, and the surviving wife or husband is entitled to the homestead for life free from debts of the deceased, and to one equal undivided one-third of all other lands of which the deceased was seized during coverture, subject to payment of lawful debts of the deceased, but free from any testamentary or other disposition.

**MORTGAGES** on real estate must be recorded, and are foreclosed by action. A year is allowed for redemption. Chattel mortgages are void as against creditors and subsequent mortgagees and purchasers in good faith, unless acknowledged and filed with the Town or City Clerk, both where property is situated and where mortgagor resides. They are then valid, but cease to be notice after two years from date of filing.

**NOTES AND BILLS OF EXCHANGE.** On all bills of exchange, payable at sight, or at a future day certain, and on all negotiable promissory notes, orders and drafts payable at a future day certain, within this State, in which there is no express stipulation to the contrary, grace is allowed according to the custom of merchants. No grace on demand paper. Damages five per cent. on domestic and ten per cent. on foreign paper protested.

**SUITS.** There is only one form of action, and all civil actions must be prosecuted in the name of the real party in interest, except suits by administrators, etc. Full name of plaintiffs must be furnished. Process to commence suit in the District Court must be served on the debtor twenty days before judgment can be taken by default.

**TAXES.** Lien attaches on real and personal property on Dec. 1, and taxes become due Jan. 1. After Feb. 1, Treasurer may distrain for taxes levied on personal property, and if not paid by June next, after the same are due, they draw interest at two per cent. per month until paid. Taxes on real property become delinquent on May 30, and draw interest at one and one-half per cent. per month thereafter. Delinquent list is filed on the third Monday in June, and sale is had after due publication. Two years are allowed in which to redeem, after which purchaser's title becomes absolute.

## MISSISSIPPI.

**ACKNOWLEDGMENTS** may be certified and proven before any of the Judges of the Supreme Court of the United States, or any District Judge of the United States (Code, 1871, sec. 2,312), or a Judge of the Supreme or Superior Court in any State or Territory, any Justice of the Peace, or Notary Public (Acts of 1876, p. 77), whose official character shall be certified to under the seal of some court of record, or by any commissioner appointed by the Governor of Mississippi. A married woman, on a private examination, must acknowledge that she signed, etc., without fear, threat or compulsion of her husband. Garnishee process will issue in aid of attachment or execution.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law. Debtor may make assignments to secure creditors, and may prefer one creditor over the remainder, but the assignment must be *bona fide*, and no benefit, direct or indirect, may be reserved to the debtor. All conveyances or assignments made with intent to defraud creditors are void. There is no provision for the discharge of a debtor on his making an assignment.

**ATTACHMENT.** The property of a debtor who is a non-resident, or who removes or is about to remove himself or property, who absconds or conceals himself, or who assigns or disposes of his property or some part thereof, or is about to assign or dispose of his property, with intent to defraud his creditors or give an unfair preference to some of them, or who has converted or is about to convert his property into money or evidences of debt, with the intent to place it beyond the reach of creditors, or who has fraudulently contracted the debt or incurred the obligation for which suit has been or is about to be brought, may be attached. Non-resident creditors have the same rights of attachment as resident creditors, whether the debtor be resident or non-resident. The first attachment on the property holds against all subsequent ones, and is to be first satisfied. Plaintiff must furnish bond and make affidavit as to one or more of the grounds of attachment specified above. There is no arrest or imprisonment for debt in Mississippi.

**COURTS, Terms and Jurisdiction.** Circuit Courts, holding two terms a year in each county, have jurisdiction for the collection of all claims over \$150. The

State is divided into ten Chancery Court districts, and the Chancery Courts have full equity and probate jurisdiction. Justices' courts have jurisdiction for the collection of debts up to \$150.

**EXECUTIONS** issue in courts of record within twenty days after judgment rendered, and in Justices' Courts immediately. Are returnable at next succeeding term, and must issue within a year and a day after judgment rendered. There is no stay law in Circuit Courts, but executions issued by Justices may be stayed for sixty days by defendant giving secured bond, such stay operating as a waiver of appeal. No redemption of lands or other property sold under execution or mortgage.

**EXEMPTIONS.** Residence of householder having a family, eighty acres in country or residence and lot in city, town or village, in no case exceeding, with improvements, \$2,000 in value. **INTEREST.** The legal rate of interest is six per cent. per annum, but parties may contract in writing for ten per cent.; when more than ten per cent. is stipulated for, the excess is usurious and can not be enforced.

**JUDGMENTS** when enrolled in Circuit Clerk's office become liens on defendant's property within the county, and may be extended to other counties by filing certified abstracts of the judgment. Lien continues seven years.

**LIMITATIONS OF SUITS.** Open accounts, three years; contracts not under seal, express or implied, six years; bonds, notes and contracts under seal, seven years; judgments and decrees rendered in another State against resident of this, three years; rendered in this, seven years; real actions, ten years. Revivor: An acknowledgment of the debt or new promise in writing.

**MARRIED WOMEN** retain their separate estate, real and personal, however acquired. A married woman can not be sued upon her contracts, nor can she incur

her her separate estate for her husband's debts, even by joint trust deed or mortgage. But where she engages in business as a trader, she may be sued and she is liable on contracts for supplies for the family, education of children, household furniture, etc. Deed to homestead is void unless she joins, but the husband can convey all other of his real estate without her joining. Widow takes dower in all lands, tenements, and hereditaments of which her husband died seized—one-third if there are children or descendants of children, and one-half if there be none.

MORTGAGES do not take effect as to creditors or purchasers in good faith and without notice until they are delivered to the Clerk for record. Mortgages are foreclosed by bill, and there is no provision for redemption. Chattel mortgages must be recorded, or possession of the property must pass.

NOTES AND BILLS OF EXCHANGE must be protested, and notice of non-payment given substantially as at

common law, to bind parties entitled to notice. Foreign bills of exchange payable out of the United States, protested for non-acceptance or non-payment, draw ten per cent. damages and legal interest; bills drawn payable in the United States, protested for non-acceptance, draw damages at the rate of five per cent. besides legal interest.

SCITS. Forms of action are as at common law, but simplified by the abolition of fictitious pleadings. Service must be had both in Circuit and Justices' Courts five days before the court sits.

TAXES. Personal property is assessed once a year; real estate every four years, and taxes constitute a prior lien on both real and personal property. Taxes are due Dec. 1 of each year, and personally can be sold on ten days notice. Where there is no personally, land of the tax payer is sold by the Collector on the first Monday of January. No redemption is allowed.

## MISSOURI.

If out of Missouri, but in United States, by a Notary Public, State or Federal court, having a seal, or Clerk of such court, or Commissioner appointed by Governor. If without United States, by any court having seal, of State, Kingdom or Empire, or chief officer of any city or town having a seal, or any Minister or Consul of United States, or any Notary, having a seal.

ASSIGNMENTS AND INSOLVENCY. An insolvent may make a voluntary assignment for the benefit of all creditors, and assignee must file inventory of assets and give secured bond within thirty days. Assignee fixes a day for hearing claims, and gives notice thereof by publication for three months. Circuit Court has supervision of all assignment proceedings. Debtor is not discharged from his liabilities except by consent of creditors.

ATTACHMENTS will issue in aid of summons when defendant is non-resident or a foreign corporation, or conceals, absconds, or absents himself, removes or attempts to remove, sell, convey or assign property with intent to defraud, hinder or delay creditors, or where the debt was fraudulently contracted. Writs of attachment may be levied by garnishing a debtor of the defendant. There is no arrest for debt in any case.

COURTS, Terms and Jurisdiction. Justices' Courts, in counties having over 50,000 inhabitants, have jurisdiction on contracts to the extent of \$50, and on bonds and notes to the extent of \$300; in counties having less than 50,000, on contracts to \$50, and on bonds and notes to \$150. Circuit Court has unlimited general jurisdiction exceeding \$50. In some counties there are local courts, called Common Pleas, of concurrent jurisdiction with the Circuit Courts over certain districts. Circuit Court holds two to three terms annually (in St. Louis five). There is a Probate Court in each county, with the usual powers.

EXECUTIONS may issue at any time within ten years from the time judgment is rendered; are returnable to the next term of court after they are issued. Execution from Circuit Court not a lien upon personal property until levied. Execution from Justice's Court a lien upon personal property as soon as placed in hands of Constable. There is no stay of execution. Real estate taken under execution is sold without appraisal, to the highest bidder.

EXEMPTIONS. To heads of families: Personal property, various articles and stock named, or else if chosen by debtor, in value \$300; homestead: 160 acres in country, or thirty square rods in city of less than 40,000 inhabitants, either in value \$1,500; in cities over 40,000, eighteen square rods, value \$3,000.

INTEREST. The legal rate is six per cent., but parties may contract in writing for not to exceed ten per cent. The penalty for usury is the forfeiture of the interest at ten per cent. to the common schools, and the recovery of costs by the defendant. Judgments bear interest at the rate of six per cent. per annum. If the contract sued on calls for a higher rate—not exceeding ten per cent.—the judgment thereon may be made to bear the rate of interest so agreed on. An open account bears interest at the rate of six per cent. per annum from the time when demand for payment is made.

JUDGMENTS of courts of record are liens upon real estate of defendant within the county, and may be extended to other counties by filing transcript. Judgments of Justices of the Peace are liens on realty after transcript is filed in Circuit Clerk's office. Lien continues three years from rendition of judgment, and may be renewed for two years by *scire facias*. Judgment may be renewed within ten years for an additional period of ten years.

LIMITATION OF SCITS. Open accounts and all promises not in writing, five years; contracts and instruments in writing, ten years; judgments and decrees of courts of record, twenty years. Revivor: New promise in writing.

MARRIED WOMEN hold their real and personal property free from control of the husband, and not liable for his debts, but through the intervention of a trustee. Wife is liable for her ante-nuptial debts. A married woman can make contracts in her own name, buy goods, and give notes in settlement of purchases binding her own separate property, both real and personal. Widow takes dower in one-third for life of all the husband's lands.

MORTGAGES and deeds of trust must be executed and acknowledged like other deeds, and must be recorded. The usual form of security is a deed of trust, by which the property is conveyed to a trustee, with power to sell without intervention of the court. Chattel mortgages are void as to creditors of the grantor and purchaser without notice, unless possession of the property passes to and is retained by the mortgagee, or the mortgage or deed is recorded. Real property sold under deed of trust without foreclosure, may be redeemed within one year.

NOTES AND BILLS OF EXCHANGE. Upon protested bills and upon notes that have been negotiated, the following rates of damages can be recovered if the bill or note is over-due twenty days before suit is begun: 1st, if drawn upon a party in this State, four per cent.; 2d, if drawn upon a party out of this State and within the United States, ten per cent.; 3d, if drawn upon a party out of the United States, twenty per cent. The destruction of a bill by the drawee, or refusal to return it within twenty-four hours after presentation for acceptance, is taken to be an acceptance. Damages for protest are allowed only to holders for value or their assigns. No days of grace are allowed on sight bills or orders. Public holidays are January 1, July 4, December 23, General Election day and Thanksgiving day; and notes or bills falling due upon a Sunday or public holiday are payable on the next day, unless the latter be also a Sunday or holiday, in which case they are payable on the day preceding actual maturity.

SCITS for collection of debts may be brought by summons in the county where defendant resides, or in the county where plaintiff resides, if defendant can be found there; where there are several defendants, in any county in which one or them resides, and when defendants are non-resident, then in any county. Names of individual plaintiffs must be furnished, and a bond given for costs by non-residents.

TAXES remaining unpaid after December 31 are subject to a penalty of one per cent. per month until paid. Tax and penalties are a lien upon property assessed, which may be sold after January 1.

## MONTANA.

**ACKNOWLEDGMENTS.** Every conveyance in writing of, or affecting, real estate, must be acknowledged or proved and certified. Within the Territory acknowledgments may be made before the Secretary of the Territory, any Judge or Clerk of a court having a seal, a Notary Public, Justice of the Peace or County Clerk. Elsewhere in the United States, before some Judge or Clerk of any court of the United States, or of any State or Territory having a seal, or a Commissioner of Montana.

**ASSIGNMENTS AND INSOLVENCY.** There is no general law permitting an assignment by an insolvent, except when he has been arrested in an action, when he may assign his property to receive his discharge.

**ATTACHMENTS.** An attachment may be sued out at the time of issuing the summons, or at any time after ward, before judgment, upon the creditor, or some one in his behalf, making affidavit, showing that the debtor is owing the creditor upon a contract, express or implied, for the payment of money, or property, then due, which is not secured by a mortgage, lien or pledge upon real or personal property, stating the amount of the indebtedness, (as near as may be). Before the attachment can issue, an undertaking on the part of the creditor must be executed and filed in sum not less than double the amount claimed. Any person indebted to, or having possession of property belonging to a judgment debtor, may be compelled by summary order of court to apply the same on account of the judgment. Arrest in civil cases may be had in cases of fraud, or where the action is for willful damage to person, character or property, or in actions for fine or penalty, or for money fraudulently misappropriated by a public officer or fiduciary agent, or where defendant has removed or disposed of his property, or is about to do so with intent to defraud creditors.

**COURTS, Terms and Jurisdiction.** Territorial District Courts holding two terms a year in each county, (three in Deer Lodge county,) have original jurisdiction in all civil cases where above \$50 are involved. Probate Courts are held in each county, with regular probate terms on the first Monday in January, March, July, September and November. They have also jurisdiction within the county in civil actions up to \$500, except where land titles are concerned, and are always open for civil business. Justices' jurisdiction, \$100.

**EXECUTIONS** issue at any time within five years, and in any county, and are made returnable in not less than

ten nor more than sixty days. Personal property is first levied on, and is sold after five days' notice. There is no stay law. Six months are allowed for redemption of real property sold under execution.

**EXEMPTIONS.** Homestead, not exceeding eighty acres in country; half an acre, if within a town plat, city or village, and in each case limited to \$2,500. Usual personal schedule, and to farmer, implements, stock, seeds, etc., \$800; tools, teams and libraries of mechanics, business and professional men; dwelling of miner, \$500; his tools and machinery, \$300; wages of laborer for thirty days preceding the levy, where necessary for the support of the family, are also exempt.

**INTEREST.** Parties may stipulate for any rate of interest. When no contract is made as to interest, the legal rate, ten per cent. per annum, governs after debt is due. No usury law.

**JUDGMENTS** are a lien from time of docketing on all real property of debtor within the county, and on all which may be afterward acquired by him, lien expiring in six years. A certified transcript filed with the Recorder of another county extends the lien to such county.

**LIMITATIONS OF SUITS.** Upon contract or account not in writing, two years; contracts, obligations or instruments in writing, judgments and decrees of any court, six years. Revivor: Part payment, acknowledgment or promise in writing.

**MARRIED WOMEN** can conduct business separate and apart from their husbands, with their separate property. Their separate property is exempt from all debts and liabilities of their husbands, unless for necessary expenses of her family and children, but a list of such separate property must be filed in the office of the Recorder of the county.

**MORTGAGES.** Chattel mortgages must be recorded within the county, and are good for one year only.

**NOTES AND BILLS OF EXCHANGE.** Foreign and inland bills of exchange and promissory notes are negotiable, and commercial paper is subject to the law merchant as to protest, grace, etc.

**SUITS.** Practice is under a Code similar to that of California. Where defendant is non-resident, evades service, or can not be found, service may be had by publication.

## NEBRASKA.

**ACKNOWLEDGMENTS** may be made within the State before Judges, Clerks of court, Justices of the Peace, and Notaries Public. Elsewhere within the United States, before a Commissioner appointed by the Governor of this State for that purpose, or before any officer appointed according to the laws of the State or Territory wherein the deed or other instrument in writing is executed and acknowledged. Deeds executed in foreign countries may be made according to the laws thereof and acknowledged before any Notary Public, or ministerial officer, commercial agent, or Consul, appointed to reside therein.

**ASSIGNMENTS AND INSOLVENCY.** There is no insolvent law. Assignments for benefit of creditors are regulated by Act of Feb. 19, 1877, under which assignee must file sworn inventory of assets in Circuit Clerk's office within thirty days, and must give bond to faithfully execute his trust. Court appoints appraisers, and has general supervision of all proceedings. All assignments are general in their character, and conditions for the payment of such creditors only as shall execute a release are void.

**ATTACHMENTS.** Attachment process will issue when defendant is non-resident or a foreign corporation, when the claim is on debt or demand arising on contract, judgment or decree, and in other cases when he is about to remove, assign or dispose of property, has absconded, etc. In all cases of attachment an affidavit must be filed before the order of attachment issues, and a bond must be filed in double the amount of the debt, excepting when the debtor is a non-resident of the State. The body of the debtor may be attached for fraudulently concealing or removing his property, or when he has fraudulently contracted the debt or in-

curred the obligation for which suit is brought. Garnish process may be had either in aid of attachment or execution.

**COURTS, Terms and Jurisdiction.** District Courts have original jurisdiction in all matters exceeding \$300, and concurrent jurisdiction with Justices' and County Courts where the debt is over \$50, and not exceeding \$300. From one to three terms a year are held in each organized county. Justices' courts have original jurisdiction in actions for debt when the amount claimed does not exceed \$100; County Courts up to \$500. County Courts have full probate powers.

**EXECUTIONS** for the enforcement of judgment may issue at any time. Execution on all judgments rendered by Justices of the Peace may be stayed as follows: On judgments of \$5 and under, for the period of sixty days; on judgments over \$5 and not exceeding \$50, for ninety days; over \$50 and not exceeding \$100, for six months. On all judgments and decrees of District Court a stay of nine months, when damages exceed \$100, may be taken. In all cases of stay of execution, an undertaking with sureties must be entered into by the party desiring the stay, conditional for the payment of the judgment, costs, and interest at ten per cent., excepting in cases of foreclosure of mortgages on real estate, and orders for a specific performance where the title to real estate is concerned, in which case no undertaking is required. There is no redemption; not even in cases of reversal of judgment.

**EXEMPTIONS.** Homestead of 160 acres in country, or half an acre if within a town plat, with house and improvements up to \$2,000. If debtor has no lands he may claim \$500 worth of personal property. Clothing, necessary furniture, supplies for family for six months,

certain domestic animals, tools, implements of trade, etc., are exempt, also sixty days wages of any laboring man or clerk.

**INTEREST.** Legal interest is 7 per cent. per annum, or any rate on express contract, not greater than 10 per cent., and in advance if so contracted for. Judgments and decrees for the payment of money, 7 per cent. if not specified, but if contracted for, they bear interest at a rate not exceeding the amount allowed by law. Unsettled accounts bear interest after six months from date of last item. The penalty for usury is to prohibit the recovery of any interest on the principal, or of any costs in the action. The principal can be recovered.

**JUDGMENTS** of courts of record are liens on the debtor's lands within the county, and may be extended to other counties by filing a transcript in the office of the Clerk of the District Court.

**LIMITATIONS TO SUITS.** Upon verbal contracts, express or implied, four years; specialty or promise in writing or foreign judgments, five years; real actions, ten years. *Revisor:* Part payment or an acknowledgment, or any promise to pay in writing.

**MARRIED WOMEN.** The property, real and personal which any woman in this State may own at the time of her marriage, and any real or personal property which shall come to her by descent, devise, bequest or gift of any person, except her husband (excepting marriage settlements), shall remain her sole and separate property, notwithstanding her marriage, and not be subject to the disposal of her husband or liable for his debts. She may bargain and sell and enter into contracts with reference to any of her separate property in the same manner, to the same extent, and with like effect as a married man in relation to his real and personal property. She may sue and be sued the same as if unmarried, and carry on any trade or business, or perform labor on her sole or separate account, and her earnings are not subject to the husband's debts or control. Widow takes dower or the use during her natural life

of one-third part of all the lands of which her husband was seized of an estate of inheritance during marriage, unless she is lawfully barred thereof.

**MORTGAGES** must be recorded, and are foreclosed by suit. No redemption of lands sold under foreclosure. Chattel mortgages are void against creditors and bona fide purchasers unless the instrument, or a true copy thereof, is filed with the County Clerk, and cease to be valid against creditors, mortgagees, and purchasers in good faith, in five years from the time of filing. Chattel mortgages containing power of sale may be foreclosed without proceedings in court.

**NOTES AND BILLS OF EXCHANGE.** All negotiable paper shall be entitled to three days' grace and demand on third day of grace or of acceptance, if the instrument is a sight draft; and notice of non-payment or non-acceptance thereof to the indorser, within a reasonable time, shall be adjudged due diligence to hold the indorser, unless the indorsement shall express in writing other conditions. Damages allowed on protested bills against drawer only; domestic, 6; foreign, 12 per cent. Jan. 1, Feb. 22, July 4, Dec. 25, and any day of Fast or Thanksgiving appointed by the Governor of this State, or the President of the United States, are legal holidays for commercial purposes, and if such day falls on a Sunday then the day after is when the act is to be performed.

**SUITS.** The distinction between actions at law and suits in equity has been abolished, and there is but one form of action, known as a civil action, and commenced by filing petition and causing summons to be issued thereon. The code is very similar to that of Ohio.

**TAXES** are a perpetual lien from March 1 of the year in which they are assessed, and become delinquent on May 1 of the following year. On the first Monday of November following, in default of personal property on which to distrain, real estate may be sold. Two years are allowed owner in which to redeem upon payment of the principal sum, with interest at forty per cent. per annum and costs.

## NEVADA.

If without the State, but within the United States, by a Judge or Clerk of a court having a seal, or some Notary Public or Justice of the Peace, or by any Commissioner appointed by the Governor of this State for that purpose. Provided, that when the acknowledgment is taken by a Justice of the Peace, the same shall be accompanied by the certificate of the clerk of a court of record of the county, having a seal, as to the official character of the Justice and the authenticity of his signature. If without the United States, by some Judge or Clerk of any court of any State, Kingdom or Empire having a seal, or by any Notary Public therein, or by any Minister, Commissioner or Consul of the United States, appointed to reside therein.

**ATTACHMENTS.** Writ of attachment may be issued with summons, or at any time afterwards on affidavit and bond: in an action upon a contract for the direct payment of money, made, or by the terms thereof payable, in this State, which is not secured by mortgage, lien, or pledge upon real or personal property, situated or being in the State; if so secured, when such security has been rendered nugatory by the act of the defendant; or in an action upon a contract against a defendant not residing in this State. Garnishee process may be had in aid of attachment. A fraudulent or absconding debtor, or one who conceals his property, or removes or disposes of it with intent to defraud his creditors, may be arrested on affidavit of the fact made; surety in not less than \$500 being given by the plaintiff.

**COURTS, Terms and Jurisdiction.** District Courts, holding two to four terms a year in each organized county, have original jurisdiction in all cases in equity, also in law, when the title or possession of land or mining claims may be involved, or legality of any tax, etc., also in actions to foreclose mechanics' lien; and in all cases in which the demand, exclusive of interest, or the value of the property in controversy exceeds \$500; also in all cases relating to estates of deceased persons, and persons and estates of minors, insane persons, etc. *Justices' Jurisdiction, \$500.*

**EXECUTION—Stay of Execution; Judgments.** The laws of Nevada on those points are similar to those of California [see ante].

**EXEMPTION.** Homestead, \$5,000. Personal and mining property, tools, implements, etc., exempt same as in California [which see].

**INTEREST.** The legal rate is ten per cent. per annum, but parties may contract in writing for the payment of any other rate. After a judgment on such a contract, only the original claim shall draw interest.

**LIMITATIONS OF SUITS.** Upon oral or store account and contract not in writing, two years; upon contract or instrument of writing, four years; recovery of mining claims, two years; real actions, or judgment or decree of any court, five years. The above applies to contracts before March 21, 1877; to contracts since that date (the above periods), two years extended to four, and four and five respectively to six years. *Revisor:* Acknowledgment or new promise in writing.

**MARRIED WOMEN.** All property of the wife, owned by her before marriage, and that acquired afterwards by gift, bequest, devise or descent, her separate property; all other property acquired during coverture by husband or wife, common property, but controlled by husband.

**MORTGAGES** must be recorded. No mortgage of personal property is valid unless possession is delivered to and retained by the mortgagee, except that growing crops may be mortgaged by the execution, acknowledgment and recording of a mortgage instrument without such possession. Mortgages of real estate can only be foreclosed by action for foreclosure.

**NOTES AND BILLS OF EXCHANGE.** Protest and notice will hold the indorser, and the general statute of limitation, four years, is the limitation of the right of action. Fifteen per cent. damages are allowed on domestic, and twenty per cent. on foreign bills protested. Grace is not allowed on sight drafts.

**SUITS.** Practice is under a Code, and there is but one form of action, known as a civil action, and commenced by filing complaint with the Clerk of the court, and the issuance of a summons. Service on non-residents may be had by publication.

**TAXES** are a lien upon the property assessed and the real estate of the owner thereof from the third Monday of April in each year. Suits for delinquent taxes may be commenced by direction of the County Commissioners, and there is no redemption of property sold under a tax judgment.

## NEW HAMPSHIRE.

**ACKNOWLEDGMENTS** of deeds or other conveyances of real estate must be made before a Justice, Notary Public or Commissioner, or in foreign countries before a Minister or Consul of the United States, and must be attested by two or more witnesses.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law. Assignments must be for benefit of all creditors alike, and assent of creditors is presumed after thirty days. Assignee must, within ten days, file schedule of assets and liabilities and all claims must be certified under oath within six months. Dissenting creditors take no benefit under the assignment, but retain their claims.

**ATTACHMENTS** of all real and personal property may be made on the original writ, and constitute a valid lien on the property for thirty days after judgment, within which period the execution must be levied to preserve and perfect the lien. All attachments take precedence in order of priority. Trustee process (analogous to garnishment in other States) may be used to reach money or credits of the defendant in the hands of another. Save as against claims for necessities the wages of the defendant up to \$20 are exempt from such process. In actions on contracts where debt exceeds \$13.33, defendant may be arrested on affidavit of plaintiff that he (defendant) has concealed his property or is about to leave the State to avoid payment of his debts.

**COURTS, Terms and Jurisdiction.** Supreme Court, holding from two to four terms a year in each county, has original jurisdiction of all actions involving over \$13.33, and full equity powers. There are Probate Courts with the usual jurisdiction in every county. Justices of the Peace have jurisdiction up to \$13.33. Police Courts have jurisdiction to the amount of \$100, and a recent amendment of the Constitution authorizes the Legislature to increase the jurisdiction of Justices of the Peace to \$100, where the title to real estate is not in question.

**EXECUTIONS** may be taken immediately upon judgment, and are returnable before Justices' and Police Courts in sixty days, before Supreme Court at the next trial term of court. Stay of execution is only granted when creditor is insolvent, and debtor furnishes bonds to pay the amount of judgment in review, and not then, if creditor is able to furnish bonds to pay judgment recovered against him on review. Real property taken under execution may be redeemed within one year.

**EXEMPTIONS.** Homestead to the value of \$500; necessary apparel and bedding and household furniture to the value of \$100, bibles and school books in use in the family, library to the value of \$200; one cow, one hog, and one pig, and pork of same when slaughtered; tools of occupation to the value of \$100; six sheep and their fleeces, one cooking stove and its furniture, provisions and fuel to the value of \$50, and one sewing machine; beasts of the plow not exceeding one yoke of oxen, or a horse, and hay not exceeding four tons.

**INTEREST.** At the rate of six per cent. per annum, unless a lower rate is stipulated. If any person, upon any contract, receives interest at a higher rate than six per cent., he forfeits three times the excess to the person aggrieved and suing therefor; but no contract is invalidated by reason of any stipulation for usurious interest; the money actually advanced may be recovered with legal interest. Interest upon all judgments is at the rate of six per cent. per annum. Interest upon unpaid taxes is at the rate of ten per cent. before sale of property taxed, and twelve per cent. thereafter until time of redemption. Upon current accounts interest commences from date of demand for payment, unless controlled by the custom of trade, which is a question of fact to be determined by a trial thereof.

**LIMITATIONS OF SUITS.** Accounts and simple promissory notes, six years after maturity; judgments, sealed instruments, and notes, secured by mortgage, twenty years. Time of debtor's absence from the State is excluded. Verbal acknowledgment and promise to pay is sufficient to revive the debt.

**MARRIED WOMEN** retain all property owned by them before marriage, or acquired afterwards in any way except through property of the husband, to their sole and separate use, as if unmarried. All their contracts in relation to such property are valid and binding, and all their other contracts are binding, except those made with their husbands, or as sureties or guarantees for their husbands, or for and in behalf of their husbands. Upon the death of wife, the husband is entitled to the same share of her estate as she would be of his estate in case of his death. They are liable for debts contracted while single, and their property may be attached to pay them. They are also liable for their torts before marriage in relation to their separate property. The husband is not liable for the wife's antenuptial debts, and can not convey his improved real estate without the wife's consent. Married women may dispose of their property by will.

**MORTGAGES** must be recorded, or in case of chattel mortgages possession must pass to and remain in the mortgagee.

**NOTES AND BILLS OF EXCHANGE.** Demand notes must be protested within sixty days from date to hold indorsers. All negotiable paper, save that payable on demand, is entitled to three days of grace, and all such paper maturing on Sunday, Feb. 22, May 30, July 4, Thanksgiving, Fast, or Christmas Day, is due and payable on the next preceding day and must be so noted and protested.

**SUITS.** If either party resides in this State an action should be brought in the county in which one of them resides.

**TAXES** become a lien upon the realty simultaneously with their assessment (April 1, of each year). One year is allowed in which to redeem land sold for taxes, costs of sale and interest at the rate of twelve per cent. per annum being added.

## NEW JERSEY.

**ACKNOWLEDGMENTS** of deeds are made within the State before the Chancellor or a Justice of the Supreme Court, a Master in Chancery, Judge of the Court of Common Pleas, or Commissioner of Deeds. Without the State, before a Justice of the Supreme Court of the United States, or a District Judge of the same, or a Judge or Justice of the Supreme or Superior Court of the State, District, or Territory, or before any Mayor or Chief Magistrate of any city, or before a Judge of the Court of Common Pleas, or County Court of such State, District, or Territory, or Commissioner for New Jersey, or any officer authorized by the laws of the State to take the acknowledgment of lands lying in that State. In case the acknowledgment is made before a Mayor or chief magistrate, the certificate must be attested by the seal of the city; if before a Judge of the Court of Common Pleas or County Court, or other officer, it must be attested by seal of such court, and certified by the Clerk of the court. In foreign countries acknowledgment or proof may be made before any court of law, Mayor, or chief magistrate, or any Ambassador, Consul, or other representative of the United States.

**ASSIGNMENTS AND INSOLVENCY.** The insolvent laws provide for the discharge of a person under arrest for debt or damages on his delivering up all his real and personal property to his creditors. Assignments by debtors for the benefit of creditors must be without preference, and all others are void. Debtor must annex sworn inventory. Wages of servants, clerks, and laborers up to \$300 are preferred claims. Assignee must file list of creditors at the end of three months, and make dividends at the next term of court. Creditor not presenting claim does not share in the dividend, but retains his right of action against the debtor.

**ATTACHMENT.** A creditor may attach the property of a non-resident or absconding debtor by making oath to the fact, and to the amount of his claim, before any officer authorized to administer oaths or affirmations. Attachments are for the benefit of all applying creditors. Debts not due may be proved under any attachment issued, and receive their *pro rata* dividend. No attachment can issue against the members of a copartnership, where one of them resides in the State, except in case of fraud. Garnishment can be effected only in

attachment cases, and when judgments are returned unsatisfied and judgment creditor makes oath that debtor has goods or property to the amount of \$50 concealed. Arrest on a capias can only be had in case of fraud or attempted removal or disposal of property.

**Courts, Terms and Jurisdiction.** Circuit Courts and Courts of Common Pleas, holding three terms a year in each county, have jurisdiction in all civil cases above \$100. The Supreme Court, holding three terms a year at Trenton, has also original jurisdiction above \$200. Court of Chancery has exclusive equity jurisdiction, and sits at Trenton three times a year. Justices' jurisdiction \$100.

**Executions** issue immediately upon a rendition of judgment, and are returnable to the next term of court. A sale under execution, issued upon a judgment, discharges the lien of a prior judgment, and the purchaser takes clear title. The proceeds are applied to the payment of the execution upon which the sale is had. There is no stay of execution, except on those which are issued out of Justices' Courts. In these courts thirty days are allowed on sums up to \$15; three months up to \$60, and six months on all sums over \$60, by debtor giving good security. There is no redemption after sale in any case.

**Exemptions.** The lot and building thereon, owned and occupied by the debtor, being the head of a family, to the value of \$1,000. Personal property to the amount of \$300 owned by a resident head of a family, appraised by three persons appointed by the sheriff; and the widow or administrator of a deceased person may claim the same exemption of \$300 as against the creditors.

**Interest.** Legal interest on debts and judgments, six per cent. Usury is punishable by forfeiture of all interest and costs. Interest on an open account accrues on each item from its date, as at common law.

**Judgments** become a lien on lands from time of actual entry, and so remain for twenty years. Where there are several judgments, that under which there is a prior levy takes priority. Judgments recovered or docketed in the Supreme Court, are a lien on all lands of defendant within the State.

**Limitations of Suits.** Contracts not under seal six years; real actions, judgments, notes secured by mortgage, and contracts under seal, twenty years. Revivor:

Part payment or new promise or acknowledgment in writing.

**MARRIED WOMEN** hold and control their property, real and personal, precisely as if unmarried. But a married woman cannot become an accommodation indorser, guarantor, or surety, nor can she convey or encumber real estate without her husband. A married woman may make a will of her separate estate as if she were sole, but cannot defeat her husband's interest therein. Widow takes dower in one-third of real estate of which her husband was seized at any time during coverture.

**MORTGAGES** must be under seal, and the wife must join. Foreclosure is by suit in equity, and there is no redemption after sale under the decree. Chattel mortgages, unless accompanied by immediate delivery and followed by continued charge of possession of things mortgaged, are absolutely void as against creditors and subsequent bona fide purchasers and mortgagees, unless said mortgage or a true copy thereof be filed with the Clerk or Register of the county. Within thirty days next preceding the expiration of one year from the date of filing, the same must be renewed or it ceases to be valid.

**NOTES AND BILLS OF EXCHANGE.** Inland bills of exchange are, in general, subject to the law of foreign bills; they must be protested. Sight bills or drafts, except those on banking associations, have three days grace. The action required to hold indorser is the same as under the general mercantile law. Drafts and notes due on a legal holiday are payable the day before such holiday, and notice of non-payment may be given the day after. But if the legal holiday (other than Sunday) should fall upon a Sunday or Monday, bills are payable on Tuesday, and notice may be given on Wednesday. Legal holidays are: Sundays, Jan. 1, Feb. 22, May 30, July 4, Dec. 25, Thanksgiving Day, and all days on which a general election for members of Assembly may be held. If any of these days happen on Sunday, the holiday is kept Monday.

**Scrits** are commenced by writs of summons, capias, warrant, or attachment. Service by publication may be made in equity only.

**TAXES** are a lien for two years from the time they become payable, and lands may be sold for taxes delinquent one year. There is a right to redemption after one year.

## NEW MEXICO.

**ACKNOWLEDGMENTS** of deeds are made, if taken in the Territory, before any Judge or Clerk of a court of record having a seal, or before a Justice of the Peace or Notary Public. If made without the Territory, and within the United States, before any United States court, or any court of any State or Territory having a seal, or before the Clerk or Judge of any such court, the genuineness of the signature and official character of such Judge to be certified to under the seal of his court by the Clerk thereof, or before a Commissioner of Deeds for New Mexico.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law; no statutory provision for voluntary assignments.

**ATTACHMENTS.** Creditors whose demands amount to fifty dollars or more may sue debtors by attachment, issued out of District Court; when debtor is non-resident of the Territory; when debtor has concealed himself or absconded, or absented himself from his usual place of abode, so that ordinary process of law can not be served upon him; when debtor is about to remove his property out of the Territory, or is fraudulently concealing or disposing, or has concealed or disposed of the same; when debt is contracted out of Territory and property secretly moved into the Territory; when defendant is a corporation, whose office is out of Territory and not having agent in Territory, upon whom to serve process; when debt was fraudulently contracted or credit obtained by false pretences. Money or property due the defendant, and held by others, may be collected by garnishment. Defendant indebted in an amount exceeding \$50 may be arrested on affidavit that he is about to abscond. Plaintiff must furnish bond as in case of attachment.

**Courts, Terms and Jurisdiction.** District Courts hold two terms a year in all the counties except Colfax county, and have unlimited common law and chancery jurisdiction. There are Probate Courts in the same

counties, holding four terms a year. Justices' jurisdiction, \$100.

**Executions** may issue at any time within a year and a day, and to any county in the Territory. From District Courts are returnable in sixty days, and from Justices' Courts in thirty days from date of issue. No stay of execution except by appeal. The Supreme Court may assess ten per cent. damages where appeal is taken without reasonable cause. Real estate sold under execution may be redeemed within one year.

**EXEMPTION.** Real estate up to \$1,000, where debtor is head of family, and in such case also clothing, beds, bed clothing, firewood for thirty days, bibles, hymn books, school books used by family, family pictures and provisions not exceeding twenty-five dollars in value, and furniture not exceeding ten dollars in value. Tools and implements necessary for debtor to carry on his trade not exceeding twenty-five dollars in value.

**INTEREST.** The rate of interest is any amount that may be agreed upon by the parties; but where none is expressed, then the law allows six per cent. per annum. All open running accounts bear six per cent. from six months after the date of the last item. Judgments bear the same rate of interest as the obligation or agreement sued on when expressed in the judgment; otherwise, six per cent.

**JUDGMENTS** are a lien on real estate within the county from date of docketing, and may be extended to other counties by filing transcript with the Clerk of the Probate Court.

**LIMITATIONS OF Suits.** No limitation of action is provided by statute, except that ten years adverse possession of lands under color of title bars all actions. Infants, *femes covert*, persons of unsound mind, imprisoned, or beyond the limits of the United States, are not within this statute.

**MARRIED WOMEN** retain the separate property which

they inherit, but it is managed by their husbands, and they can convey their real estate only by joining in a deed with their husbands. The wife has no dower except her private property.

**MORTGAGES.** All deeds and papers affecting real estate must be in writing, and duly acknowledged; no other statutory provisions exist. All personal property except growing crops may be mortgaged. Instrument or a true copy thereof must be filed of record, and must be renewed within thirty days of the expiration of one year.

**NOTES AND BILLS OF EXCHANGE.** No days of grace are allowed on bills of exchange and promissory notes, but if they fall due on a legal holiday or Sunday, they are construed to fall due and become payable on the

next business day thereafter. Notes, bonds, due bills and other instruments in writing, by which maker promises to pay to another, or order, or bearer, any sum of money, or property, or labor, or acknowledges money, labor or property to be due, are assignable by endorsement or any other writing.

**SUITS.** All transitory actions must be brought in the county where the plaintiff or defendant resides, or where the contract is to be performed, or the cause of action originated, or in any county where defendant may be found within the judicial district in which he has his residence. Suits to recover real estate must be brought in the county where such real estate is situate. Actions against non-residents or transient persons may be brought in any county.

## NEW YORK.

**ACKNOWLEDGMENTS** must be made, within the State, before a Judge of a court of record, Surrogate, Notary Public, Justice of the Peace, Mayor, Recorder, or Commissioner of Deeds. If made without the State, they may be taken by Judges of United States Courts, Judges of the Supreme, Circuit or Superior Court of any other State or Territory, within the jurisdiction of their courts; by the Mayor of any city, or by a New York Commissioner. When made by any person residing out of the State, and within any other State or Territory, they may be taken before any officer of such State or Territory authorized by its laws to take acknowledgments.

**ASSIGNMENTS AND INSOLVENCY.** A debtor imprisoned on execution for a sum not exceeding \$500 may be discharged on making an assignment of his property, and after three months imprisonment can obtain his discharge, even though the amount be over \$500. Under the General Assignment Act of 1877, a debtor may convey his property in trust for benefit of all creditors, no preferences being allowed.

**ATTACHMENTS**—May issue in actions for damages for breach of contract, wrongful perversion of personal property, or injury thereto caused by negligence or fraud, or where defendant is non-resident or has left the State, or conceals himself to avoid service, or is about to sell, assign, or secrete his property with intent to defraud creditors. After execution is returned unsatisfied, defendant may be examined as to his property and required to apply any not exempt in payment.

**COURTS, Terms and Jurisdiction.** The Supreme Court has unlimited jurisdiction. The Court of Common Pleas and the Superior Court of the City of New York, the City Court of Brooklyn, and the Superior Court of Buffalo, have jurisdiction to an unlimited amount where the defendant resides within the territorial jurisdiction of the court, or is served with the summons therein, or where the cause of action arose therein. The jurisdiction of the New York Marine Court is limited to \$2,000, except in certain actions upon bonds, etc. There is a County Court for each county, having jurisdiction to the amount of \$1,000, in actions where the defendant is, or if there is more than one, where all of the defendants are, residents of the county. Justices of the Peace have jurisdiction in actions on contract where the sum claimed does not exceed \$20, and District Courts of the City of New York, where the sum does not exceed \$250.

**EXECUTIONS** will issue at any time within five years from date of judgment; after five years, leave must be obtained. Executions may issue to two or more counties at the same time. There are no stay laws.

**EXEMPTIONS.** Homestead, \$1,000; necessary furniture, tools, team, etc., \$250. Even in supplementary proceedings, the judgment debtor cannot be ordered to apply upon the judgment his earnings for his personal services within sixty days preceding the order, if such earnings are necessary for the support of a family wholly or partly supported by his labor.

**INTEREST.** The legal rate of interest in this State at present is seven per cent. All notes, bonds, contracts, securities, etc., whereby a greater rate is reserved, or taken, or agreed for, are absolutely void, and the lender can recover neither principal nor interest in such cases,

but corporations cannot plead usury as a defense. Usury is also punishable as a misdemeanor by fine or imprisonment, or both. The last Legislature passed a bill providing that six per cent. shall be the legal interest, the Act to take effect on the first day of January, 1880. State banks have been placed on the same footing as National banks as regards usury, and are thereby exempt from the extreme penalties mentioned above.

**LIMITATIONS OF SUITS.** Contracts, express or implied, except those under seal, six years; recovery of real estate upon judgments of courts of record and sealed instruments, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN** have the same rights and are subject to the same liabilities as if single, and can take, hold, and convey real and personal property. May carry on trade in their own name, and retain their earnings as their separate property. Widows have right of dower.

**MORTGAGES** must be executed and recorded same as deeds. Where containing a power of sale, may be foreclosed without intervention of court. There is no redemption under a mortgage sale. Chattel mortgages, except where the possession of the property mortgaged passes to, and is retained by, the mortgagee, must be filed of record forthwith, or are void as against creditors and innocent purchasers. Such mortgage ceases to be valid in one year, except as to the mortgagor or his representatives, unless a copy thereof is re-filed.

**NOTES AND BILLS OF EXCHANGE.** Bills of exchange (foreign), drafts, checks, and promissory notes payable to bearer, the maker or his order, or the order of any third party, are negotiable. Three days of grace are allowed on all except inland sight drafts. If not paid when due they may be protested, and the certificate of protest is *prima facie* evidence of presentation and non-payment. To charge indorser, notice of non-payment must at once be given to him. January 1st, February 22nd, May 30th, July 4th, December 25th, any general election day, and any day appointed or recommended by the President of the United States, or the Governor of the State, as a day of thanksgiving or of fasting and prayer, are holidays, and notes, bills, etc., otherwise presentable for payment or acceptance on one of such days, are presentable on the business day next preceding such holiday. When either January 1st, February 22nd, May 30th, July 4th, or December 25th, falls on Sunday, the following Monday is the holiday, and paper falling due on such Monday is presentable on the Saturday preceding.

**SUITS** in civil actions must be prosecuted in the name of the real party in interest, except that an executor, administrator, trustee of an express trust, or person specially authorized by statute, may sue in his own name. Common law practice has been abolished and a Code of Procedure adopted.

**TAXES.** Lands may be sold for taxes when two years delinquent. Publication of sale is made for twelve weeks in the county paper, and two years are allowed for redemption, the owner having the right to redeem by paying the purchase money and interest at ten per cent. per annum. A mortgage (where the instrument is duly recorded) has a similar right of redemption.

In other States by any Commissioner appointed by the Governor of this State, and in foreign countries by a Mayor or other Chief Magistrate, or any Minister, Consul, or Commercial Agent of the United States.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may be discharged by filing petition and making assignment of property to a trustee for benefit of all creditors. But his subsequently acquired property (not exempt) is liable for the satisfaction of his debts. No creditor not having received notice is bound by the discharge.

**ATTACHMENT.** Process may issue against the property of a non-resident debtor, or one who has departed from the State to defraud his creditors or to avoid the service of a summons, or keeps himself concealed therein with like intent; or against a foreign corporation, or if such person or corporation has removed, or is about to remove, any of his or its property from this State with intent to defraud his or its creditors, or has assigned, disposed of, or secreted, or is about to assign, dispose of, or secrete any of his or its property with the like intent, whether such debtor is a resident of this State or not. The creditor procuring warrant of attachment, must, within ten days, file affidavits in the Clerk's office, or before a Justice of the Peace, if the warrant is taken out in his court, stating the grounds on which the warrant of attachment is asked. The creditor is also required to give good bond and security for costs and damages in case the proceeding by attachment is wrongful or oppressive. Garnishee process is not known under the statute.

**COURTS, Terms and Jurisdiction.** Superior Court, holding two terms a year in each county, has exclusive original jurisdiction in all civil actions involving over \$200. The Clerk of the Superior Court is Judge of Probate. Justices' Jurisdiction, \$200.

**EXECUTIONS** from Superior Courts may issue immediately after the term at which judgment was rendered, and are returnable at the next term. From Justices' Courts they issue at once; returnable in sixty days. Stay of execution is granted as follows: Under \$25, one month; \$25 to \$50, three months; \$50 to \$100, four months; above \$100, six months. There is no redemption on property sold on execution or mortgage.

**EXEMPTION.** Every homestead, and dwellings and buildings used therewith, not exceeding in value \$1,000, to be selected by the owner thereof; or in lien thereof, at the option of the owner, any lot in any city, town or village, with the dwellings used thereon, owned and occupied by any resident of the State, and not exceed-

ing the value of \$1,000. Personal property of the value of \$500.

**INTEREST.** Six per cent. is the prescribed usual rate. Eight per cent. may be stipulated for when money is borrowed. Rate on judgments and open accounts, six per cent., unless parties contract for eight per cent., which they may do. Penalty for usury is forfeiture of double the amount of interest as specified in the foregoing.

**JUDGMENTS** in the Superior Court are a lien from the time they are docketed, on all real property of defendant within the county, and can be transferred to other counties by filing transcript. Judgments from Justices' Courts are not a lien until levy is made. Lien continues ten years from time of docketing.

**LIMITATIONS OF SUITS.** Actions on accounts and contracts not under seal must be commenced in three years, and on a note under seal must be commenced within ten years, or the statute of limitation may be pleaded against recovery.

**MARRIED WOMEN** retain their real and personal property acquired before or after marriage, as their separate estate, not liable for the debts or obligations of their husbands. But no woman under coverture, unless she be a free trader, can make a binding contract, except for necessities, without the consent of her husband given in writing. Widow's dower is one-third in value of all lands and real estate of which her husband was seized during her coverture.

**MORTGAGES** must be registered within the county to be valid as against creditors or subsequent purchasers for a valuable consideration. Mortgages are foreclosed by action, except when a power of sale is given. Chattel mortgages must be registered.

**NOTES AND BILLS OF EXCHANGE.** Grace is allowed on all drafts. An indorser of a note is deemed a surety, and no demand on the maker is necessary before commencing suit against surety or indorser, but this does not apply to bills of exchange.

**SUITS.** Process in court must be served ten days before first day of term. The action is commenced by issuing a summons and filing a complaint in the Clerk's office. Actions before Justices are commenced by issuing summons to be served on the debtor, which is made returnable at some time and place within the county to be designated by the Justice. Judgment can usually be obtained in two days.

**TAXES** are a lien on real estate from the time the tax lists are given in—April 1 of each year. Sales for delinquent taxes are made after notice given. Delinquent may remain on the land one year, and may redeem within that time by paying the amount bid by the purchaser and twenty-five per cent. in addition.

## OHIO.

**ACKNOWLEDGMENTS** may be taken by any Judge or Clerk of a court of record, Justice of the Peace, Notary Public, Commissioner for Ohio, Mayor, or other presiding officer of an incorporated city or town. When executed, acknowledged and proved out of this State, in accordance with the laws of the place where executed, they will be as valid as if executed in this State. Husband must join in conveyance of wife's property. Two witnesses are required to attest signatures in all matters affecting real estate.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may make an assignment in trust for the benefit of creditors. Assignee must file a sworn inventory and schedule in the Probate Court within thirty days, and creditors must present claims within six months. Dividends are payable at the expiration of eight months from the appointment and qualification of the assignee, and notice of such dividends must be given by advertisement. The debtor can make no assignment which will, under the State laws, release him or entitle him to a discharge from his liabilities.

**ATTACHMENT** in a civil action for the recovery of money may be had when defendant is non-resident or a foreign corporation, or has absconded or concealed himself, or is about to remove, convert or assign, or has concealed his property with intent to defraud creditors, or where the debt was fraudulently con-

tracted. Plaintiff must give bond in double the amount at issue. Defendant can be arrested in a civil action on all except the first two grounds given above. Garnishee process may be had in aid of attachment against any debtor of the defendant.

**COURTS, Terms and Jurisdiction.** Justices' Courts have exclusive original jurisdiction of any sum not exceeding \$100, and concurrent jurisdiction with the Court of Common Pleas of any sum from \$100 to \$300. Superior Courts of Cincinnati, Cleveland and Dayton, have the same general jurisdiction in actions for debt that is exercised by the Courts of Common Pleas. Common Pleas Courts have original jurisdiction where the amount in controversy exceeds \$100.

**EXECUTIONS** issue from the Court of Common Pleas to any county. Execution against the person will only issue when the Judge of one of the Superior Courts is satisfied of the existence of cause—such as concealment of property by the debtor—or where debtor was arrested before judgment and not discharged under the law. Lands levied on must be appraised by three disinterested freeholders, and cannot be sold for less than two-thirds of each appraisal. There is no stay of execution and no redemption from sale.

**EXEMPTIONS.** Homestead, \$1,000; wearing apparel, bedding, stove, etc., certain domestic animals and food for sixty days; or in lieu thereof household furniture to

the value of \$65; one sewing machine, tools and implements of trade up to \$100; one horse, harness, and dray or wagon, and the professional library of a physician up to \$100. Any resident, being the head of a family and not the owner of a homestead, can hold other personal property to be selected by him, and not appraised at over \$500, in addition to the chattel property specified above.

**INTEREST.** The legal rate is six per cent. Parties may contract in writing for eight per cent. No penalty is attached for the violation of the law. If a contract is made for a higher rate than eight per cent., the contract as to interest is void, and the recovery is limited to the principal sum and six per cent. Interest is computed upon judgments and decrees at the rate specified in the instrument upon which said judgment or decree is rendered. Open accounts draw interest at six per cent. from the time payment thereof could be demanded.

**JUDGMENTS** are a lien on real property of defendant within the county, which lien continues for five years. If execution be not levied within one year from the rendition of the judgment, said judgment shall not operate to the prejudice of any other *bona fide* judgment creditor.

**LIMITATION OF SUITS** upon contracts not in writing, express or implied, six years; specialty or any agreement in writing, fifteen years; real actions, twenty years. Revivor: Part payment, acknowledgment or promise in writing.

**MARRIED WOMEN** retain all their separate property, real and personal, owned at marriage or acquired thereafter, with all the rents, incomes and profits thereof. Wife can contract for the improvement, repair and cultivation of her real estate, and may lease the same for not exceeding three years. A married woman engaged in business may sue and be sued alone, and her separate property is liable for any judgment rendered against her. The husband must unite in all deeds and mortgages of the wife's separate real estate. A widow is entitled to dower in all real estate owned by her husband during her coverture.

**MORTGAGES** must be executed as deeds, and the first mortgage recorded has the preference. Are foreclosed by suit in the Court of Common Pleas and there is no redemption of lands sold under foreclosure. Chattel mortgages, or a true copy thereof, must be deposited with the Clerk of the township where the mortgagor resides, and are void unless re-filed within thirty days of the expiration of one year from their execution, and annually thereafter.

**NOTES AND BILLS OF EXCHANGE.** All bonds, notes and bills payable at a day certain after date, or after sight, are entitled to three days of grace in the time of payment. When the third day of grace is the first day of the week, the demand shall be made on the next preceding business day. The 1st day of January, the 4th day of July, the 25th of December, and any day appointed or recommended by the Governor of Ohio, or the President of the United States, as a day of fast or thanksgiving, is treated and considered as the first day of the week. When the 1st day of January, 4th day of July, or the 25th day of December shall be the first day of the week, the succeeding Monday is also treated and considered as the first day of the week. When made payable to order or bearer, they are negotiable by indorsement thereon, and vest the title thereof in indorsee.

**SUITS.** There is but one form of action, known as a civil action, which must be prosecuted in the name of the real party in interest, except as to administrators, trustees, etc. In certain cases service may be made by publication.

**TAXES** are due on December 20 of each year, but the party charged may at his option pay one-half then and the remainder on or before June 20 following. Lands delinquent for three semi-annual instalments are sold by the County Treasurer. Owner can redeem within two years by paying amount for which the land was sold, all subsequent taxes and interest, and a penalty of twenty-five per cent. if redeemed within one year, and fifty per cent. if within two years.

## OREGON.

**ACKNOWLEDGMENTS** may be taken by any officer appointed by the laws of the State, Territory or district where made, or before any Commissioner appointed by the Governor of this State for such purpose, and unless the acknowledgment be taken before such Commissioner, it must be certified by the Clerk or other proper certifying officer of a court of record of the county or district within which such acknowledgment was taken, under the seal of his office, that the person whose name is subscribed to the certificate of acknowledgment was, at the date thereof, such officer as he is therein represented to be, and that he believes the signature of such person subscribed thereto to be genuine, and that the deed is executed and acknowledged according to the laws of such State, Territory or district.

**ASSIGNMENTS AND INSOLVENCY.** There is no insolvent law, but every person confined in jail on an execution is entitled to his discharge at the end of ten days, upon the conditions prescribed by law, and after being once discharged the debtor is forever exempt from arrest under that debt. An assignment does not free the debtor from his liabilities, but a debtor may prefer a creditor by confessing judgment, giving a mortgage, or assigning specific property as security or in payment.

**ATTACHMENT** process may be had when defendant is a foreign corporation, or non-resident, or in actions on contracts for the direct payment of money, where no mortgage, lien or pledge was taken or created, or if the debt was so secured, when the security has been rendered valueless by act of the defendant. Plaintiff must give the usual bond in double the amount involved. Debts owing defendant may be garnished. Defendant may be arrested when not a resident of the State, or in actions to recover personal property unjustly detained, or where the debt was fraudulently contracted, or defendant has removed his property with intent to defraud.

**COURTS, Terms and Jurisdiction.** Circuit Court is held once a year in Curry, Columbia and Tillamook counties, three times a year in Marion county, (Salem), and twice a year in other counties, and has unlimited

civil jurisdiction. There is a County Court in each county, holding from four to twelve trial terms each year, with full probate powers and civil jurisdiction up to \$500. Justices' jurisdiction, \$250.

**EXECUTION** issues immediately, and is returnable in sixty days in the Circuit Courts; thirty days in all other courts. Execution may issue at any time within five years after judgment. There is no stay law. Judgment debtor, or his successor in interest, or any creditor having a lien, may redeem real estate sold under execution within sixty days of the confirmation of the sale, and lien creditors may continue to so redeem within sixty days of each sale, the last purchaser being entitled to a deed.

**EXEMPTIONS.** There is no homestead law. Personal property exempt includes books, pictures and musical instruments to the value of \$75; wearing apparel to the value of \$100, and if a householder, to the value of \$50 for each member of the family; tools, implements, apparatus, team, vehicle, harness or library, when necessary in the occupation or profession of a judgment debtor, to the amount of \$400; if the judgment debtor be a householder, ten sheep with one year's fleece, two cows, five swine, household goods, furniture and utensils to the value of \$300. No article of property is exempt from execution issued upon a judgment for the purchase price.

**INTEREST.** Legal rate, ten per cent.; contracts may be made in writing for twelve per cent. Usury works forfeiture of principal and interest.

**JUDGMENTS** are a lien from date of docketing on all defendant's real property within the county or counties where same is docketed, and on all which he may subsequently acquire during the life of the judgment. If ten years are allowed to elapse without issuance of execution on the judgment the lien ceases.

**LIMITATIONS OF SUITS.** On contracts not under seal, express or implied, six years; on judgments or decrees of any court and sealed instruments, ten years; recovery real property, twenty years. Revivor: Part payment or new promise in writing.

**MARRIED WOMEN** retain their real and personal estate acquired at any time free from the control of their hus-

bands. Property must be registered in the County Clerk's office. A married woman may make contracts in her own name, buy goods, and give notes in settlement, and her real and personal property may be sold to satisfy the same. She may dispose of her real estate by will, subject to any rights which her husband may have as tenant by the curtesy.

MORTGAGES are executed in the same manner as deeds, and foreclosed by suit in equity. Chattel mortgages, or copies thereof, must be immediately filed with the County Clerk, and cease to be valid as against creditors or purchasers after the expiration of one year, unless re-filed within thirty days next preceding the expiration of said year.

NOTES AND BILLS OF EXCHANGE. Three days of grace are allowed on all bills of exchange payable at sight or on a day certain, and on all promissory notes. The indorsers on a note, when properly charged by protest, are liable as long as the maker. Damages allowed on

protested bills; domestic, five per cent; foreign, ten per cent.

SCITS. Practice is under a Code similar to that of New York, but the distinction between law and equity is retained. Suits and actions in the Circuit and County Courts are commenced by filing a verified complaint with the Clerk of the court. Summons is served by personally delivering to the debtor or leaving at his residence, in the county, with a white person over fourteen years of age, a copy of the summons and a certified copy of the complaint, and if debtor does not appear or answer in ten days, the creditor may take judgment. In case of non-resident debtors who have property in the State, the court may order service by publication of the summons.

TAXES. Lands sold for taxes may be redeemed within one year on payment of the purchase money and twenty per cent. thereon; within two years, thirty per cent.

## PENNSYLVANIA.

ACKNOWLEDGMENTS of deeds to be recorded in Pennsylvania may be made before any Mayor, or chief magistrate of any city or town incorporated (under the public seal), any Justice or any Judge of any court of record, Commissioner for Pennsylvania, or before any officer appointed by the laws of the State where taken. If certified by the seal of the Clerk of any court of record, that the officer taking such acknowledgment is duly qualified by law to take the same.

ASSIGNMENTS AND INSOLVENCY. There is no insolvent law, and no provision for the discharge of a debtor on his making an assignment. Voluntary assignments must be for the benefit of all creditors, but debtor may prefer a creditor by confessing judgment or assigning specific property as security or in payment. Assignees must file an inventory and appraisal within thirty days, and must settle his accounts and distribute the assets under direction of the Court of Common Pleas.

ATTACHMENT. Property of resident debtors may be attached: When debtor is about to remove his property out of the jurisdiction of the court in which the attachment is applied for, with intent to defraud his creditors; when he has property which he fraudulently conceals; when he has disposed of or is about to dispose of his property, with intent to defraud his creditors; when he has fraudulently contracted the debt or incurred the obligation for which the claim is made. In this attachment the creditor must make affidavit to prove one or more of the foregoing acts, and must give bonds conditioned that, if he fails to prosecute his action with effect and to recover a judgment against the debtor, he shall pay to the debtor all legal costs and damages which the debtor may sustain by reason of said attachment. Attachment can also be had when defendant is non-resident. A defendant may be arrested after suit brought, upon proof that he is about to remove his property to defraud his creditors, or has done so, or that he fraudulently conceals his property, or that he fraudulently contracted the debt; he may be committed unless he pays the debt, or gives security to do so within sixty days, or gives bonds to take the benefit of the insolvent law.

COURTS, Terms and Jurisdiction. Courts of Common Pleas in the several counties have original jurisdiction in all sums over \$100. Orphans' Courts have full probate powers. Justices' Jurisdiction throughout the State is \$100, but in Venango, Lawrence, Erie, Crawford, Mercer and Warren Counties has been extended to \$300. In Philadelphia there are Magistrates with same civil jurisdiction as Justices, whose place they supply.

EXECUTIONS may be issued as soon as judgment is obtained, or at any time within five years. The writ of execution is made returnable to the first Monday of the following month; but it is the duty of the Sheriff to make his levy at once, and he may proceed to sell personal property upon six days' notice, and distribute the proceeds. Stay of execution can be taken, by giving security, on all sums of \$300 and under, six months; between \$300 and \$500, nine months; over \$500, twelve months. The stay is computed from the return day of the writ. There is no redemption of property sold under execution.

EXEMPTION. No homestead law. Real or personal property to the value of \$300, in addition to wearing apparel, Bibles, and school-books, and a sewing-ma-

chine are exempt, but the privilege is personal only and can be waived at any time.

INTEREST. The legal rate is six per cent; usurious interest can not be collected, and if paid may be recovered back, provided, suit is brought therefor within six months. Most of the savings banks are by special statute authorized to loan money at higher rates of interest. Commission merchants and agents may contract with parties outside the State for seven per cent. It is not usury for a borrower to contract to pay the taxes upon the money lent, nor to pay a reasonable attorney's fee in case suit is brought for its collection. Interest is due upon every debt from the time it becomes due and payable. The rate is the same on all debts, whether secured by judgment or not.

JUDGMENTS bind all the interest of defendant in real estate within the county where the judgment was entered, and under the Act of March 23, 1877, a verdict of a jury for a specific sum (unless a new trial is granted) is also a lien on real estate. Lien exists for five years, and may be continued by revival of the judgment. Justices' judgments become liens by filing transcripts in the Court of Common Pleas.

LIMITATIONS OF SCITS. Contracts, notes, and instruments not under seal, six years; judgments, mortgages, and sealed instruments, twenty years. Revivor: Acknowledgment coupled with promise to pay; promise may be implied, if acknowledgment is plain, express, and nothing to negate such implication.

MARRIED WOMEN. All property of wife acquired before or after marriage, held and enjoyed as her separate estate, but may be charged for necessities contracted by her for her family. As a general rule, a married woman can not make a valid contract, except for necessities, or sell or convey her real estate without her husband joining in the deed. She may make a will, subject to her husband's right as tenant by the curtesy, and may transfer railroad stock, State or Philadelphia city loans, and loans or stock of any corporation created under the laws of Pennsylvania. She may also keep a bank account, and draw money on her own check, without consent of her husband, but her earnings belong to her husband, unless secured to her own use by order of the Court of Common Pleas. Widow takes dower in one-third of all lands owned by her husband during marriage.

MORTGAGES are executed and acknowledged same as deeds, and lien inhere from time of recording except where given for purchase money, when the mortgage is a lien from its date, if recorded within sixty days. Chattel mortgages may be given on mining property, lumber, petroleum, iron and other articles specified; must be for not less than \$500, and must be filed of record. The lien thus created continues one year, and must be revived within thirty days of the expiration of that period, or it becomes void.

NOTES AND BILLS OF EXCHANGE. The Act of March 23, 1875, allows days of grace on all bills of exchange, drafts, promissory notes, and other negotiable instruments, excepting sight bills and drafts, and checks on banks or bankers, whether payable on presentation or upon some day or time subsequent to the date of issue. Five to ten per cent. damages are allowed on domestic bills, and ten to twenty per cent. on foreign bills protested.

SCITS may be commenced at any time. All writs are returnable on the first Monday of each month except

September, when it is the third Monday, and, if debtor's residence is known, the writ can be issued as late as the Saturday before return day. A summons from a Justice of the Peace is returnable on a day named therein, which must not be less than five or more than eight days after the date of the writ, and must be served on the debtor at least four days before the date fixed for the hearing of the case.

**TAXES.** Improved lands may be sold for taxes two years delinquent, but owner may redeem, within one year after receiving actual notice, by payment of amount of taxes and costs due, with legal interest. "Unseated" lands may be sold for taxes delinquent one year, and are redeemable within two years by payment of taxes and costs and twenty-five per cent. interest thereon.

Instruments relating to lands within this State, executed elsewhere in the United States, may be made before a Judge, Justice of the Peace, Notary Public, or before any Commissioner appointed by the Governor, and duly qualified thereunto. In foreign countries before a Minister, Consul, Vice-Consul, or other agent of the United States, or any properly qualified Commissioner within such country.

**ASSIGNMENTS AND INSOLVENCY.** There is no general insolvent law. Assignments for equal benefit of all creditors are allowed; all preferences are void.

**ATTACHMENT** process will issue on creditor making affidavit as to his claim, and that debtor is a corporation established out of the State, or has left the State and is not expected to return in season to be served with process returnable to the next term of such court, or has committed fraud in contracting the debt on which suit is brought, or in the concealment or disposition of his property, or since contracting the debt on which suit is brought, has been the owner of property or in the receipt of an income which he has refused or neglected to apply toward the payment of said debt, though requested by the creditor so to do. Personal property of the debtor, (unless secured by bill of exchange or negotiable promissory note), in the hands of any person, partnership, or corporation, is subject to garnishment.

**COURTS, Terms and Jurisdiction.** Court of Common Pleas has jurisdiction where the claim amounts to \$100 and upwards. Supreme Court has concurrent jurisdiction with the Court of Common Pleas where the amount claimed is \$100 and upwards, excepting in the county of Providence, where said Court has jurisdiction concurrent with the Court of Common Pleas, where the amount claimed is \$300 and upwards. Justices' jurisdiction \$100. The Town Councils are Courts of Probate within their respective towns, and the Municipal Court of Providence is the Court of Probate of that city. Any town may, however, elect a Probate Judge at its annual election.

**EXECUTIONS** are returnable at the next term of court after they issue, and can only be stayed by leave of the court. There is no redemption of property sold under execution. In default of goods and chattels on which to levy, execution may issue against the body of the debtor in cases where fraud is alleged.

ing apparel of debtor and his family; working tools, not exceeding \$300; and household furniture and family stores, \$300, are exempt from attachment and execution, where the debtor is a householder.

**NOTES AND BILLS OF EXCHANGE.** The Acts of April 20, 1876, provide that "all bills of exchange drawn at sight, due and payable within this State, and in which there is not a provision to the contrary, shall be allowed three days grace." And further, that "any person upon whom a bill of exchange or draft is drawn which requires acceptance, shall have until 2 o'clock in the afternoon of the business day next succeeding the first presentation thereof in which to decide whether or not he will accept the same; provided, however, that all bills of exchange or drafts which may be for cause held over one day, shall, when accepted, date from day of presentation." Where none are appointed, assignee can act alone and must report to creditors every three months. Assignee's compensation is five per cent. The assignment of all his property by a debtor under arrest effects his discharge from such arrest. Only the claims of creditors participating in dividends are affected by these assignments.

**ATTACHMENTS** will issue in an action arising on con-

tract for the recovery of money only, or in an action for the wrongful conversion of personal property, against a corporation created by or under the laws of any other State, government or county, or against a debtor who has absconded or concealed himself, or whenever any person or corporation is about to remove any of his or its property from the State, or has assigned, disposed of, or secreted, or is about to assign, dispose of, or secrete any of his or its property, with intent to defraud creditors; the creditor, at the time of issuing the summons, or at any time thereafter, may have the property of such debtor or corporation attached as a security for the satisfaction of such judgment as the creditor may recover. In case the deed is acknowledged by both husband and wife, the privy acknowledgment of the wife is taken in addition to the above. If made out of the United States, must be before a Commissioner of Tennessee appointed for such country, a Notary Public, or an Ambassador, Minister, or Consul of the United States.

ASSIGNMENTS AND INSOLVENCY. No insolvent law. Debtor may prefer one or more creditors to the exclusion of others. Assignee must give secured bond, which must be registered within the county where the property is situated. Such assignment does not operate as a discharge from liabilities.

ATTACHMENT. Process will issue where the debtor resides out of the State; is about to remove or has removed himself or property from the State; has removed or is removing himself from the county privately; is concealing himself, so that the ordinary process of law cannot be served upon him; absconds or is absconding or concealing himself or property; has fraudulently disposed of or is about fraudulently to dispose of his property; or when any person, liable for any debt, residing out of the State, dies, leaving property in the State. A party who resides in the same State as the defendant cannot attach on the ground of the non-residence of the defendant. Debts due, and not due, owing to the defendant, and property of any kind in the hands of a third person, are subject to garnishment. There is no imprisonment for debt or on civil process.

COURTS, Terms and Jurisdiction. Circuit Courts hold three terms annually, and have general common law jurisdiction in all cases involving over \$50. Chancery Courts, holding two terms annually, have full equity jurisdiction above \$50, and, by a recent Act, (March 26, 1877) have concurrent jurisdiction with the Circuit Courts of all civil causes, except actions for injuries to person, property, or character, involving unliquidated damages. Justices of the Peace have jurisdiction in equity up to \$50; in actions of tort to \$500; and in suits against makers or acceptors of bills, etc., up to \$1,000.

EXECUTIONS may issue forthwith, and from Circuit Courts are returnable to the succeeding term; from Justices' Courts in thirty days. Stay of eight months may be had in judgments of a Justice by furnishing security. Debtor has two years in which to redeem realty sold under execution.

EXEMPTION. Homestead, \$1,000. Personal property exempt includes about \$250 worth of household goods, certain enumerated articles of small value, and provisions for one year, also farming tools, etc.

INTEREST. The law of this State which allowed ten per cent. interest to be charged on special contracts has been repealed, and no higher rate than six per cent. is now legal. The penalty for usury is, however, only forfeiture of the excess, and a fine is no longer imposed for lending money at its market value.

LIMITATIONS OF SUITS. Upon bonds, notes, accounts and contracts generally, six years; judgments of decrees of courts of record and other cases not expressly provided for, ten years. Revivor: Acknowledgment, expressed willingness to pay or promise; part payment not in itself sufficient.

MARRIED WOMEN can hold real and personal property exempt from the husband, and not liable for his debts. Widow takes dower in one-third of the lands of which her husband died seized, and where the husband dies intestate and without heirs, she takes his entire real estate absolutely; subject, however, to the payment of his debts.

MORTGAGES and deeds of trust take effect as to third parties only from registration. Can be foreclosed without intervention of court. Chattel mortgages are good as to the contracting parties without registration, but not as against purchasers without actual notice, and creditors.

NOTES AND BILLS OF EXCHANGE. Days of grace are not allowed on bills of exchange payable at sight. Negotiable paper falling due on January 1, July 4, December 25, or any daily appointed day of fasting or thanksgiving, is due on the previous day, unless such previous day is Sunday, in which case it is due on the Saturday preceding.

SUITS. Actions in courts of record are commenced by summons issued by the Clerk of the court, and non-residents may be served by publication.

TAXES are a lien on the real estate on which they are levied. Sales of land for delinquent taxes are made on the first Monday in July of each year, and one year is allowed for redemption, on payment of taxes and costs and interest thereon at fifty per cent. per annum.

## TEXAS.

(Compiled by Hon. Philip Lindsey, Attorney at Law, Dallas, Texas.)

**ACKNOWLEDGMENTS** of deeds, executed out of this State, but within the United States, or Territories, to land in this State, may be taken before a Notary Public, Judge of a court of record having a seal, or Commissioner of Deeds for Texas. If executed out of the United States, by any public Minister, Charge d' Affaires, Consul of the United States, or Notary Public.

**ATTACHMENT.** The seven grounds of attachment, under Texas Statute, except the third, "when the defendant has abandoned the country," are correctly given in Drake on Attachment, p. 643.

**COURTS, Terms and Jurisdiction.** District Court holds two terms each year, except in counties of Bexar and Galveston, where five terms are held. Has exclusive jurisdiction of suits involving title to real estate; of all amounts over \$1,000, and concurrent with County Court between \$500 and \$1,000, exclusive of interest. County Court holds six terms each year, beginning respectively in January, March, May, July, September and November, and is a court of record; has exclusive jurisdiction between \$200 and \$500, exclusive of interest. Justice's Court holds a term every month. Exclusive jurisdiction under \$200 exclusive of interest.

**EXECUTIONS** issue, after date of judgment, in District Court, in twenty days; County Court, fifteen days; Justice's Court, eleven days. In Justice's Court, may be stayed ninety days. In actions of debt, appealed to Supreme Court for delay, judgment will be rendered for ten per cent. on the amount in dispute, as damages, together with the judgment, interest, and costs of suit.

**EXEMPTIONS.** By the constitution of 1875, (became the organic law third Tuesday of April, 1876), the homestead of a family not in a town or city consists of two hundred (200) acres of land, which may be in one or more parcels, with improvements thereon. In a city, town or village it consists of a lot or lots, not to exceed \$5,000 in value at the time of their designation as the homestead, exclusive of improvements, provided the same be used as a home, or as a place to exercise the calling or business of the head of a family. The homestead is protected from forced sale except for taxes, or for the purchase money, or for improvements thereon, and in this last case, only when the work and materials are contracted for in writing, with the consent of the wife, given in same manner as required in making a sale of homestead. In case of death of the husband, the widow and children have one year's support from the estate, and if the property exempt by law does not exist in kind, a sufficiency of the estate may be sold for cash, to raise allowance for homestead, not to exceed \$5,000, and for other exempt property, not to exceed \$500. All household and kitchen furniture, all implements of husbandry, all tools and apparatus belonging to any trade or profession, all books, five milch-cows and calves, two yoke of work oxen, two horses and one wagon, one carriage or buggy, twenty hogs, twenty sheep, all provisions and forage on hand for home consumption, and sundry other articles, are also exempt.

**INTEREST** on written contracts, when no rate is expressed, eight per cent. On open accounts when no rate agreed upon, eight per cent. from 1st day of January after same are made. Parties may contract for any rate, not exceeding twelve per cent. per annum. Over twelve per cent. is usury, and forfeits all interest; but does not affect principal. Usury incurs no criminal liability. Judgments bear eight per cent. interest, when rendered on contracts having no rate agreed upon; otherwise they bear same rate expressed in contract sued on.

**INSOLVENCY.** There are no insolvent laws in this State, and never were any except the bankrupt law of the Republic which has been repealed.

**JUDGMENTS.** In courts of record, are a lien on real estate of debtor in county where rendered, if execution issues within one year from the day upon which by law it could issue. A certified transcript of the judgment, recorded in any other county, creates a lien upon real estate of debtor in such county. In Justice's Court, judgment operates as a lien upon real estate of defendant in the county where rendered, whenever certified copy is filed for record in County Court Clerk's office of such county. In Federal Court, judgments are a lien upon real property of defendant, situated within the district in which they are rendered.

**LIMITATIONS TO SUITS.** Upon actions of debt, grounded upon any contract in writing, within four years after right of action accrues. Accounts, other than open accounts between merchant and merchant, two years. If debt, secured by mortgage, is barred, creditor has no remedy on his mortgage; but a new promise, which revives the debt, will operate as a revival of the mortgage though no words to that effect in new promise.

**MARRIED WOMEN.** The commercial paper of a married woman is valueless; she can not bind herself, nor her separate estate, by making, drawing, accepting, or indorsing negotiable instruments. Her separate estate is not liable for her husband's debts. She may contract for necessities for herself and children, and incur expenses for the benefit of her separate property; and the latter is bound for such necessities and expenses.

**NOTES AND BILLS OF EXCHANGE.** The holder of any bill of exchange or promissory note, negotiable by law, may fix the liabilities of any drawer or indorser without protest, by instituting suit against the acceptor of such bill of exchange or maker of such note, before the first term of District Court, to which suit can be brought, or before second term, showing good cause why suit was not brought at first term. If within the jurisdiction of justice, suit must be brought within sixty days after right of action accrues. The Act of Legislature, making jurisdiction of County Court exclusive between \$200 and \$500, contains no provision in regard to fixing the liabilities of indorsers and drawers by suit. Whether or not District Court Act is applicable to County Court, has not yet been passed upon by the courts. **PROTEST.** The holder of any such bill of exchange, or note, may also fix the liability of any drawer or indorser, without suit against the acceptor, drawer or maker, by procuring such bill or note to be regularly protested, according to the custom of merchants. The holder of a protested draft or bill, drawn by a merchant within this State upon his agent or factor without the State, may recover ten per cent. damages thereon, besides interest and costs. **DAYS OF GRACE** (three days) shall be allowed on all bills of exchange and promissory notes, negotiable and assignable by law.

**MORTGAGES** are a mere security for the debt, and must be enforced by sale of property; power of sale to trustee is revoked by death of mortgagor, and the lien must be enforced through the Probate Court.

**CHATTEL MORTGAGE,** to be valid as to creditors and purchasers without notice, must be accompanied by immediate delivery, followed by actual and continued change of possession of property, unless the same is filed in the office of the County Clerk of the county where the property is situated, or in the county of residence of the mortgagor.

## UTAH.

**ACKNOWLEDGMENTS** may be made, within the Territory, before a Judge or Clerk of a court having a seal, a Notary Public, County Recorder, or Justice of the Peace. Elsewhere in the United States, before a Judge or Clerk of any court having a seal, a Notary Public, or a Commissioner of Deeds for Utah. Out of the United States, before a Judge or Clerk of court as aforesaid, a Notary Public, or any Minister, Commissioner or Consul of the United States, appointed to reside in the country where the deed is offered.

**ASSIGNMENTS AND INSOLVENCY.** There is no insol-

vent law, and no law governing assignments for benefit of creditors.

**ATTACHMENT.** Process may issue in an action upon a contract which is not secured by mortgage, lien, or pledge upon real estate or personal property situated in this Territory, or if secured, after the security has been rendered nugatory by the act of the defendant, against a non-resident defendant or against a defendant who has departed or is about to depart from the Territory or county wherein the action is brought, or conceals himself so that process can not be served on him, or

who is disposing of his property with intent to defraud his creditors, by plaintiff making affidavit and giving an undertaking. After return of execution unsatisfied, the court may order any property or debt of the defendant in the hands of a third party to be applied on account of the judgment. Defendant in a civil action may be arrested when about to leave the Territory with intent to defraud creditors, or where the debt was fraudulently contracted, or when defendant has removed or disposed of property. Plaintiff must furnish secured bond in at least \$500, and defendant may be released on giving like bond to pay the judgment or to appear at any time.

**COURTS, Terms and Jurisdiction.** District Courts, with exclusive original jurisdiction in chancery, and in all actions at law involving over \$300, and all suits relating to land or mining property, hold four terms each year in Salt Lake, Beaver and Provo cities. Each organized county has a Probate Court. Justices' jurisdiction, \$300.

**EXECUTIONS** may issue at any time within three years after judgment, and can only be stayed by appeal or by leave of court. Property sold under execution may be redeemed within six months, on payment of the amount paid, with six per cent. interest and all charges, etc.

**EXEMPTION.** Homestead, not exceeding \$1,000, to head of family, and \$250 extra for each member of family. Also household furniture, tools of trade, farming implements, certain domestic animals and provisions for sixty days, one sewing machine, and the instruments or libraries of professional men.

**INTEREST.** Legal rate ten per cent. No usury laws. **JUDGMENT** becomes a lien on all the real property of debtor within the county, and so continues for two years from time of docketing. Lien may be extended to other counties by filing transcript. Judgments are barred after five years.

**LIMITATIONS OF SUITS.** Open accounts and contracts not in writing, two years; contracts or obligations founded on writing, four years; judgments, five years; recovery of lands, seven years. **Revivors:** Acknowledgment or promise in writing.

**MARRIED WOMEN** retain all their property, exclusive of any right or control of the husband, and not subject to husband's debts; no property owned by the wife at the time of marriage passes to the husband; it remains the separate property of the wife, and all property acquired by her during marriage is her sole and separate property; and with reference to her separate property, she can contract and control the same as if she were a *single sole*. Dower has been abolished.

**MORTGAGES** of real estate must be acknowledged as deeds, and must be foreclosed by proceedings in equity. There are no statutes regulating chattel mortgages, which are therefore subject to the common law. Same redemption of realty as if sold under execution.

**NOTES AND BILLS OF EXCHANGE** are governed by the law merchant. Grace is allowed on sight drafts.

**SUITS.** There is but one form of civil action, and all suits must be prosecuted in the name of the real party at interest. Service on non-residents may be had by publication.

## VERMONT.

**ACKNOWLEDGMENTS.** All deeds must be signed and sealed in the presence of two witnesses. They may be acknowledged in this State before a Justice of the Peace, Notary Public or Master in Chancery. Outside the State, before a Justice, Notary Public or Commissioner for Vermont, or any other officer authorized by the laws of such other State to take acknowledgments of deeds.

**ASSIGNMENTS AND INSOLVENCY.** There is an insolvent law (passed in 1876), but its provisions are of non-effect as regards non-resident creditors. The Probate Courts have jurisdiction in insolvency. All assignments must be for the benefit of all creditors.

**ATTACHMENTS** may issue on *meine process*, and trustee process will reach goods, effects or credits of defendant in the hands of a third party. Defendant in a civil action may be arrested when about to leave the State with intent to defraud.

**COURTS, Terms and Jurisdiction.** Justices' courts have jurisdiction of all actions of a civil nature, except actions for slanderous words, false imprisonment, replevin for goods and chattels where the value thereof exceeds \$50, and where the title to land is concerned—where the matter in demand does not exceed \$300; and of actions of trespass on the freehold where the sum in demand does not exceed \$20. County Courts have jurisdiction of all debts exceeding \$300, and of the exceptions above named.

**EXECUTIONS** are issued from County Courts at the close of term, and from Justices' Courts immediately after judgment rendered, and are returnable in sixty days. Can only be stayed by order of court. Six months allowed for redemption of real estate sold under execution.

**EXEMPTIONS.** Homestead, \$500; necessary wearing apparel, household furniture and tools, one cow, ten sheep, one yoke of oxen and two horses, with forage for one winter. Also all growing crops, a sewing machine, certain provisions, and instruments and libraries of professional men to the value of \$200.

**INTEREST.** The legal rate is six per cent. *per annum*. Judgments bear legal rate. Only the excess paid is forfeited, and that may be recovered back or set up in reduction of claim, if such action is brought or defense made within six years after payment of the usury.

**JUDGMENTS** do not of themselves create a lien on property not attached upon *meine process*.

**LIMITATIONS OF SUITS.** Simple promissory notes are barred in six years, but notes signed in presence of an attesting witness are not barred until fourteen years

next after the right of action shall accrue thereon. Accounts are barred after six years from the last credit; sealed instruments and judgments, after eight years. A verbal promise to pay will not revive a debt, but must be in writing. A partial payment will revive the debt; but, in case of a note, the payment can not be shown by the indorsement of the payment alone unless in the handwriting of the party making the payment.

**MARRIED WOMEN** hold their own property separate from that of their husband, and are not liable for his debts. The husband must join in the conveyance of his wife's real estate. A married woman may make a will and thereby devise her real and personal property. Widow takes dower in one-third of all real estate of which her husband died seized.

**MORTGAGES** are foreclosed by process of law, and the premises may be redeemed within one year of sale. Chattel mortgages are not valid as against bona fide purchasers or subsequent attaching creditors without change of possession of the property, except in the case of machinery in use. In the latter case the instrument must be executed, acknowledged and recorded in the same manner as mortgages of real estate, and must be foreclosed, assigned and discharged in the same way.

**NOTES AND BILLS OF EXCHANGE** are entitled to three days' grace, unless payable on demand or at sight, or in any way but in money. Notes payable on demand are considered overdue after sixty days from date. Whenever any bill or note, or other contract not subject to grace, shall fall due on Sunday, the 1st day of January, 4th day of July, 25th day of December, or the 30th day of May, called Decoration Day, or any day appointed by the Governor or President as a day of fast or thanksgiving, the same shall, for every purpose of protest and notice, be taken and considered as due on the first day next following. The maker and indorser of a promissory note cannot be joined in one suit. The note of a married woman, unless secured by mortgage, is void as against her.

**SUITS** before the County Court are brought in the county where plaintiff or defendant resides—if both are non-resident then in any county. Actions of ejectment and trespass on the freehold must be brought in the county where the land lies, and actions of replevin where the goods are detained.

**TAXES.** Lands sold for taxes may be redeemed within one year on payment of the full sum for which they were sold, with legal costs and twelve per cent. interest.

## VIRGINIA.

**ACKNOWLEDGMENTS** within or without the State may be taken before a Justice, Notary, Commissioner in Chancery, or Commissioner for Virginia, Clerk of Court, Consul, Vice-Consul, Minister Plenipotentiary, and other officers, except that two justices are required in taking a married woman's acknowledgment.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent laws and no statutory provisions concerning assignments. But an insolvent debtor may make a voluntary assignment to a trustee for the benefit of creditors, and may prefer certain creditors to others. Such assignment does not operate as a release.

**ATTACHMENT.** The property of a non-resident debtor may be attached upon an affidavit being filed and bond given; also the property of a resident debtor who is about to remove his effects from the State. The only other case of attachment is where a tenant is removing his effects from leased premises, the landlord believing there will not be left on such premises sufficient property to satisfy the rent due and to become due, not exceeding in all twelve months' rent. By garnishment debts owing defendant may be collected and the proceeds held to await judgment. Arrest, in aid of remedy in civil action, does not lie.

**COURTS, Terms and Jurisdiction.** Circuit Courts hold two terms annually in each county, and the same in several of the larger cities, and have jurisdiction in all suits at law and in equity over \$20. Justices' jurisdiction, \$50; in the City of Richmond, \$100.

**EXECUTIONS** may issue at once for special cause shown to the court, and after the fifteenth day of the term any court may make an order allowing execution to issue on judgments and decrees after ten days from their date. It must be returned on the first day of a term of court, or first Monday of a month, as the time of issuing the execution may make it most convenient, provided that not more than ninety days intervene between the teste and the return day of the process. Executions from Justice's Courts may issue forthwith, but stay may be had on furnishing proper security: over \$10 and under \$20, forty days; \$20 to \$30, sixty days; and over \$30, ninety days. There is no stay in the upper courts, and no redemption of property sold under execution.

**EXEMPTIONS.** Homestead exemption of householder, being the head of a family, to the value of \$2,000, which may be either real or personal property. Also books to the value of \$100, wearing apparel, beds, stoves, and household utensils, sewing machine, cer-

tain domestic animals, and mechanic's tools, not exceeding \$100 in value.

**INTEREST.** The rate of interest can in no case exceed six per cent., except on loans to certain corporations. Lenders forfeit all interest in case of usury. Judgments bear six per cent. interest. Corporations can not plead usury.

**JUDGMENTS** are liens when recorded on all real estate of the judgment debtor within the county.

**LIMITATIONS OF SUITS.** For articles charged in store account, two years; contracts not under seal, five years; contracts under seal, twenty years; recovery of lands, fifteen years. Revivor: New promise in writing; part payment not sufficient.

**MARRIED WOMEN.** The real and personal property of a woman married since April 4, 1877, owned by her at the time of such marriage, and any property, real or personal, acquired by a married woman as a separate and sole trader, is free from the control of her husband, and is not liable for his debts. Widow takes dower as at common law.

**MORTGAGES** are superseded by deeds of trust, which may be foreclosed by the trustee without the intervention of a court of equity. Such deeds may be given for both realty and personalty, and in either case must be recorded.

**NOTES AND BILLS OF EXCHANGE.** Where a bill of exchange, drawn or indorsed within this State, is protested, the party liable for the principal of such bill shall, in addition, pay damages upon the principal at the rate of three per cent. if the bill be payable out of Virginia and within the United States, and ten per cent. if payable without the United States. On all negotiable notes and bills payable at a future day, grace is allowed according to custom of merchants. No grace on sight drafts.

**SUITS.** Summons must be served on debtor two rule days before it can be placed on the docket. The first Monday in each month is rule day. Debtor must be sued in the county or corporation where he resides; or may be sued wherever the contract is made, provided process (summons) is served on him in county or corporation where contract is made.

**TAXES** are a lien on the real estate on which they are assessed from the 15th of December in the year in which the assessment is made. Real estate sold for taxes may be redeemed within two years by payment of the amount of purchase money, subsequent taxes, and interest at ten per cent. per annum.

## WASHINGTON.

**INTEREST.** The legal rate is ten per cent. Any rate of interest agreed upon in writing is valid. Judgments

bear legal rate from date, except when rendered upon an express contract in writing, wherein a different rate is agreed upon, in which case the judgment bears the same rate.

**JUDGMENTS** are a lien on real estate for five years from filing of the transcript.

**LIMITATIONS OF SUITS.** Contracts not in writing, three years; contracts in writing or liability arising out of a written agreement, or a judgment or decree of any court, six years; recovery of real property, twenty years. Revivor: Part payment or promise in writing.

**MARRIED WOMEN.** Property of wife acquired before marriage, and afterward by gift, devise or descent, her separate property; same with husband; property otherwise acquired during coverture held in common; all, however, subject to control of husband; to avoid liability for husband's debts, wife must record inventory of her separate estate, duly executed. Dower and tenancy by curtesy are abolished.

**MORTGAGES** are executed and acknowledged same as deeds, and are foreclosed in court of equity. Chattel mortgages are void against creditors of the mortgagor and subsequent purchasers, unless accompanied by affidavit of all the parties thereto that the mortgage is made in good faith, and without design to defraud creditors, and recorded in like manner as conveyances of real estate.

**NOTES AND BILLS OF EXCHANGE.** Three days grace are allowed on bills of exchange payable at sight, and on all negotiable promissory notes, orders or drafts payable at a future day certain, unless there is an express stipulation to the contrary.

**SUITS.** Civil practice is under a code, and all distinctions in forms of action and suits are abolished.

## WEST VIRGINIA.

**ACKNOWLEDGMENTS** may be taken before a Notary Public, Recorder, Prothonotary, or Clerk of any court of record within the United States, or Commissioner appointed to act within the same by the Governor of this State, duly authenticated by the official seal of such officer annexed to the certificate of acknowledgment.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law and no statute regulating assignments in trust for benefit of creditors. Such assignments are sometimes made, but do not operate as a discharge. A defendant debtor under arrest may be discharged from such arrest by making conveyance of his property not exempt by law.

**ATTACHMENT** process will issue on creditor's affidavit that debtor, or one of them, is non-resident; has left or is about to leave the State; conceals himself so that summons cannot be served upon him; is removing or about to remove his property out of the State; is converting his property into money, etc., with intent to defraud his creditors; has assigned or disposed of his property with intent to defraud his creditors; has property or rights in action which he conceals, or fraudulently contracted the debt for which the action is brought. Upon the creditor giving bond and security the sheriff is required to take the attached property into his possession. Goods, effects or money due the defendant in the hands of a third party can be garnished. There is no imprisonment for debt in this State, but defendant in civil action may be arrested when about to leave the State or to remove or assign property, etc., with intent to defraud his creditors.

**COURTS, Terms and Jurisdiction.** Justices' Courts have jurisdiction in all civil actions where the amount claimed does not exceed \$100 exclusive of interest, and the title to real estate does not come in question. County Courts, where the amount in controversy exceeds \$20. Circuit Courts are held in each county, and have jurisdiction where the amount of the debt exceeds \$50 exclusive of interest. County Courts have full probate powers.

**EXECUTION** issues immediately after term of court at which judgment was rendered, and is returnable in ninety days. There is no stay of execution in the higher courts, but in Justices' Courts stay is allowed as follows: Under \$10, one month; \$10 to \$20, two months; \$20 to \$50, three months; over \$50, four months. There is no redemption of property sold under execution, deed of trust or mortgage when foreclosed.

**EXEMPTION.** Homestead to the value of \$1,000 is exempt, where the property of that value is devised or granted to debtor, being a husband or parent, and resident in the State, as a homestead; and where he, previously to contracting the debt or liability, has placed a declaration of his intention to keep the property as a homestead on the land records of the county in which the real estate is situated. Personal property to the value of \$300 is also exempted, provided debtor is a resident and parent. Also \$50 worth of tools of a

mechanic, artisan or laborer, whether he is a husband or parent or not.

**INTEREST.** The legal rate is six per cent. Excess of interest is not recoverable under the law. Incorporated companies, only, may borrow money at higher rates. Judgments bear six per cent. Illegal interest paid may be recovered within five years.

**JUDGMENTS** are a lien upon all real estate of the debtor, but to secure the lien against purchasers not having notice judgment must be docketed in the County Clerk's office within ninety days.

**LIMITATIONS OF SUITS.** Store account, three years; accounts concerning trade between merchants, five years; contracts not in writing, or in writing and not under seal, five years; contracts under seal, twenty years, except contracts executed after April 1, 1869, whether under seal or not, ten years; to recover land, ten years. Hevivor: Acknowledgment of debt or promise in writing to pay.

**MARRIED WOMEN.** Property of wife acquired at any time and from any source other than her husband, held to her sole and separate use; provided, that the husband must join in conveyance of realty. Widow is endowed of one-third of all the real estate of which her husband was seized of an estate of inheritance at any time during her coverture, unless such dower shall have been lawfully barred or relinquished.

**MORTGAGES** are executed and acknowledged as deeds but contain a clause of defeasance. They can only be enforced by foreclosure in a court of equity, and their place is taken generally by deeds of trust which do not require the intervention of a court. Chattel mortgages are also little known.

**NOTES AND BILLS OF EXCHANGE.** Every promissory note or check for money payable in this State at a particular bank, or at a particular office thereof, for discount and deposit, or the place of business of a savings' institution or savings' bank, and every inland bill of exchange payable in this State, shall be deemed negotiable. Three days of grace are allowed. When a bill of exchange drawn or indorsed within this State is protested for non-acceptance or non-payment, there shall be paid by the party liable for the principal of such a bill, in addition to what else he is liable for, damages upon the principal at the rate of three per cent. If payable out of the State and within the United States, and ten per cent. if payable without the United States. Commercial paper falling due on a Sunday is payable and may be protested on the preceding day. If on January 1, July 4, or December 25, then on the preceding day, or if that be Sunday then on the preceding Saturday.

**TAXES** are a lien on real estate from the first day of February in each year and draw six per cent. interest if unpaid after the day fixed by law for payment. Every two years (as in 1879, 1881, etc.) a tax sale is held in each county, at which all the lands previously returned delinquent and not redeemed are sold for taxes, interest, and a penalty of fifteen per cent. One year after the sale is allowed for redemption.

## WISCONSIN.

**ACKNOWLEDGMENTS.** Deeds executed within this State—of lands or any interest in lands therein—must be executed in the presence of two witnesses, and the persons executing must acknowledge the execution before any Judge, or court, Commissioner, Clerk of a Circuit Court, County Clerk, Notary Public, Justice of the Peace, or Clerk of the Municipal Court of the City and County of Milwaukee. Deeds conveying land, or any interest in land situated in this State, if executed in any other State, Territory, or District of the United States, may be executed according to the laws of such place, and the acknowledgment may be before any Judge of a court of record, Notary Public, Justice of the Peace, Master in Chancery, or other officer there authorized by law to take the acknowledgment of deeds therein, or before a Commissioner appointed by the Governor of this State for such purpose. If such deed be executed in any foreign country, it may be executed according to its laws, and acknowledged before any Notary Public—with seal affixed—or other officer

authorized by law there to take such acknowledgments, or any Minister, *Chapre d'Affaires*, Commissioner, or Consul of the United States appointed to reside therein.

**ASSIGNMENTS AND INSOLVENCY.** An insolvent debtor may make an assignment for the benefit of his creditors. He must present a petition to a Judge of the Supreme or Circuit Courts, with sworn schedule and affidavit. A creditors' meeting is held after due notice by publication, and on terms joined a jury trial may be had, and defendant examined under oath as to his property. If jury find for insolvent, the Court will grant his discharge, but this is voidable where fraud has been practiced.

**ATTACHMENT** may be had in courts of record where debt exceeds \$50, when defendant is a foreign corporation or non-resident, or has absconded or concealed himself, assigned, disposed of, or concealed his property, or attempted to do so, or to remove it with intent to defraud creditors, or when the debt was fraudulently contracted. Real estate may be bound by filing a

copy of the attachment and a description of the land in the Register's office of the county where the land lies. Money or property of defendant in the hands of another, or debt due defendant, may be garnished. Defendant may be arrested on affidavit of fraud in contracting the debt, etc. Plaintiff must give bond in all cases.

**COURTS, Terms and Jurisdiction.** Circuit Courts, holding two to four terms each year in each county, have original jurisdiction in all civil actions not cognizable by Justices of the Peace. County Courts have full probate powers, and are always open for business. Justices' jurisdiction, §300.

**EXECUTION ON Circuit Court judgments** may issue as soon as costs are taxed and judgment is docketed, and are returnable within sixty days, and may be issued at any time within five years. In Justices' Court execution may be issued at once, but the losing party is allowed five days in which to put in stay, and in Justices' Court executions are returnable in thirty days. In Justices' Court, on bond with surety being given for payment of the judgment, execution may be stayed, if put in within five days, not exceeding four months. No stay of execution, issued on judgments obtained in Circuit Court, can be had, except in cases of appeal. Real estate sold under execution may be redeemed by the owner within two years; by any judgment or mortgage creditor having a subsequent lien, within two years and three months.

**EXEMPTIONS.** Homestead of forty acres outside of any town, city, or village plot, or of one-fourth of an acre if within such plot, with dwelling-house, etc., without regard to value. Also family pictures, or school books, library of debtor, wearing apparel of debtor and family, all stoves put up and kept for use, all cooking utensils, and all other household furniture not herein enumerated, not exceeding \$200 in value; two cows, ten swine, one yoke of oxen or one horse, or a span of horses or mules; ten sheep, and the wool from same either raw or manufactured; the necessary food for above stock for a year's support; one wagon, cart, or dray, one sleigh, one plow, one drag, and other farming utensils, including tackle for teams, not exceeding \$50 in value, provisions and fuel for one year; tools and implements and other stock in trade of a mechanic or miner or other person, not exceeding \$200 in value; library or implements of any professional man, not exceeding \$200 in value; all moneys from insurance of exempt property; earnings of all persons for sixty days next preceding the issuing of any process; all sewing machines kept for use; any swords, plate, books, or other articles presented by Congress or the members thereof.

**INTEREST.** Parties may, in writing, contract for ten per cent., but the rate on all moneys due, or payable with interest, and on all judgments, unless expressly named, will be seven per cent. No interest can be computed on interest, whether due by agreement at a fixed time or otherwise, unless so distinctly agreed in writing.

Any corrupt, usurious agreement whereby more than ten per cent. is reserved, agreed to be paid, or taken, forfeits all the interest paid or agreed to be.

**JUDGMENTS OF the Circuit Court** are a lien on all real estate of debtor within the county from the date of docket, and lien continues ten years. Judgments of Justices become liens on filing transcript, and all liens can be extended to other counties in like manner.

**LIMITATIONS OF SUITS.** On contracts not under seal, six years; judgments of courts within the State and sealed instruments, cause accruing within the State, twenty years; foreign judgments and specialties, cause accruing without the State, ten years; recovery of bonds, twenty years. Revivor; Part payment or new promise in writing; if by one joint debtor it revives only as to him.

**MARRIED WOMEN.** The property of a wife, acquired at any time, from any source other than her husband, is held to her sole and separate use and disposal. She may convey real and personal estate precisely as if unmarried, and although her husband does not join in her deed of her separate property, his right of tenancy by the curtesy will nevertheless be barred. Widow is entitled to dower or use for life of one-third part of all the lands whereof her husband was seized of an estate of inheritance at any time during marriage, unless lawfully barred.

**MORTGAGES** must be recorded in the office of the Register of Deeds for the county wherein the land is situated, and may be foreclosed by advertisement or by suit in equity. One year is allowed for redemption. Chattel mortgages are void as to third parties, unless possession of the property passes to and remains in the mortgagee, or the instrument be filed of record. In the last case, it must be renewed every two years.

**NOTES AND BILLS OF EXCHANGE.** Days of grace are allowed, except on bills, notes, and drafts payable on demand. Bills drawn and indorsed within the State, and payable out of the United States, when duly protested for non-payment, draw amount due, interest, current rate of exchange, and five per cent. damages. On bills of exchange drawn upon any person or corporation out of this State, within some State or Territory, and duly protested for non-acceptance or non-payment, the drawer or indorser shall pay said bill with legal interest, five per cent. damages, and costs of protest.

**SUITS.** Actions concerning real estate are brought in the county where the land lies; personal actions and actions against foreign corporations, in any county.

**TAXES** are due and payable after the third Monday in December, and if not paid by the last Monday in January following, may be collected by distress. Lands on which taxes then remain unpaid are returned as delinquent, and are sold on the second Tuesday in May for the tax, five per cent. penalty, interest, and costs. Lands thus sold may be redeemed within three years or any time before the tax-deed is recorded, by payment of the amount sold for, with twenty-five per cent. interest and costs.

## WYOMING.

**ACKNOWLEDGMENTS** must be made before a Judge or Commissioner of a court of record, or before any Notary Public or Justice of the Peace within this Territory. If made out of the Territory, before any officer authorized by the State or Territory, in which it is made, to take acknowledgments, or before any Commissioner appointed by the Governor of this Territory for such purpose.

**ASSIGNMENTS AND INSOLVENCY.** No insolvent law, and no statute regulating voluntary assignments, which are governed by the common law.

**ATTACHMENT** may issue against all the property of persons who are non-residents of this Territory, against foreign corporations, and may issue when the defendant has absconded, or has removed or concealed, or is about to remove or conceal his property, or a part thereof, with intent to defraud his creditors; has property or rights in action which he conceals; is about to convert his property into money, with intent to defraud his creditors; fraudulently contracted the debt or incurred the obligation for which suit is brought, and in all cases where the debt does not exceed \$250, is not otherwise secured, and which has not been paid when due, and within ten days thereafter on demand. Arrest in civil actions may be made on the ground of fraud or concealment of property, etc. Garnishee process may be had in aid of attachment.

**COURTS, Terms and Jurisdiction.** District Court is held twice a year in each organized county, and has full common law and chancery powers. There is a Probate Court in each county. Justices' jurisdiction, §100.

**EXECUTION** may issue immediately after judgment rendered, and is returnable in sixty days from a court of record, and thirty days when issued by a Justice of the Peace. There is no stay law, and no provision for redemption.

**EXEMPTION.** Household furniture, provisions, etc. \$500; tools, team, implements or stock in trade of mechanic, miner or other person, kept for his trade or business, \$300; library and instruments of professional man, \$300; homestead actually occupied as such by head of family in country, 160 acres; in town, lot or lots in value \$1,500.

**INTEREST.** In the absence of express contract, all moneys, claims or judgments draw interest at the rate of twelve per cent. per annum. Any rate may be agreed upon in writing; unsettled accounts draw interest after thirty days from date of last item.

**JUDGMENTS** are a lien on debtor's real estate within the county from the time of entry, which lien continues for five years.

**LIMITATIONS OF SUITS.** On contracts not in writing, four years; Upon specialty or agreement in writing, five years; on all foreign judgments, or contracts made

or incurred before debtor becomes a resident, within one year after he establishes residence in Territory; recovery of lands twenty-one years. Revivor: Part payment or acknowledgment in writing.

**MARRIED WOMEN.** A married woman retains her property, both real and personal, may make a will, carry on business, sue and be sued, and retain her own earnings. She may also vote and hold office.

**MORTGAGES** must be attested by two witnesses,

acknowledged, and recorded, and are foreclosed by bill in equity. Chattel mortgages are subject to the same rules, and must be renewed yearly.

**NOTES AND BILLS OF EXCHANGE** are subject to the law merchant, and grace is allowed on all negotiable paper, including sight drafts.

**SUITS.** There is but one form of action, and the Code of Procedure is precisely similar to that of Ohio.

## CANADA.

**INTEREST.** The legal rate is six per cent., but parties may agree upon any rate, but if no contract is made, six per cent. only can be collected. Banks, by law, can not charge more than seven per cent.

**NOTES AND BILLS OF EXCHANGE.** Three days of grace

are allowed on commercial paper. Promissory notes and bills of exchange are negotiable, and are subject to the right of set-off between the parties, but not as to third parties, if acquired by them before they become due. Protest fixes liability of indorser.

# HOW TO COMPUTE INTEREST.

## EXAMPLE 1.

As 60 days' interest at 6 per cent. per annum is 1 per cent., the interest for 30 days is 1 per cent. on half the principal; therefore the rule: Multiply half the principal by the number of months and one-third the number of days (to make the days decimal parts of the month), and the result after marking off fractions, will be interest at 6 per cent.

Example:

Required interest on \$2,865.80 for 7 months 24 days.

Half the principal.....	\$ 1,432.90
Multiply by.....	7.8
	<hr/>
	1146320
	1003030
	<hr/>
Answer—\$111.76.	\$111.76620

If 7 per cent. is required, add 1-6; if 8, add  $\frac{1}{3}$ ; if 9, add  $\frac{1}{2}$ ; if 10, move the decimal one point to the right and divide by 6.

## EXAMPLE 2.

The following is the shortest and most accurate method of computing interest known. Multiply the principal by the number of days, and divide—

If at 5 per cent., by 7200.	If at 11 per cent., by 3273.
If at 6 per cent., by 6000.	If at 12 per cent., by 3000.
If at 7 per cent., by 5143.	If at 13 per cent., by 2760.
If at 8 per cent., by 4500.	If at 14 per cent., by 2571.
If at 9 per cent., by 4000.	If at 15 per cent., by 2400.
If at 10 per cent., by 3600.	

## EXAMPLE 3.

Taking as a basis 360 days to a year, and 6 per cent. per annum, we perceive if twelve months bring 6 per cent., two months will produce 1 per cent. As 1 per cent. is a hundredth part of any amount, and is easily obtained by dividing any amount by 100, or simply pointing off two right-hand figures, as for example,—6 per cent. for sixty days of \$100 is \$1. Take, for example:

Principal, \$1,279.50; required the interest at 6 per cent. per annum for ninety-three days. Solution:

6 per cent. for 60 days.....	\$12.79.50
6 per cent. for 30 days, half of 60 .....	6.39.75
6 per cent. for 3 days, one-tenth of 30.....	63.98
Total.....	<hr/>
	\$19.83.23

Throwing away the fractions of cents we have \$19.83. If a basis of 365 days is taken instead of 360, as 5 in 365 is 73 times, divide the amount \$19.83 by 73, and we have 27 cents, which deduct from.....

Grand result.....\$ 19.56

If 8 per cent. is required, add  $\frac{1}{3}$ , if 7, 1-6, if 10,  $\frac{1}{2}$ , etc., always keeping the starting point 6 per cent. for sixty days, by pointing off two right-hand figures of the dollars.

## EXAMPLE 4.

A short, simple and accurate method of computing interest is found in the following rule, namely: Multiply principal by number of days, and divide by 360. The quotient will be the interest at 1 per cent., and for any other multiply by the per cent. desired.

## EXAMPLE 5.

Divide 36,500 by the rate of interest, multiply the number of days by the principal, and divide the product by the quotient arrived at by the first operation. If there is a fraction after the latter division it is because there are cents in the answer.

SAMPLE OF "MENDEL'S PROTECTIVE TINT PAPER."

PATENTED 1878.

**EDWARD MENDEL,**

**CHICAGO.**

*See following Pages for Samples and Description of Mendel's Protective Tint Paper from which writing cannot be removed without charring or defacing the Paper.*

DO NOT CUT THE SAMPLE. Order the color by name and the pattern you wish by number, as printed on these samples.

Specimens of Mendel's Patent Protective Tint Paper, for drafts, checks, notes, and all forms subject to fraudulent alteration.

This is the *only* Safety Paper which has sustained the claims made for it in *every instance, never having been successfully altered*, though used to a greater extent in the Northwest than any other paper for its designated purpose, its advantage over everything of the kind that has heretofore been offered to the public can be shown at a glance. No other paper affords the same security against fraud; no other paper has a variety of tints, and tint patterns of the most elegant description, to choose from. The customer is not obliged to use a dirty green or a dingy purple, but can freely exercise his taste in the selection of tint and tint pattern with the full assurance that his choice cannot involve any lack of security.

The great demand for this paper has induced some unscrupulous persons to imitate it, and

parties should be careful to know that they are furnished with the genuine thing, bearing trade mark as shown in these samples. All of the principal dealers, printers, and lithographers throughout the country will be prepared to furnish Mendel's Patent Protective Tint Paper to their customers, as the daily increasing demand must make it a staple article of trade.

If this paper had no other merit than its beauty of design and color, it would be largely used, but when that is combined with *absolute safety* and economy, it must supersede everything of the kind in the market. The paper needs only to be seen and tested, to insure its use by every banker in the land. For the safety of the public, and to protect my own interest, I shall prosecute all infringements upon my rights in these premises to the utmost legal limit. Bankers and others will be sure that they are furnished with the genuine article.

The following Banks and Banking Houses are using the Patent Protective Tint Paper, and express themselves in terms of highest commendation.

We make a specialty of collecting, securing or otherwise adjusting mercantile claims, and are prepared to go at short notice to any part of Minnesota, Western Wisconsin, and Northern Iowa.

All matters entrusted to our care will receive our personal and prompt attention.

The repeal of the Bankrupt Law necessitates prompt action in the collection of claims. This is especially true as to foreign creditors.

The United States Courts for Minnesota being held at St. Paul, gives us great advantage over local attorneys where litigation is necessary.
